Skater Boy Mary Catherine Gebhard, 2019-04-26 ★★★★★ *Skater Boy* combined so many of my favorite things beautifully into one unique novel. Strong and defiant, yet compassionate heroine. The down-to-the-bone, soul-crushing kind of love. Once *Skater Boy* was over, I couldn't pick up anything for days. It was so beautifully unique. Read this book. Breathe this book. Obsess over this book. Flip will stalk your heart, and you'll so desperately love every second of it. Rebels. Misfits. Bad boys who rule the streets. Everyone's welcome at the worst kept secret in town, just as long as you don't mind getting your reputation—and your heart—a little dirty. Welcome to Patchwork House... Patchwork House is a boy's club—a mean boy's club. They made an exception for Tweetie once, and they're going to make another, because she's coming home. After two years away and one too many broken hearts, Tweetie swore off skaters—but she never expected Flip. Flip was the most famous skater in the world until he traded his place at Patchwork with the little girl whose life he ruined. Now Tweetie's all grown up, and one chance encounter brings them together. He knows the right thing to do is disappear before things get ugly, but he never was very good at being good. She's back, and so is he—all bets are off. Nothing will stop this bad boy from finally getting his lost girl. They're written in the stars, and it's time she knows it. The first lesson Flip taught Tweetie was how to fall. It was also the last thing she remembered when they met again, because she didn't just fall for him. She slammed.

But at Morrison High, Ian is getting the distinct, chilling feeling that the administration wants him and his board and his punked hair gone. Simply gone. And when his temper finally blows—he actually takes a swing at Coach Florence and knocks him cold—Ian knows he's got to grab Sammy and skate. Run. Their search for the one relative they can think of, their only hope, leads Ian and Sammy across the entire state

The Most Fun Thing Kyle Beachy, 2021-08-10 Named a Best Book of the Year by NPR • Southwest Review • Electric Literature Perfect for fans of *Barbarian Days*, this memoir in essays follows one man's decade-long quest to uncover the hidden meaning of skateboarding, and explores how this search led unexpectedly to insights on marriage, love, loss, American invention, and growing old. In January 2012, creative writing professor and novelist Kyle Beachy published one of his first essays on skate culture, an exploration of how Nike's corporate strategy successfully gutted the once-mighty independent skate shoe market. Beachy has since established himself as skate culture's freshest, most illuminating, at times most controversial voice, writing candidly about the increasingly popular and fast-changing pastime he first picked up as a young boy and has continued to practice well into adulthood. What is skateboarding? What does it mean to continue skateboarding after the age of forty, four decades after the kickflip was invented? How does one live authentically as an adult while staying true to a passion cemented in childhood? How does skateboarding shape one's understanding of contemporary American life? Of growing old and getting married? Contemplating these questions and more, Beachy offers a deep exploration of a pastime—often overlooked, regularly maligned—whose seeming

simplicity conceals universal truths. **THE MOST FUN THING** is both a rich account of a hobby and a collection of the lessons skateboarding has taught Beachy—and what it continues to teach him as he struggles to find space for it as an adult, a professor, and a husband.

Free Radicals Lila Riesen, 2023-03-21 Afghan-American Mafi's sophomore year gets a whole lot more complicated when she accidentally exposes family secrets, putting her family back in Afghanistan in danger in this smartly written YA debut. Sixteen-year-old Mafi Shahin is well-aware that life is not always fair. If it was fair, her parents might allow her to hang out with a member of the male species, other than her cat Mr. Meowgi. If it was fair, her crush and basketball hottie Jalen Thomas might see her as more than just her brother's kid sister. And if it was fair, her baba's brother and wife would be able to leave Afghanistan and come to America. Life might not be fair—but she can make it a bit more even. Working as the Ghost of Santa Margarita High, Mafi serves dollops of justice on her classmates' behalf as the school's secret avenger. They leave a note declaring the crime and Mafi ensures the offender receives an anonymous karmic-sized dose of payback. Keeping her identity as the Ghost a secret sometimes means Mafi has to lie. But as those lies begin to

snowball both at school and at home, even compromising their family's secret past and putting their relatives back in Afghanistan at risk, Mafi is forced to decide how she wants to live her life—trying to make the world more fair from the shadows or loudly and publicly standing up for what's right.
