Don'T Shoot Innocent People Richard Gary Horn, 2016-06-28 Too many innocent people being shot in our times. This book was written for the millions of citizens who function normally in our society every day and are trying to understand why some people would go out and shoot totally innocent people who have absolutely no relationship at all to the shooter. It was also written for those who are fed up with society and want to strike back those individuals who have hate in their hearts and revenge on their minds. It offers alternatives to the way they're thinking and encourages them to be brave and face life as it is.

Shoot to Win Chris Cheng, 2014-10-14 Chris Cheng won the title of "Top Shot," a \$100,000 cash prize, and a professional marksman contract with the show sponsor, Bass Pro Shops. How did a tech support guy who didn't shoot a lot of guns beat out seventeen other competitors—including seasoned military veterans, law enforcement officers, and pro marksmen—in History Channel's Top Shot season 4? An excellent guide for beginning shooters, Cheng focuses on the basics and ammunition of pistols, rifles, and shotguns, marksmanship fundamentals, and buying a firearm. Other chapters include: Dry Fire Practice Firearm Accessories Safely Storing Your Firearm Cleaning and Maintaining Your Guns And much more! Additionally, Cheng covers his approach to staying calm under pressure, teamwork, sportsmanship, and leadership. These traits contributed to his coming out on top and staying above the fray. With a foreword written by Top Shot season 3 champion Dustin Ellermann and an afterword written by the original Top Shot champion Iain Harrison, *Shoot to Win* is sure to please shooters of all stripes, but especially fans of History Channel's program Top Shot. How to Shoot a Feature Film for Under \$10,000 Bret Stern, 2002-08-20 Right now, you're wondering, Gee, what kind of information is in this cute yet stylish guide? Sure, there are a bunch of other books that will take you through the filmmaking process, and if your name is Beaver Cleaver, you might be interested in them. But you should know that filmmaking is a war, and this book will lead you through it like no other. These pages contain information learned from years spent in the filmmaking trenches. Anyone with a credit card can rent a camera and buy film stock -- but who can: Rent a camera for two weeks and pay for only two days? Set the exposure on the camera without a light meter? Feed a crew of twenty with yesterday's chicken soup? Not many. You want more? Then turn the book over and crack her open. Still here? Fine -- we'll do it the hard way: This book will tell you how to shoot a sex scene, tell you what a stinger is. And if you need help writing your script, we'll give you some scenes to copy right into your screen-play -- and yes, we even provide the characters. In short, everything you need to know about filmmaking in the real world is in this book. Everything. We'll even help you select the proper

baseball cap so you can look like a big-time director. Now start reading. Let's make film history.

Shoot, Run, Or Die Trixie Bellows,Daelyn Alexander Weber,Excitedpigeon,2013-07-01 “Shoot, Run, or Die: A Second Amendment Adventure Book” gives the reader a chance to travel through a variety of everyday settings while exploring the option of carrying a concealed weapon. The book has dozens of different outcomes and consequences, determined by whether the reader chooses to obtain a license to carry a concealed weapon, or is too afraid of guns to consider this form of self-defense as an option. Some stories in this book are very loosely based on real-life news events in our country.This book is perfect for the second amendment enthusiast who wants to be the hero in the story, or for liberal friends who might

be in need of persuasion regarding the importance of the second amendment and their own personal responsibility when it comes to self-defense. Either way, this book is a fun, thought-provoking, second amendment advocacy book designed to make the reader consider which they would rather be in life: a sheep, or the sheepdog, when encountering a wolf in everyday life. “Shoot, Run, or Die: A Second Amendment Adventure Book” is timely and pertinent to our nation today, as controversy swirls around the topic of gun control vs. gun rights. This topic is continuously up for debate by our elected politicians, as news events stoke the fires in both camps. This book provides a venue free from politics, just a healthy dose of what reality could be – without the actual consequences of being there.

The Hall Street Shoot-Out E. R. Walt,2010-11-12 On a pleasant evening in September of 1969, twenty-six year-old Johnny Thomas excused himself from his family's dinner table, picked up a pump shotgun and announced he was going hunting -- alone. Then he stepped out of his house and shot sixteen-year-old Aljewel Wesley in the face as she sat on her own front porch. It was the first shot fired in what would become the biggest, wildest and most bizarre gunbattle in the 130 year history of the Dallas Police Department. This book is the story of that battle as seen by the officers who fought it--P. [4] of cover.
