Todd Gustavson

Calculating Texas Hold'em Poker Odds Made Easy Steven C.

Roe,2007-10

Plain Peace Beth Wiseman,2013-11-19 Anna loves the grandfather who raised her, but his strict adherence to the Ordnung is scaring away any boy who might be interested in her—except newcomer Jacob. Under normal circumstances Anna Byler would have her choice of any of the young men in her Amish community. But because of the strict rules enforced by her grandfather, the bishop, the available suitors are afraid to court her. Then handsome Jacob Hostetler moves to Paradise and decides Anna is worth the challenge. Anna sees that the bishop's legalism is dividing the community and even risking the lives of its members—but her grandfather doesn't. When she is forced to deception in order to pursue her dream of marriage and family with Jacob, Anna feels her own faith slipping. If only she could get her grandmother to help her stand up to the bishop. But Mammi is keeping secrets of her own. Anna wants to honor her grandparents, the two most important people in her life, but her heart is divided by the rules that guide their little Amish community and the growing love she has for Jacob. How can she be true to both?

Camera Todd Gustavson,2009 Few inventions have had as powerful an influence as the camera, and few modes of expression have enjoyed the enduring artistic, scientific, and popular appeal of photography. We are so focused on the products of the camera, the indelible images marking our lives and times, that it's easy to forget the instrument itself has a history. Now that history has been comprehensively traced for photography buffs and amateurs alike by Todd Gustavson, Curator of Technology at George Eastman House. In

this ... volume, hundreds of new and archival images from George Eastman House bring the story to life and provide an unmatched reference source. Vast in its scope, this ... book is an in-depth visual and narrative look at the camera, and consequently photography itself-
