The Easy Grocery List can help solve this problem! Each page has two charts with the first chart being separated into Food/Beverage, Personal Care, and Home Care categories. Food/Beverage is where you list all your food items whereas shampoo, medicine, tooth paste would be listed under the personal care section. Items like paper towels, tissues, and cleaning supplies would be listed under the Home Care section. The second chart consists of the Pet Care, Hardware, and Other categories.
