

Shoot The Cans

Chris Cheng

Learning Shooting Sports Katrin Barth, Beate Dreilich, 2009-11-01 ? you have your target in your sights, you breathe calmly and then ? the shot! Whether you shoot at cans or at targets, with balls, arrows, lasers or, later on, with actual sport ammunition, you want to be able to hit your target. That requires knowledge of your sport, the proper technique and equipment. How do you concentrate at just the right moment, keep your nerve and hit the target? We would like this book to be your practice companion. We will give you important information about equipment, techniques and about your physical fitness. You will get tips for practicing at home and we will tell you how to recognize and avoid mistakes. The little stork will accompany you throughout the book. He is very skilled at using his long, pointy beak and almost always hits his target. He will tell you lots about the shooting sports, will give you tips on safety and how a healthy lifestyle will help you succeed. In addition, the little stork offers you many opportunities for recording, filling in, coloring and doing brain twisters and he even wants to give you an award at the end. Have fun!

Bamboo Shoot Nirmala Chongtham, Madho Singh Bisht, 2020-10-25 Bamboo is an ordinary plant with extraordinary properties. With its high growth rate and self-renewing ability, bamboo's sustainability is unparalleled. Bamboo is an important resource for a healthy planet, and its shoots hold manifold nutritional benefits. Based on 18 years of research, *Bamboo Shoot: Superfood for Nutrition, Health and Medicine* details health-promoting bioactive compounds found in bamboo and offers practical guidance on how this vegetable, bamboo shoot, is used for food fortification. Already a delicacy in many Asian countries, bamboo shoots aid in the prevention of cardiovascular disease, cancer, diabetes, hypertension and obesity. Exploring the tradition and culture of bamboo in Asian countries, this book also provides information on the science behind the nutritional value of bamboo shoots. Written by individuals with expertise in bamboo shoot nutrition and fully illustrated in colour, this book reveals the antioxidant activity of bamboo shoots and discusses the potential for bamboo to be used as an ingredient in functional foods and nutraceuticals. This highly practical book discusses processing and packaging of shoots for long term storage and using bamboo in the development of novel food products. Features: Elucidates the nutrients and phytochemicals in over 30 bamboo species and includes a glossary of scientific names Highlights the nutraceutical and antioxidant properties of bamboo Describes novel healthy food products fortified with bamboo shoots and provides food recipes using bamboo Explains how bamboo can help countries achieve their sustainable development goals, from poverty reduction, food security, improved nutrition and prevention of diseases to climate change mitigation and inclusive green economic development Aimed at professionals in the nutrition and food processing industry, this book appeals to those with an interest in incorporating bamboo into a healthier lifestyle. Endorsements This is a unique book interestingly crafted to highlight the important nutritional, health and medicinal aspects of Bamboo, an area that is greatly underexplored. It will bring awareness that bamboo shoots are a low calorie, high fibre nutritious vegetable packed with vitamins and minerals. - Prof. Cherla Sastry, Founding Director General INBAR and Adjunct Professor, University of Toronto, Canada This book brings a series of answers to all questions related to bamboo as a superfood [and will] enlighten readers how to transform bamboo shoots using either traditional or modern techniques, how to package them and how to use them as a functional and nutraceutical food. It also provides a series of cooking recipes for healthy eating while we enjoy our food. - Ximena Londoño, Founder, A Bamboo and Guadua Paradise, Colombia

Maple Grove Daniel Scherschel, 2006-11 This book was written while living in the Maple Grove neighborhood. It is about the people and work in the Maple Grove area north of Bloomington and some of the events on my dad's farm. Dad called it the Showers Hedgerow Farm because the farm was owned by the Showers furniture company and the many rows of large hedge trees (Osage Orange). The chapters Blanche and James are of my parents and some family history. They are also about the time our family moved from Lawrence County, Indiana to our farm in the Maple Grove area. The farm was once owned by the Showers family, who cropped and sold hardwood from this and surrounding farms. The neighbor women cooked in the summer home and the men worked in the fields and the woods before going home to their own farms. The Showers Company also had a factory in Bloomington, which sold furniture world wide, starting about 1869.

