How to Kill a Demon Moonie Allen,2017-07-14 Step 1: Abandon all previous sense of reality. Step 2: Choose an opponent. Step 3: Acknowledge that said chosen opponent is a blood-thirsty demon intent on killing you first. Step 4: At the same time, acknowledge how completely and utterly incompetent you are for this task. Step 5: Panic.

*The Boy Who Killed Demons* Dave Zeltserman,2016-04 The setting is quiet Newton, Massachussetts, where nothing ever happens. Nothing, that is, until two months after Henry Dudlow's 13th birthday, when his neighbor, Mr. Hanley, suddenly starts to look . . . different. While everyone else sees a balding man with a beer belly, Henry suddenly sees a nasty, bilious, rage-filled demon. Once Henry catches onto the real Mr. Hanley, he starts to see demons all around him, and his boring, adolescent life is transformed. There's no more time for friends or sports or the lovely Sally Freeman-instead Henry must work his way through ancient texts and hunt down the demons before they steal any more innocent children. And if hunting demons is hard at any age, it's borderline impossible when your parents are on your case, and your grades are getting worse, and you can't tell anyone about your chosen mission.

*All Shot To Hell* Mila Young,Harper A. Brooks,2021-09-26 Playing devil's advocate with three demons? There's no way I am ever going to win. Things were finally going right for us. Losing him shouldn't bother me, but it does. A lot. Elias and Dorian have a plan: seek out help from people who wield the darkest and cruelest of magic. But nothing can be done for free and the price has us traveling across the world and facing a slew of new dangers, ones none of us are prepared for. Even with everything shot to hell, the demons remain a constant temptation I don't need. Being with them only seems to fan the flames, but letting me go depends on finding all of Hell's relics. And if I'm being honest, I'm not sure what I'll do once my soul is freed. *Mad Malena* Bruce W. Durbin,2018-02-25 In a future world, where the rich have become immortal, by making a deal with the devil, a renegade female soldier, whose favorite weapon is a machine gun loaded with silver bullets, attempts to bring peace to a shattered world, by killing demons and humans, who are hell bent on taking over the world, but....will her own demons stop her?Malena is an orphan, who was raised in a branch of the church, which believed in a more hands on approach to confronting demons, specifically, the use of modern weapons, including machine guns, loaded with silver bullets. Malena was taught how to shoot, with Malena's favorite weapon quickly becoming a TEC-9, machine gun. Malena was also taught various forms of Martial Arts, as she was being trained to become a warrior of the church. Rebellious from the beginning, she left the church, in order to deliver her own form of justice and....on her own terms. As a result of leaving the church, Malena gave up her divine powers,

returning her to mere human form, with no special, super human strengths. To survive, Malena had to rely on her own abilities, which included exceptional marksmanship skills, knowledge of firearms, and hand-to-hand combat. One night, Malena is attacked by several DEMON SOLDIERS. After escaping the attack on her life, Malena identifies one of the attackers as having a distinctive TRIANGLE TATTOO. In researching the tattoo, Malena identifies the attacker as a street thug, who she had killed, several years earlier, while he was in human form. In secret, Malena enlists the assistance of one of her former church teachers, in order to identify the meaning of the TRIANGLE TATTOO. In her investigation, Malena discovers a connected nightclub, called the ANGEL OF LIGHT CLUB. While checking out the club, a group of former priests and nuns, attack the club, in their attempt to kill some demons. After Malena rescues one of the attackers, they invite her to join their group, because of her exceptional fighting skills and her skills are needed, in order to crush the demons. While at the club, Malena meets Samantha, who appears innocent. Malena saves Samantha from the demons and a romance begins, while Malena tries to discover the identity of Simon and his evil plans. Simon is identified as the owner of the ANGEL OF LIGHT CLUB, as well as having a warehouse, where he is apparently resurrecting dead criminals and turning them into demons. Simon is also identified as being directed by an unknown person. At his warehouse, Simon is also preparing to ship his newly resurrected demons to unknown locations. When Malena gets too close and threatens to ruin his plans, Simon sends his demon army to destroy Malena's faith, in an effort to bring her to his side; killing her would be too easy. Facing her own internal demons, Malena reaffirms her faith and foils Samantha's attempt to destroy her, which angers Malena to the point where she becomes...Mad Malena.

