Mind Mapping to Success Charlotte C M, 2019-09-04 ✓ Are you tired of failure and feeling blocked? ✓ Are you struggling to find inspiration and new ideas? ✓ Are you looking for ways to better strategize, plan and negotiate for your business? ✓ Suffering from writer's block? Discover the resource that's better than therapy.... I wish I did this.. or I should have done that... or the If only I knew... We talk about self-improvement and making changes as if they were unattainable. The reality is, those are just excuses. It IS possible, you just haven't been exposed to the right tools and knowledge. When you were younger and you wanted to walk or write, you didn't give up every time you failed. You tried and tried until you achieved success. A child is always determined to succeed. What would have happened if you had given up? So, why do we give up so easily now? As human beings, we don't like failure or change, but only those that do can transform from a caterpillar into a butterfly. We've heard the likes of Jim Carey, Arnold Schwarzenegger, and Oprah Winfrey who all use visualization as a technique to achieve their goals. But today, we are going to take it a step further. With mind mapping, this radical form of visual planning will help you go beyond what you've ever imagined. It's time to hack your way to success with mind maps. This technique has been around for centuries, but it's only being revealed to the

mass markets now. Be one of the first to leverage its power for yourself! Designed to be original, innovative, and free-thinking, this technique can be used to improve any situation. Using step-by-step instructions and templates for you to follow along, Mind Mapping to Success provides the following solutions: Unlock the secrets of the brain, and the #1 thing you can leverage to break through those barriers. The science behind mind maps and why it outperforms traditional methods. The 3 tools you need to create a mind map (And they are free!) How to come up with ideas, even when you have none. What to do when you have writer's block, and how to prevent it. How to pass exams, listen better, and optimize your performance. How to diagnose problems, before it ruins your business. How to mitigate risk, even when you can't see it. 11 steps to improve your memory - Finally, remember your client's names, and where those damn keys are! and over 30 more use-cases for daily life, study, and business! You need to ask yourself, are you ready for the next level? Not only does THIS book tell you how you can change the world, but it encourages you to conquer your mind and take actionable steps by applying these techniques to your life. From your personal life to education and work, you will see improvements in your memory, concentration, creativity, problem-solving, and more- using ONLY the power of the mind. Anyone can do it, it's that simple! Even if you've never used mind maps before, you aren't creative or artistic, or they've failed in the past, that doesn't mean that they won't work for you now. Good news. We're not going to leave you high and dry as we will talk you through the whole of the process. If you're ready to unlock the secrets to your success, click Add to Cart right now.
