1500 Awesome One-Liners: Short Jokes That Will Amaze You with How Witty They Are Daniel Kimo, 2021-05-11

Never Stop Laughing There are many kinds of one-liners and short jokes that have been successful over the decades. There is the clever one-liner, which everyone pretends like they understood, but most people didn't really understand. There is the blindingly obvious one-liner, the joke you look at and wonder why you didn't think of it. There is the silly one-liner, and the pun, and so many more. With the advent of Twitter, almost anyone can be a comedian. This book also has a significant portion dedicated to the art of the dad joke, because there's nothing quite like laughing at something that you also think is a really silly pun. This book can be read in many different ways. Most of my readers prefer to use my books as wells of laughter, to dip into whenever your day or Monday morning needs some improvement. Of course, you could also binge read it, or read a few one-liners and try to come up with your own jokes. The jokes in this volume are fairly diverse. There are topical jokes about the times we live in, evergreen chestnuts about life, family, marriage, relationships, work, and silliness. I have done my best to keep the jokes as clean as possible, so that they can be enjoyed by a wide audience, and with very few restrictions. Whether you spell it as humor or as humour, whether you like modern comedy or the classics, whether you like your jokes obvious and punchy or subtle and almost-missed, whether you hated 2020 or despised it, whether you're a funny person or a serious no-nonsense individual, you will find something to smile or chuckle at within the pages of this book. If you liked the book, do check out the other books in this series; together, they will provide your joke fix whenever your daily life is heavier than you would like. So far, we're at 60,000 jokes in the series and counting: my aim is to get to a million as soon as possible! Share the jokes you liked best with your friends, spreading the laughter is the best gift you can give.

Joel Osteen Jokes Don Pasco, 2014-03-29 Joel Osteen Jokes Every week Pastor Joel Osteen likes to get started with something funny. Having a sense of humor is an important attribute for all of us to have. We all need the capacity to laugh. After all, joy is a gift from God. We all know there's more than enough negative things in the world that we hear about each and every day, either through the news media or even in our own lives and the lives of those around us. Are You a Light Hearted Person? I personally feel that we should always be looking for things that make us laugh, chuckle or smile. I like the feeling of being a Light Hearted person and I hope you do too. I am arguably Joel Osteen's biggest fan but rather than argue about it, I'd prefer to just give in to anyone else who feels that they are a bigger fan than me. I currently weigh about 170 pounds so if you weigh more than I do, I guess you have a valid point. Now if you found that (my corny joke) even slightly amusing, I believe that you are going to absolutely love this collection of Joel's Jokes that I have put together all in one place that you can read in one sitting if you'd like. And if you're like me, you'll enjoy telling them just as much as reading them. Joel states upfront that the jokes are not doctrinally correct... that they're just to make us laugh so I too want to mention that here. Chapter Headings Included Are: • Ladies Joel Heard About • Men Joel Heard About • Ministers and Pastors • Miscellaneous You could use a good laugh right about now, couldn't you? You could be laughing within minutes. See you on the inside.

Best Funny Jokes Joe King, 2017-01-17 Have you ever been in a situation where you need to lighten the mood, or just want a few moments to make your friends, family or coworkers laugh?

There's no better way to do that than by telling them a joke. Jokes, riddles, and funny stories are a time-tested method to put anyone in a better mood, or even impress that special someone by showing off your humorous side. Gathered in this collection are some of the funniest, wittiest, dumbest, most groan-inducing jokes you and your soon-to-be-audience have ever heard. Be prepared to chuckle, snort, laugh out loud, and even roll your eyes at the jokes, stories, anecdotes, and riddles in this book. Warning: There are some... how should I put it? Less than work-appropriate jokes in here. Some may even be downright offensive to some people. Know your audience before telling some of these jokes or, at least, be open to the thought that not everyone has the same sense of humor as you do. (They're just wet blankets, though. They don't deserve to laugh at your jokes, anyways!) Please, enjoy! This book may contain material that can be considered lewd or offensive.
