

Silver Dollar Shooter

Larry Rubin

The Silver Dollar : Book 2 W.R. Benton,2020-08-18 The Coin series continues It all started with a coin, but not just any coin.... For those struggling in the harsh frontier landscape a silver dollar can mean the difference between life, and death. The Coin series follows the epic journey of a single dollar as it passes from hand to hand changing lives. Some the coin will break, others it will enrich, at least for a time, but in every case the coin always moves on, because the coin was never meant for keeping. In Book Two we pick up the coin in the dusty streets of Omaha where it's been keeping company with a lady of evening. Later the coin will travel west in the pocket of a cowhand, and onward to the village of a plains tribe, and finding its way into the hands of a Sioux warrior. Who the coin encounters and how they inevitably pass the coin along is all part of this unique tale. Fortunes will be won, lost and plundered, as the coin continues on its seemingly random path. The Silver Dollar, Book 2 is an exciting new episode in the tale of a coin and its owners throughout the wild west of the 1800's. It is unique, heartbreaking and packed with the historical details you have come to expect from best selling author, WR Benton.

The Silver Dollar W.R. Benton,2018-05-18 An intriguing new series following the trails of the Wild West It all starts with a coin, but not just any coin.... In 1835 a dollar can mean life, or the slow death by starvation for a young New Orleans street urchin. When the lad spots the silver dollar in the debris littering his path, he feels it's the luckiest day of his young life. But this coin has a history, and a future that doesn't include the boy. For a while the urchin and the coin's paths will intersect, and the union will spark an adventure the size and scope of which the young man could never have dreamed. But a coin is not

meant for keeping. As the silver dollar leaves one set of hands for another owner, the journey continues. From far-flung western frontiers, to the Great Plains, this one coin will touch many lives, a mountain man, a soiled dove, and it will witness unspeakable violence, and events of touching humanity. For many the coin will become their savor, a single silver drop in their empty well of hope. For others the coin is their last earthy possession, a token of good luck passed on to others for new guardianship. Yet, at each new pocket or purse, the scope and breath of the coin's path will astound you. The Silver Dollar is an epic new western action tale like nothing you've ever read before, unique, heartbreaking and packed with the historical details you have come to expect from best selling author, WR Benton.

Blowin' Smoke Steve Carmichael,2021-09-08 One person's journey through the golden years of trapshooting in the United States as both a competitor and gun club operator. Includes visits to premier facilities that no longer exist, and stories of the colorful characters that frequented them. It was a time like no other when tournament prizes included substantial cash, gold coins and Cadillacs. This was a period that will never be repeated.

The Storm Testament VI: Rockwell Lee Nelson,2023-02-02 Like the legendary Samson of old, Orrin Porter Rockwell will forever be remembered as the man who did the impossible. One of the most colorful characters in LDS history, Rockwell was a famous frontiersman, a deadly marksman, and a staunch advocate of the LDS faith. Rockwell is the true story of the timid farm boy from New York who became the greatest gunfighter in the history of the American West. He drank his whiskey straight, signed his name with an X, and rode the fastest horses. The defender of the early Mormon prophets, he was known

as the Destroying Angel of the Old West. Now, renowned author Lee Nelson has captured Rockwell's history in this biographical novel about the celebrated outlaw.

American Shooter Gerry Souter, 2012-02-01 Gun ownership has long been a hot-button topic in the United States, and the National Rifle Association has the reputation of being an organization of primarily politically conservative members. *American Shooter* provides a unique look at gun ownership, handgun bans, shooting sports, and the controversy over how to interpret the Second Amendment from the point of view of a liberal gun owner and enthusiast. Gerry Souter examines the history of firearms in the United States, from the settlers who carried matchlock muskets ashore at Jamestown to the citizens who purchase guns in record numbers today. Recent Supreme Court decisions that uphold the right to bear arms have galvanized citizens on both sides of the debate, making the gun issue hotter than ever. To provide a personal view, Souter weaves in tales of his own experiences with guns, including sport shooting as a young man, hunting and bonding with his father, and facing the smoking end of a muzzle as an international photojournalist. *American Shooter* is both a history and a personal journey that traces the path of American gun ownership culture from the Revolution to today. It recounts how the country has lived with guns from the flintlock hung over the fireplace to the concealed-carry, laser-sighted Glock semiautomatic pistol tucked away in the hidden pocket of a mom's purse.

Silver Dollar Alan Trustman, 2016-07-31 The New York life adventures of a lady named Betsy.

LINE RIDER J Washburn, 2015-08-31 *Line Rider* is the true story of the life of Joseph Harrison Pearce (1873-1958), written by his own hand. During his lifetime, the "wild west" from the storybooks still lived

and breathed in one of the last places to be modernized—Arizona. Joe, as he calls himself, took various roles throughout his adventurous life, including sheep herder, cowman, courter, tracker, line rider, and, most famously, that venerated breed of law man know as the Arizona Ranger. His story leads him to encounters with cattle rustlers, gamblers, saloons, stampedes, horse thieves, Indian trackers, outlaws, and nearly every other subject that later made its way into western legend. But this story is absolutely real, told in his own voice in vivid detail.