**Short Story Press Presents Dead Shot Clock** Short Story Press, Blaise Marcoux, 2012-05-06 Short Story Press Presents Dead Shot Clock by Blaise Marcoux. Years ago, Mayan demons invaded Earth, first with zombie foot soldiers, then in person, forcing humanity into submission. Without warning, the demons retreated to their realm, with most of humankind bewildered as to why. Little does the average person know that the government bartered a treaty with the demons. Every year, five teams of fourteen-year olds, each from a different continent, must play basketball with the demons in a game that will decide whether humanity stays safe... or another hellish invasion begins. This story follows one such team's game. • Jacob, the team's captain, has a violent fit alone in the team's practice gym's locker room. His skin grays, he has seizures, and his organs rot before he manages to stave off the symptoms with a self-administered injection of an unspecified solution. • He joins his impatiently waiting team and gets on the bus headed toward the annual game. The other players are introduced: Emma, Carlos, Daequan, Deandre and Dwayne, and Eric. • The team meets Colonel Rodriguez. He explains the treaty with the demons and the team's role in defending Earth along with a quick brush up on the demon's history with the Mayans. During his presentation, he lets slip that humanity has reclaimed some of the zombies from the demons using antidotes. Jacob uncomfortably stays silent. • The team is escorted to the court where they will play the demons. In the locker room, Jacob reenounters evidence of his earlier episode and starts changing into a zombie again. He antidotes himself just in time, but the team knows his secret now and decides not to let him play the game with them. They leave him alone in the locker room. • At halftime, the team returns battered and bruised from the first half. Humanity is losing by ten. Eric is dead, killed by a demonic flagrant foul. Jacob's teammates beg him to play, a request he quickly accepts. Jacob fights alongside his teammates to even the score. The clock ticks down, almost at zero. Humanity cannot tie without consequences. A demon eyes Jacob malevolently as the boy stares down the basket. Jacob's skin goes pale. Will he score the winning basket, saving humanity? Will the demon rip him to shreds like it did Eric? Worse yet, will Jacob succumb to the monster inside him and let down his team for good? What happens next when all the world has is a Dead Shot Clock? Short Story Press publishes short stories written by everyday writers.

Demon Scott Winfield, 2010-08-01 On July 21, 2020, Thomas Yeoman leaves a cushy office job as a forest service worker and decides to take on the challenge of becoming a demon hunter. Using a special ring, he travels into a small town outside of Las Vegas Nevada, bringing all the tools that his great grandfather used decades before him. When he arrives he befriends an elderly man by the name of Carl Holkin. He is a hunter that has used a special book to seek out and destroy demons as his ancestors did before his time. In the following months Carl and Thomas work side by side and destroy demons that were created by ancient medicine men of the tribes of Arizona. The book itself has a long list of demons yet to be destroyed and put out of harm's way. The first real challenge comes when Thomas and Carl find that Gary Ridgeway has broken out of the prison in Walla Walla Washington. He finds the means to travel to Cerbat and is given an offer that he can't refuse. The Green River Killer decides to let a very powerful demon use his body as a vessel to cause a reign of terror on the citizens of Cerbat, Arizona. The demon itself could best be described as a creature with two big wings that were black and also had an orange colour similar to that of a Phoenix. It had two big fangs and appeared to be very powerful. Anyone that came into its path would surely die. It mentioned in the book of demons as Firewalker. Knowing that they need help, Carl calls upon an old flame that he knew years ago that was a practicing white witch. Thomas Yeoman and Carl Holkin decide to let Olivia Harrington join as a member of their newly formed team. Years ago, Firewalker had slaughtered her husband and child, which made the dealings with this demon personal. Does Thomas and his team-mates come out to the victor in the battle against the most prolific and brutal killer of the 21st Century? You will have to read this work and find out. One day a helicopter flies into a secret lab inside of the mountain of Cerbat. It carries a wounded soldier that was near death. Two scientists by the name of Hans Lokner and Kamran Dolchanez repairs the

soldier?'s body with cybernetic technology which has been funded by the Department of Defence. The government wanted them to create an ultimate soldier that was stronger and faster than any of the enemies of the United States. They do the unthinkable and create a man that is able to run hundreds of miles an hour and able to shoot a laser out of his eye. Just when the cyborg is ready to be turned back over the government, Hans uses the cyborg to brutally murder Kamran Dolchanez and use the cyborg for other reasons. Hans, a practitioner of black magic is able to create a way to place the souls of brutal serial killers inside of his newly created cyborg?'s body. The cyborg consumes the souls of John Wayne Gasey, Lizzie Borden and Jeff Dahmer. Hans knew that he needed more souls for his cyborg. Hans and the cyborg travel to Corcoran State Prison in California. The powerful cyborg snaps the neck of an eighty six year old inmate by the name of Charlie Manson and readily consumes his soul. Hans has done the unthinkable; he decides that he wants to create a homemade demi god. With the power to travel in time, Hans and the cyborg decide to travel to different parts of history and consume souls, which makes his cyborg more powerful each time he consumes a soul. Thomas finds another teammate by the name of Drina Calvert. With Carl, Drina and Olivia by his side, they fight to save humanity and put a kink in the plans for Hans to create his demigod. Is Hans Lokner successful or does Thomas and his newly formed team come out as the victors in this fight? You will have to find out by reading this masterfully written work.
