Shoot 'em Up Janey Mack,2016-09-27 The mob’s running guns—and her family’s running wild. Meter maid turned undercover cop Maisie McGrane managed to survive her first sting operation with just a few minor stab wounds—and some lingering emotional scars. An assassination attempt on the mayor brings the ATF and DEA to Chicago, and they’re counting on Maisie’s underworld connections to help them infiltrate and cripple a cartel running guns and drugs into the city. But she won’t be going it alone. The DEA’s hand-selected charismatic hard-case Lee Sharpe as her partner and protector. And he’s taking his assignment seriously . . . in every way. But with her meddling Chicago PD family threatening to expose her true identity at any moment, Maisie will have to scramble to stay one step ahead of them, the cartel, and her new partner before her cover is shot. Praise for Time’s Up “Mack’s outstanding debut conjures equal parts Janet Evanovich and Michael Harvey... A fast and furious plot that expertly balances menace and laugh-out-loud hijinks.” —Publishers Weekly, Starred Review “Mystery buffs will not only be swept up in the ingenious and well-crafted plot but will love the irrepressible Maisie.” —Library Journal, Starred Review

Coniston Michael Bradley,2019-11-01 ‘Mowed them down wholesale!’ With these words, a judge summed up the last great punitive massacre of Aboriginal people in Australia. Coniston, Central Australia, 1928: the murder of an itinerant prospector at this isolated station by local Warlpiri triggered a series of police-led expeditions that ranged over vast areas for two months, as the hunting parties shot down victims by the dozen. The official death toll, declared by the whitewash federal inquiry as being all in self-defence, was 31. The real number was certainly multiples of that. Coniston has never before been fully researched and recorded; with this book that absence in Australia’s history is now filled. As the last great mass killing in our country’s genocidal past but an event largely unremembered, it reminds us that, without truth, there can be no reconciliation.

Han, People of the River Craig Mishler,William E. Simeone,2004 The upper Yukon River basin is one of the wildest, most beautiful, and coldest places on earth. The indigenous Han Indians, whose homeland straddles the U.S.-Canadian border, traveled this country as hunters and gatherers and found a way to survive in it that exemplifies their intelligence and tenacity. For Craig Mishler and Bill Simeone, the Han are not only an ethnic and linguistic group but a living community of individuals, and the authors write about them as people who spoke to them and touched them in a special way. The history of the upper Yukon valley from the earliest Western contact with the Han in the 1840s has been one of continuous change. As a result of the gold rush, the Han suddenly became homeless in their own homeland. This book tells the story of the displacement and of current efforts by the Han to reclaim their lands and restore a vibrant way of life. In-depth profiles of Chief Isaac, Chief Charley, and others illustrate the critical importance of traditional leadership instressful times. Mishler and Simeone have carefully researched and compiled new information from historic records, adding their own, firsthand field observations and oral interviews with elders during the 1970s, 1980s, and 1990s. They present detailed historical data on the fur trade, missionization, and the gold rush, as well as an analysis of Han social structure, settlement patterns, religion, subsistence, and expressive culture. The final chapter illustrates contemporary life in Eagle Village with two vivid ethnographic snapshots--a Christmas eve dance in 1972 and a long summer day in 1997. Appendices include a methodological essay, a historic chronology, rules for Han card games, andgenealogies for many Han families. As a model of innovative ethnographic and ethnohistorical w