Shooter Jack Coughlin, Casey Kuhlman, Donald A. Davis, 2006-05-02 With more than sixty confirmed kills, Coughlin is the Marine Corps' top ranked sniper. This is the harrowing first-person account of his life on and off the modern battlefield.

Ed McGivern's Book of Fast and Fancy Revolver Shooting Ed McGivern, 2007-10-17 Ed McGivern needs no introduction to gun enthusiasts and serious marksmen. For more than 50 years he was revered as one of the top authorities in the field of small firearms. A world champion marksmen who made The Guinness Book of World Records, he trained scores of law enforcement officers and developed a system of teaching that is as effective today as it was when this book was originally published. It resulted from years of experimentation and research conducted by McGivern, who utilized electric timers and other devices to determine the angles and techniques that would produce the fastest, most accurate revolver shooting. Packed with handgun lore and original photographs from the first edition, this much-sought-after classic contains a wealth of facts for marksmen everywhere.

The Great Shark Hunt Hunter S. Thompson, 2011-09-06 The first volume in Hunter S. Thompson's

bestselling Gonzo Papers offers brilliant commentary and outrageous humor, in his signature style. Originally published in 1979, the first volume of the bestselling “Gonzo Papers” is now back in print. The Great Shark Hunt is Dr. Hunter S. Thompson’s largest and, arguably, most important work, covering Nixon to napalm, Las Vegas to Watergate, Carter to cocaine. These essays offer brilliant commentary and outrageous humor, in signature Thompson style. Ranging in date from the National Observer days to the era of Rolling Stone, The Great Shark Hunt offers myriad, highly charged entries, including the first Hunter S. Thompson piece to be dubbed “gonzo”—“The Kentucky Derby Is Decadent and Depraved,” which appeared in Scanlan’s Monthly in 1970. From this essay a new journalistic movement sprang which would change the shape of American letters. Thompson’s razor-sharp insight and crystal clarity capture the crazy, hypocritical, degenerate, and redeeming aspects of the explosive and colorful ‘60s and ‘70s.

Fly Me To The Moon Dayton Lummis, 2013-09-27 To some this collection of commentary and observations—fourth in what now must be called “The Notational Quartet”—might seem as remote as the proverbial “Man in the Moon.” But the reader will find it very relevant to the changing and troubled times that we find ourselves in. The author has steered the reader and vessel to a distant and little known shore, where hope for return to point of origin is very much in doubt. “The boats that left from the same harbor have rowed away from one another...”

His Eyes Were on the Starling Larry Rubin, 2015-11-05 Occasionally, a reader will happen upon a book that is excellent as a bedtime sleeping aid—but not this one. With nearly five score different events, happenings, and adventures with dozens of related and pertinent rabbit trails lending credence to the

excursions, the reader will be “thumb ready” to eagerly flip a page, seeking the outcome of the last daring deed of the adventuresome author. Wide is the variety of decent and noble escapades at a time when seat belts were unknown, standing up in the center aisle of the school bus for six miles was permitted, and unwritten laws of the land promoted unlimited homemade adventures and the unshackled variety of down-to-earth fun. Youthful minds, unabashedly, often ran rampant in the myriad of rare adventures that were available to pursue. We attempted many and lived to tell about our assorted and varied shenanigans—most of them with a grin!

Shooting in China Thomas R. Jernigan, 1908

The Autumn of the Gun Ralph Compton, 1996-12-01 A gunslinger goes up against his own kin in this western from USA Today bestselling author Ralph Compton. Nathan Stone is a living legend in the West as a lawman, an outlaw, a gambler, and a wanderer through the wildest towns and terrain. He has blazed a vengeance trail, giving no quarter and asking for none. Fearlessly, he plays his cards and uses his Colt .45s as best he can in games of chance, skill, and savagery, for stakes of life or death. Now he’s riding on a course that will test his rawhide nerves and lightning draw against the likes of Doc Holliday, Pat Garrett and Billy the Kid, the fleeing James brothers, and the incredible John Wesley Hardin as he heads toward a fateful rendezvous with the one gunfighter as fast and deadly as he: a teenage kid who kills like a man—Nathan’s own son... More Than Six Million Ralph Compton Books In Print!

Titanic Thompson: The Man Who Bet on Everything Kevin Cook, 2010-11-16 Recounts the colorful life of the gambler-hero who became the inspiration for Guys and Dolls’s Sky Masterson, from his pre-PGA golf

prowess to trading card tricks with Houdini, conning Al Capone and losing a million dollars to Minnesota Fats.

