*Signal Boost* Alyssa Cole,2019-08-12 “This trilogy gets better with each book.” — Library Journal “Cole’s Off the Grid series succeeds because it captures the unsettling details of its dystopian setting beautifully, but also because its main characters are so very human and relatable.” —RT Book Reviews When technology stopped working, the world as they knew it ended. In a secluded cabin, John and his loved ones have survived. He should feel grateful. But his family is in his face 24/7, he has to watch his best friend, Arden, and brother, Gabriel, flaunt their love, and as a techie in a Luddite world he’s pretty much useless. The cabin is brimming with people, but he feels utterly alone. Until he catches Mr. Tall, Blond and Gorgeous raiding their garden. Mykhail is an astrophysics student, he makes John’s gaydar ping like crazy and he thinks he knows what caused the devastation. He’s on a journey to his university to find answers, and John invites himself along. Partly to get out of the house, and partly because he can’t let Mykhail go without acting on the mutual attraction that’s so obvious even John’s mom is playing matchmaker. The closer they get to campus, the more Mykhail lets down his walls. But with answers come secrets both devastating and deadly, and before they can save the world, they’ll have to save themselves. This book is approximately 69,000 words And don’t miss the rest of the Off the Grid series: Radio Silence and Mixed Signals are available now! Originally published in 2015

**Radio Silence** Alyssa Cole,2019-07-15 “Rich in atmospheric details and rife with unexpected dangers...[a] refreshingly diverse cast of characters possess strong, sympathetic and magnetic personalities, ensuring that readers will be engaged with each step of their journey.” — RT Book Reviews Cole adds a strong contender to the postapocalyptic romance genre with a smart, confident-African American heroine and a smart, sexy Korean hero in this first book in a trilogy. —Library Journal No one expects the apocalypse. Arden Highmore was living your average postgrad life in Rochester, New York, when someone flipped the “off” switch on the world. No cell phones, no power, no running water—and no one knows why. All she and her roommate, John, know for sure is that they have to get out, stat. His family’s cabin near the Canadian border seemed like the safest choice. It turns out isolation doesn’t necessarily equal safety. When scavengers attack, it’s John’s ridiculously handsome brother, Gabriel, who comes to the rescue. He saves Arden’s life, so he can’t be all bad...but he’s also a controlling jerk who treats her like an idiot. Now their parents are missing and it seems John, Gabriel, their kid sister, Maggie, and Arden are the only people left alive who aren’t bloodthirsty maniacs. No one knows when—or if—the lights will come back on and, in the midst of all that, Arden and Gabriel are finding that there’s a fine line indeed between love and hate.
