Beginning Microsoft Visual Basic 2008 Thearon Willis, Bryan Newsome, 2008-04-30 Beginning Microsoft Visual Basic 2008 is designed to teach you how to write useful programs in Visual Basic 2008 as quickly and easily as possible. There are two kinds of beginners for whom this book is ideal: You're a beginner to programming and you've chosen Visual Basic 2008 as the place to start. That's a great choice! Visual Basic 2008 is not only easy to learn, it's also fun to use and very powerful. You can program in another language but you're a beginner to .NET programming. Again, you've made a great choice! Whether you've come from Fortran or Visual Basic 6, you'll find that this book quickly gets you up to speed on what you need to know to get the most from Visual Basic 2008. Visual Basic 2008 offers a great deal of functionality in both tools and language. No one book could ever cover Visual Basic 2008 in its entirety—you would need a library of books. What this book aims to do is to get you started as quickly and easily as possible. It shows you the roadmap, so to speak, of what there is and where to go. Once we've taught you the basics of creating working applications (creating the windows and controls, how your code should handle unexpected events, what object-

oriented programming is, how to use it in your applications, and so on), we'll show you some of the areas you might want to try your hand at next. To this end, the book is organized as follows: Chapters 1 through 9 provide an introduction to Visual Studio 2008 and Windows programming. Chapter 6 provides an introduction to XAML and Windows Presentation Foundation (WPF) programming. Chapter 10 provides an introduction to application debugging and error handling. Chapters 11 through 13 provide an introduction to object-oriented programming and building objects. Chapter 14 provides an introduction to creating Windows Forms user controls. Chapter 15 provides an introduction to graphics in Windows applications. Chapters 16 and 17 provide an introduction to programming with databases and covers Access, SQL Server, ADO.NET and LINQ. Chapters 18 and 19 provide an introduction to ASP.NET and show you how to write applications for the Web. Chapter 20 provides a brief introduction to XML, a powerful tool for integrating your applications—regardless of the language they were written in. Chapter 21 introduces you to web services and the Windows Communication Foundation (WCF). Chapter 22 introduces you to sequential workflows using the Windows Workflow Foundation (WF). Chapter 23 introduces you to building applications for mobile devices using the Compact Framework classes. Chapter 24 introduces you to deploying applications using ClickOnce technology. Chapter 25 provides some insight on where to go next in your journey to learn about Visual Basic 2008. Appendix A provides the answers to chapter exercises. Appendix B

introduces the Microsoft Solution Framework. Appendix C provides some background on security. Appendix D provides insight into Windows CardSpace. Appendix E compares the differences between the latest versions of the .NET Framework.

This book should also help those who use the popular iPhone 4 or earlier iPhones, that are now running or can run the new iOS 5 operating system as well.

Spirit Guides on Speed Dial Jules Apollo, 2024-04-08 Curious about your guides but don't know how to work with them, who they are, or how to start? Maybe you're looking for an easy spiritual practice? Your guides are already around you, ready with comfort and clarity on ways to create the life you want. Dispelling common myths about working with guides, this wonderfully accessible, practical, and easy to follow guidebook shows you how to work

with your guides using simple scripts, tested tips, and messages from Jules' spirit guides for support. Details on working with your guides covered in the book: - How guidance comes (and how you're already perceiving it in subtle ways) - How to set up a practice where you can trust what you're sensing - The types of guides that might be helping you - How to ask for help and understand it when it comes - How to ask for help in times of trauma or chaos - How you might get stuck/questions you have and answers - How to work with your guides to go after your dreams - How to work with your guides to reach your goals - Pulling it all together into a sustainable practice that fits into your life. Each step includes different options to try, so you can find approaches that fit into your life. The book also includes scripts and support for difficult topics as well as dreams, goals, how to feel more joy, and ways you can partner with your spiritual support to help create a better world. By the end of this book you'll have the tools you need to get the help you want and be able to trust the guidance you're getting. The comfort and clarity you seek is inside, starting in Chapter 1. Reviews In 35 years of helping others resonate with the positive energy of their spirit guides, Jules Apollo has simplified the process so that anyone, anytime, anywhere can start right away to improve any situation. She details that process in Spirit Guides on Speed Dial. Apollo has crafted scripts and tips that kick-start the process without need for special tools, the ability to meditate, or long stretches of undisturbed time. In this valuable book for anyone seeking

spiritual support, Apollo has convincingly explained how spirit guides are available 24/7/365 and ready to serve -Starred Review, BlueInk Review A gentle, practical approach to accessing spirit guides. Apollo provides practical yet satisfying steps to accessing spirit guides in this approachable debut. Her writing is all-embracing, emphasizing the love that comes from spirit guides, and she urges readers to recognize their own worth as the first step in a journey to [tap] into the wisdom that is literally standing right next to us. To demystify the concept of spirit guides, Apollo begins by answering some of the common questions she's received from clients and students throughout her professional experience. Though the scripts and hands-on techniques are particularly helpful, Apollo also addresses broader topics, including dreams, grief and loss, and strategies for cultivating a better world. The approach is versatile, aimed at helping readers experience a deeper life and the confidence and clarity to detach more quickly from whatever holds you back. -Booklife Reviews The book offers a refreshing and accessible approach to connecting with one's spiritual support system, dispelling myths, and simplifying the process for those who may be curious but unsure about where to begin. Author Jules Apollo has crafted a well-penned guidebook that covers all the right bases, breaking down the steps to spirituality in an easy-to-follow manner that makes the ideas suitable for individuals with various levels of spiritual experience. The emphasis on demystifying the process, removing the need for a test of character or

complex meditation practices, is particularly welcoming, and this is paired well with a confident and friendly narrative that is welcoming and accessible to all. Overall, whether you are new to exploring spirit guides or seeking to deepen your connection, Spirit Guides on Speed Dial is a valuable and recommended resource that offers both insight and practical application. 5 Stars, READERS' FAVORITE Review Spirit Guides on Speed Dial is a wonderfully accessible spiritual self-help guide for its ease of language, readability, and the practical guidance Apollo gives on incorporating spiritual practice into daily life. This is a well-written, useful, and great guide for those who are open to spiritual guidance. Very highly recommended. 5 Stars.