Shooter's Bible Guide to the Hunting Rifle and Its Ammunition Thomas C. Tabor, 2013-10-01 Another addition to the Shooter's Bible collection, *Shooter's Bible Guide to the Hunting Rifle and Its Ammunition* will educate anyone interested in hunting rifles. Any question that might come up involving this widely used firearm is answered by Tom Tabor as he takes readers through the many different aspects of hunting rifles and their ammunition. With a crisp, clear voice, the author uses his knowledge to include a variety of chapters, including: Which Rifle and Design? How Much Weight Do You Want in a Rifle? Matching a Cartridge to Your Needs The Right Bullet for the Game Is Handloading Right for You? Airline Travel with Firearms Steep Angle Shooting Influences That Can Hinder Accuracy Taking Care of Your Ammo Shooting Myths, Misconceptions, and Outright Distortions And many more! Experienced hunters will learn more in-depth details and skills to take with them on their hunting expeditions. Beginners will learn the basic skills and safety tips that any hunter must know to intelligently take to the woods with a hunting rifle. *Shooter's Bible Guide to the Hunting Rifle and Its Ammunition* is a treasure trove of wisdom meant for every hunter who opens its pages.

Forest and Stream ,1881

The Curious Life of Nevada's LaVere Redfield Jack Harpster, 2014-11-04 LaVere Redfield was a prolific hoarder. When he died in 1974, his estate was estimated at more than \$70 million. Executors found 680 bags of silver coins and 407,000 Morgan and Peace silver dollars in his Reno mansion. A local Reno legend,

Redfield gambled regularly in Virginia Street casinos. He survived robbery and burglaries of his home, which contained false walls to store millions of silver dollars. Hating banks and paper money, as well as big government, Redfield opted to serve a prison term for income tax evasion rather than pay his debts from his ample fortune. Join author Jack Harpster for this first book-length study of this unconventional man behind the folklore and the myth.

The Chicano Generation Mario T. García, 2015-04-30 In *The Chicano Generation*, veteran Chicano civil rights scholar Mario T. García provides a rare look inside the struggles of the 1960s and 1970s as they unfolded in Los Angeles. Based on in-depth interviews conducted with three key activists, this book illuminates the lives of Raul Ruiz, Gloria Arellanes, and Rosalio Muñoz—their family histories and widely divergent backgrounds; the events surrounding their growing consciousness as Chicanos; the sexism encountered by Arellanes; and the aftermath of their political histories. In his substantial introduction, García situates the Chicano movement in Los Angeles and contextualizes activism within the largest civil rights and empowerment struggle by Mexican Americans in US history—a struggle that featured César Chávez and the farm workers, the student movement highlighted by the 1968 LA school blowouts, the Chicano antiwar movement, the organization of La Raza Unida Party, the Chicana feminist movement, the organizing of undocumented workers, and the Chicano Renaissance. Weaving this revolution against a backdrop of historic Mexican American activism from the 1930s to the 1960s and the contemporary black power and black civil rights movements, García gives readers the best representations of the Chicano generation in Los Angeles.

Shooting from the Lip Donald Loren Hardy, 2012-09-13 Shortly before Wyoming's Alan K. Simpson was elected majority whip of the United States Senate, he decided to keep a journal. "I am going to make notes when I get home in the evening, as to what happened during each day." Now the senator's longtime chief of staff, Donald Loren Hardy, has drawn extensively on Simpson's personal papers and nineteen-volume diary to write this unvarnished account of a storied life and political career. Simpson gave full authorial control to Hardy, telling him, "Don, just tell the truth, the whole truth, as you always have. Leave teeth, hair, and eyeballs on the floor, if that results from telling the truth." Taking Simpson at his word, Hardy shows readers a thrill-seeking teenager in Cody and a tireless politician who has thoroughly enjoyed his work. Full of entertaining tales and moments of historical significance, *Shooting from the Lip* offers a privileged and revealing backstage view of late-twentieth century American politics. Hardy's richly anecdotal account reveals the roles Simpson played during such critical events as the Iran-Contra scandal and Clarence Thomas's confirmation hearings. It divulges the senator's candid views of seven American presidents and scores of other national and world luminaries. Simpson is a politician unfettered by partisanship. Among President George H. W. Bush's closest compatriots, he was also a close friend and admirer of Senator Ted Kennedy and was never afraid to publicly challenge the positions or tactics of fellow lawmakers, Democratic and Republican alike. Simpson's ability to use truth and humor as both "sword and shield," combined with his years of experience and issue mastery, has led to an impressive post-Senate career. In 2010, for example, he co-chaired President Barack Obama's Commission on Fiscal Responsibility and Reform. *Shooting from the Lip* portrays a statesman punching sacred cows, challenging

the media, and grappling with some of the nation's most difficult challenges.

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Silver Dollar Shooter full book, it can give you a taste of the author's writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Silver Dollar Shooter eBooks, including some popular titles.

FAQs About Silver Dollar Shooter Books

What is a Silver Dollar Shooter PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Silver Dollar Shooter PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Silver Dollar Shooter PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows

direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Silver Dollar Shooter PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Silver Dollar Shooter PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as:

LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, I LovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances

and local laws.