Rifle Shooting Boy Scouts of America, 1990 Outlines the requirements for the merit badge in rifle shooting and describes the techniques needed to fulfill them.

The Tale of a Hunter Harold Ash, 2013-12-13 In my lifetime I have harvested over two hundred deer and many other animals and birds, and that doesn't even count the fish species from coast to coast. I want to leave something to my family to remember me by. As of now, I have five grandkids that are somewhat interested in what I do. They show interest in the shooting sports and archery and fishing. With the fishing, they all have mounted fish I did for them on their walls. I do not push any children into hunting unless they approach me or their parents. My oldest granddaughter showed interest in archery, so when she graduated grammar school, I bought her first recurve bow. Right now she shows no interest in hunting, and that's perfectly OK. My oldest grandson just joined the Boy Scouts and has shot rifles and shot compound bows and now is interested in a compound bow. Last year he asked to go turkey hunting, and I hope he enjoyed the experience. And we didn't kill anything. We already picked out the bow. My three younger grandchildren—two are eight-year-olds and one is nine-year-old—are interested in target shooting the BB gun and archery shooting. They go for hikes with me to look for shed antlers. All my grandchildren are interested in fishing and all-around activities. My journey will continue to hone their skills in archery and firearms, and hopefully, they might be interested in hunting. My journey is far from over, God willing.

First 2 Weeks - Low Carb Reference Lisa Shea, 2014-02 ** Revised for 2015! More Information! ** This 268-page book gives you everything you need to know for those first two weeks of your low carb diet. It explains what you're getting yourself into and how to prepare. It guides you through stocking your pantry, your fridge, and your herb cabinet. It discusses how metabolism works, how fat burns, and how fiber is used. The book provides detailed information about those first two days where you break your addictions, and the first two weeks. It provides 83 delicious low carb recipes to get you rolling along the right path, including photos. A must have for anyone looking to begin a low carb diet! Perfect to carry with you and have as a constant reference! You can easily check notes and menu ideas while shopping! Let me know if you have any questions or suggestions! I frequently update all my low carb books based on your recommendations.

The Writer's Guide to Weapons Benjamin Sobieck, 2014-12-03 When it comes to writing weapons, most authors shoot from the hip--and miss. The Writer's Guide to Weapons will help you hit your target every time. Firearms and

knives have starring roles in a wide range of genres--crime, thriller, war, mystery, Western, and more. Unfortunately, many depictions of weapons in novels and film are pure fiction. Knowing the difference between a shotshell and a slug, a pistol and a revolver, or a switchblade and a butterfly knife is essential for imbuing your story with authenticity--and gaining popularity with discerning readers. Inside you'll find:

- An in-depth look at the basics of firearms and knives: how they work, why they work, what they look like, and how to depict them accurately in your stories.
- The biggest weapons myths in fiction, TV, and film.
- A surefire guide for choosing the correct weapon for your characters, no matter their skill level, strength, or background.
- A review of major gun and knife laws, weapons safety tips, and common police tactics.
- The Hit List, showcasing the most popular weapons for spies, detectives, gunslingers, gangsters, military characters, and more.
- Examples highlighting inaccurate vs. accurate weapons depictions.
- An insightful foreword by David Morrell, the award-winning creator of Rambo.

Equal parts accessible, humorous, and practical, *The Writer's Guide to Weapons* is the one resource you need to incorporate firearms and knives into your fiction like a seasoned professional.

