The Secret of Childhood Maria Montessori, 2019 This book helps us to recognize what the child's needs are, but from the child's perspective.

(Un)arranged Marriage Bali Rai, 2011-09-30 MANNY WANTS TO BE A FOOTBALLER. OR A POP STAR. OR WRITE A BESTSELLER. HE DOESN'T WANT TO GET MARRIED... 'Harry and Ranjit were waiting for me - waiting to take me to Derby, to a wedding. My wedding. A wedding that I hadn't asked for, that I didn't want. To a girl who I didn't know... If they had bothered to open their eyes, they would have seen me: seventeen, angry, upset but determined - determined to do my own thing, to choose my own path in life...' Set partly in the UK and partly in the Punjab region of India, this is a fresh, bitingly perceptive and totally up-to-the-minute look at one young man's fight to free himself from family expectations and to be himself, free to dance to his own tune.

The Secret Diary of Hendrik Groen Hendrik Groen,2017-07-11 A #1 international bestseller in the vein of Fredrik Bachman's A Man Called Ove: an irresistible, funny, charming, and tender-hearted tale about friendship, love, and an old man who is young at heart. FUNNY AND FRANK...A STORY WITH A GREAT DEAL OF HEART.--Graeme Simsion, New York Times bestselling author of THE ROSIE PROJECT Technically speaking, Hendrik Groen is....elderly. But at age 83 1/4, this feisty, indomitable curmudgeon has no plans to go out quietly. Bored of weak tea and potted geraniums, exasperated by the indignities of aging, Hendrik has decided to rebel--on his own terms. He begins writing an exposé:

secretly recording the antics of day-to-day life in his retirement home, where he refuses to take himself, or his fellow inmates, too seriously. With an eccentric group of friends he finds the wickedly anarchic Old-But-Not-Dead Club--Rule #3: No Whining Allowed--and he and his best friend, Evert, gleefully stir up trouble, enraging the home's humorless director and turning themselves into unlikely heroes. And when a sweet and sassy widow moves in next door, he polishes his shoes, grooms what's left of his hair, and determines to savor every ounce of joy in the time he has left, with hilarious and tender consequences. A bestselling phenomenon that has captured imaginations around the world, *The Secret Diary of Hendrik Groen* is inspiring, charming, and laugh-out-loud funny with a deep and poignant core: a page-turning delight for readers of any age.

Thank You, Jeeves P. G. Wodehouse,2013-07-01 P. G. Wodehouse wrote the best English comic novels of the century. —Sebastian Faulks Bertram Wooster's interminable banjolele playing has driven Jeeves, his otherwise steadfast gentleman's gentleman, to give notice. The foppish aristocrat cannot survive for long without his Shakespeare-quoting and problem-solving valet, however, and after a narrowly escaped forced marriage, a cottage fire, and a great butter theft, the celebrated literary odd couple are happy to return to the way things were.

Marine Transboundary Conservation and Protected Areas Peter Mackelworth,2016-04-28 The marine environment does not naturally respect arbitrary international boundaries. The establishment and management of transboundary marine protected areas therefore presents major governance

challenges. This book analyses a series of marine transboundary conservation initiatives embedded in varying contextual situations to examine the underlying reasons for their success or failure. Utilising an adapted 'pathways of influence' framework, it provides insights into the development of marine transboundary conservation initiatives looking at the effectiveness of international rules, international norms and discourse, market forces and direct access to policy making. Examples come from a wide range of jurisdictions, including territorial seas, continental shelves, exclusive economic zones and areas beyond national jurisdiction. Case studies include initiatives in the Coral Triangle, West Africa, Central America, the Wadden Sea, the Red Sea and the Mediterranean Sea. In addition the authors assess the potential for developing wider international cooperation as a result of relationships forged through involvement within these marine transboundary conservation initiatives.

"Jump, Damn It, Jump!" Edward F. Logan, Jr., 2018-08-24 Soon after the United States entered World War II, American ground and air forces were on their way to the European theater of operations. Among that offensive buildup was the 15th Air Force, consisting of four-engine heavy bombers—the B-17 and B-24—as well as twin-engine medium bombers and several types of fighter aircraft. The 15th was first stationed in North Africa and then in southern Italy, where pilots could strike at any military target within a 700 mile radius. After ferrying a B-17 to England with the 8th Air Force, Lt. Edward Logan was transferred to the 15th Air Force, Fifth Wing, 483rd Bomb Group, 817th Bomb Squadron in Italy. Logan and members of his unit were assigned to use American air power to destroy the German military's manufacturing and petroleum complexes as well as its intricate transportation system. This gripping memoir gives a detailed account of Logan's experiences throughout his Army Air Corps career. It outlines the progression of a determined would-be pilot through two years of training, his 1944 journey to the war's theater and advent into actual combat.

While other missions are summarized, the work's main focus is the author's thirty-fourth combat mission, which took place in March 1945. During this operation, his B-17 bomber sustained damage so severe that he and nine crewmen were forced to bail out over enemy territory. Aided by Slovenian partisans, Logan and his crew evaded the German troops who were searching for them and returned safely to their base. This firsthand account includes insider details, technical specifications of the B-17 bomber and previously classified information. An epilogue provides additional information on the partisans and the composition of the 15th Air Force.
