Existensboosten : Din handbok om lyckan, mörkret och meningen med livet Siri Helle,2024-03-14 Vad säger psykologisk forskning om livets stora frågor som lycka, motståndskraft och meningen med livet? Och hur använder man den kunskapen i vardagen för att stärka sitt existentiella immunförsvar, eller helt enkelt för att må okej i en värld som blir alltmer tuff att hantera. Hur gör man å ena sidan för att stå ut, å andra sidan för att öka sitt välbefinnande? Siri Helle introducerar begreppet psykologisk rikedom och visar konkret hur du använder motgångar för att växa, skapar ett meningsfullt liv och lär dig att njuta mer - oavsett vad livet bjuder.

Ser du inte vad jag säger? : om gester, minspel, tonfall och andra sätt att prata utan ord Niklas Källner,2022-03-29 " ... underhållande utvikningar och oväntade vinklar på den fascinerade forskningen om icke-verbal kommunikation ... Niklas Källners personliga röst skiner igenom på sidorna." Språktidningen "Ser du inte vad jag säger" är uppföljaren till Niklas Källners bok "Och bilen går bra?". Denna gång tittar han närmre på allt det som inte sägs men som berättar lika mycket som det talade eller skrivna ordet. Med humor och nyfikenhet dyker Källner in i fascinerande forskning om ansiktsuttryck, röslägen, gester och mimik. Hur kommer det sig att vissa ser sura ut när de är intresserade och varför uppfattas clowner som obehagliga? Niklas Källner delar med sig av lärdomar från sitt yrke som journalist där han insett att ögonkontakt kan vara överskattad och att man kan framstå som trevlig trots att man ställer obekväma frågor. Han bjuder även på personliga anekdoter, som den gången han fick fly in i en vassrugg efter ett misslyckat kroppsspråk. "Ser du inte vad jag säger" är en bok som ger dig helt nya perspektiv på hur vi kommunicerar med varandra utan ord.

Swami and Friends R. K. Narayan,2012-07-25 R. K. Narayan (1906—2001) witnessed nearly a century of change in his native India and captured it in fiction of uncommon warmth and vibrancy. Swami and Friends introduces us to Narayan's beloved fictional town of Malgudi, where ten-year-old Swaminathan's excitement about his country's initial stirrings for independence competes with his ardor for cricket and all other things British. Written during British rule, this novel brings colonial India into intimate focus through the narrative gifts of this master of literary realism.

Strategic Public Relations Leadership Anne Gregory,Paul Willis,2022-07-22 Public relations professionals are operating in an increasingly challenging and complex environment. Pressures from outside the organisation include new accountabilities, empowered stakeholders, increased public cynicism and a new communication landscape. Internally, there are increasing demands to demonstrate a strategic contribution, alongside a requirement to coach and counsel senior managers exposed to these environmental pressures. This revised and updated edition provides a framework to enable public relations professionals to clearly articulate and demonstrate their own contribution to organisational effectiveness, while also setting out the specific capabilities public relations leaders must exhibit to operate at the highest levels of the organisation. This edition further develops the pioneering approach to integrating thinking around public relations, leadership, and strategy. It has been updated comprehensively to address contemporary developments and introduce new research and fresh perspectives from the authors. New to this edition are insights from Chief Executives on what they expect from public relations leaders and a comprehensive set of capabilities which scope the demanding role of professionals at the top of their game. Concise and practical, this textbook is suitable for MBA and other postgraduate and executive education qualifications in Public Relations and Corporate Communications – especially for those students who wish to pursue a successful career as a professional public relations specialist, able to operate strategically at the top of successful organisations.