Shoot to Win Chris Cheng,2018-05-01 A surprising journey from tech support to professional marksman in front of the cameras. Chris Cheng won the title of "Top Shot," a \$100,000 cash prize, and a professional marksman contract with the show sponsor, Bass Pro Shops. How did a tech support guy who didn't shoot a lot of guns beat out seventeen other competitors—including seasoned military veterans, law enforcement officers, and pro marksmen—in History Channel's Top Shot season 4? An excellent guide for beginning shooters, Cheng focuses on the basics and ammunition of pistols, rifles, and shotguns, marksmanship fundamentals, and buying a firearm. Other chapters include: Dry Fire Practice Firearm Accessories Safely Storing Your Firearm Cleaning and Maintaining Your Guns And much more! Additionally, Cheng covers his approach to staying calm under pressure, teamwork, sportsmanship, and leadership. These traits contributed to his coming out on top and staying above the fray. With a foreword written by Top Shot season 3 champion Dustin Ellermann and an afterword written by the original Top Shot champion Iain Harrison, *Shoot to Win* is sure to please shooters of all stripes, but especially fans of History Channel's program Top Shot. Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Good Time Girls of Nevada and Utah Jan MacKell Collins,2022-04-01 As settlements and civilization moved West to follow the lure of mineral wealth and the trade of the Santa Fe Trail, prostitution grew and flourished within the mining camps, small towns, and cities the nineteenth-century Nevada and Utah. Whether escaping a bad home life, lured by false advertising, or seeking to subsidize their income, thousands of women chose or were forced to enter an industry where they faced segregation and persecution, fines and jailing, and battled the other hazards of their profession. Some dreamed of escape through marriage or retirement, and some became infamous and even successful, but more often found relief only in death. An integral part of western history, the stories of these women continue to fascinate readers and captivate the minds of historians today. Nevada and Utah each had their share of working girls and madams who remain notorious celebrities in the annals of history, like Kate Flint and Dora Topham, but Collins also includes the stories of lesser-known women whose roles in this illicit trade help shape our understanding of the American West.

Practice to Deceive David Housewright,2012-01-10 A real estate scam tips Holland Taylor off to a widespread, deadly conspiracy When a drunk driver kills her entire family, Florida retiree Irene Gustafson is left rich and alone. Between savings and life insurance, the death of her son and his family leaves her with nearly \$300,000—a veritable fortune in a community where most live off social security. Following the advice of Ann Landers, Mrs. Gustafson hands the money over to an investment manager. The returns are steady until he starts investing in Willow Tree, a low-income housing development on the fringes of the Twin Cities. The money vanishes, and Mrs. Gustafson is destitute. That's where Holland Taylor, Minneapolis private detective, comes in. His recently retired parents are Mrs. Gustafson's neighbors, and they want Taylor to recover the old lady's money. It seems impossible, but as he investigates Willow Tree he finds a twisted real-estate conspiracy with deep roots in city politics—and a vicious killer hired to protect the secret.

Let's Go Get 'Em Tom Harding,2009-10-09 Dan Colt was a big man. Standing six foot, four inches and weighing nearly three hundred pounds. Dan has a full black beard with traces of gray .He is a handsome man in his mid fortys. He is a bounty hunter and one of the best. This man has no fear of anyone, anytime, anything, anywhere, and he is the nicest person you have ever met, but some people make the mistake of riling him. Dan has the temper of a grizzly bear, but he has a soft spot for women and children. His horse Buck is fourteen hundred pound buckskin and has no problem packing Dan around. His dog Sammi, a female German Sheppard, now five years old and weighing well over one hundred pounds. He bought Sammi when she was four weeks old, and Dan spent many, many hours training her to his commands. If anyone did harm to Sammi, Dan would cut their throat, in one second. If anyone would does harm to Dan, Sammi would go for their throat in a second. She travels with Dan everywhere he goes. Dan carries a.45 Colt on one hip and a 14 inch Bowie knife big and sharp, on the other hip. An old timer that knows Dan said that Dan was chasing an outlaw and when he caught him the outlaw fought back. Dan cut his head off with one swipe of his knife. He reached down and unbuckled the outlaws gun and holster and hung it over the saddle home of the outlaws horse. He didnt take the rest of his body. He left that for the coyotes. Dan said the outlaws guns saddle and his horse was his bonus. Then he put the outlaws head in a sack and turned it in for the bounty. When Dan came across a beautiful woman named Maggie. She was wearing a beautiful long green gown. She took Dans breathe away. Dan also came across a 12 year old orphan boy named Billy. He was pretty much like most boys that age. Kinda skinny. He had blonde hair with a cow lick on the back of his head. He always had a half dozen blonde hairs sticking straight up. He was growing faster than his pants. They were usually two inches too short. Billy was a pretty tough kid and he will prove it. Dan teamed up with a bounty hunter named Joe Cobb. Joe proved too many rowdy cowboys and outlaws that it was a bad idea to try their luck at challenging Joe to a fight. Joe was a big man about the same size as Dan. They also came across a very beautiful tall slender young lady that can damn well

take care of herself. Her name is Abby. A little girl named Little Milly was rescued after a wagon train got lost.

Foreign Trade in Canned Goods United States. Bureau of Foreign and Domestic Commerce,1912

Daughter of Chaos (Chilling Adventures of Sabrina, Novel 2) Sarah Rees Brennan,2019-12-26 Half-witch, half-mortal sixteen-year-old Sabrina Spellman has made her choice: She's embraced her witchy roots, and her power is growing daily. But will it come at too high a price? Sabrina Spellman has just made the hardest decision of her life: She's leaving behind her beloved friends at Baxter High. Now it's time for her to find her way among the witches and warlocks at the Academy of Unseen Arts. Sabrina has always been good at the school thing, but now she has a whole new world to navigate. Her power is growing daily, but it comes with a high price... she must always remember her new allegiances and the cost they have on her friends... and on herself. And then there's her new classmates. Prudence, Dorcas, and Agatha are friends, kind of, but can Sabrina trust them? And what about Nick Scratch? He's as charming as ever, but will his feelings for Sabrina last? Based on the hit Netflix show, this original YA novel tells an all-new, original story about Sabrina.

Just a Dog Arnold Arluke,2006-06-16 Psychiatrists define cruelty to animals as a psychological problem or personality disorder. Legally, animal cruelty is described by a list of behaviors. In *Just a Dog*, Arnold Arluke argues that our current constructs of animal cruelty are decontextualized–imposed without regard to the experience of the groups committing the act. Yet those who engage in animal cruelty have their own understandings of their actions and of themselves as actors. In this fascinating book, Arluke probes those understandings and reveals the surprising complexities of our relationships with animals. *Just a Dog* draws from interviews with more than 250 people, including humane agents who enforce cruelty laws, college students who tell stories of childhood abuse of animals, hoarders who chronically neglect the welfare of many animals, shelter workers who cope with the ethics of euthanizing animals, and public relations experts who use incidents of animal cruelty for fundraising purposes. Through these case studies, Arluke shows how the meaning of cruelty reflects and helps to create identities and ideologies.

Once Upon A Time in the Past Earnest "Tex" Sims Sr.,2010-06-29 In three books I tried to capture all aspects of the Old West—the rowdy towns, saloons, prostitutes, homesteaders, cattle ranchers, cattle rustlers, cattle drives, stampedes, canvas-covered wagons, wagon trains, wild horses, cowboys, Indians, miners and prospectors, fur traders, claimjumpers, sheriffs, outlaws, gunfighters, railroads and trains, stagecoaches, banks and holdups, love, life, and death—when I wrote the trilogy of “Once Upon A Time In The Past”. Book One of *Once Upon A Time in the Past*, subtitled “The Sons Of Sam Logan”—involves four young boys, Chance William, Burt Wiley, Peter Wallace and Jesse Lee “Boots” Logan, a black youth who adopts the Logan name, who grows up and become outlaws—opens circa 1890 in Payton, Kansas: Rancher Clay Miller sat behind his desk staring at four miniature porcelain horses: a black and white piebald; black, white-rump appaloosa; golden palomino with a white blazed face; and a black stallion with a diamond-shaped white dot on its forehead. The rancher’s eyes then stared down at a necklace made with pure gold nuggets wedged together on a long string of rawhide-leather with a black, genuine Indian arrowhead at the end. He reached down and picked the necklace up. A shadow of sudden gloominess crossed his face as he gazed at the necklace. A finger fiddled unconsciously with the arrowhead dangling at the end of it, as he held the necklace in his hands, staring into space. The necklace brought back memories of the past—good times and bad times. His thoughts wiggled and waggled as his recollections took him back into time long before he was a man:
