Good Shot Steven Mulak,2008-07-01 If you are a bird hunter looking to improve your marksmanship, welcome to the skeet field! Mulak explains how the sport of skeet can help you hunt those unpredictable birds. Illustrations and photographs clearly show the right way--and the wrong way--to shoot skeet and improve your score. Mulak's information takes you from the skeet range to the hunt, with a new set of tools at your fingertips. What makes someone a good shot? Author Steven Mulak has given this question a lot of thought, and his book analyzes problems faced by shooters everywhere. A good shot doesn't miss the same shot twice because he figures out why he missed it and what he must do to correct his mistake. Shooting a shotgun well takes skill, and this book will help you improve your technique. What to look for in a field shotgun How to improve technique and how to recognize and change bad habits How to use skeet to improve your hunting plus clay target games

Mastering Skeet King Heiple,2007 - How to control your vision and prevent flinching - Data on the flight dynamics of a skeet target and how we perceive it - Methods for teaching beginners and coaching advanced shooters Skeet is easy, if you're happy breaking nine out of ten birds. But if you want to shoot 100 straight, this manual can help you achieve that goal. Since even excellent shooters tend to overlook many basic details, Mastering Skeet emphasizes fundamental techniques that will greatly improve your precision and consistency. It addresses various shooting methods and describes proper form, with notes on stance, posture, and balance, gun mount, foot position, pivoting, and follow-through. The book also discusses individual stations and examines common errors for each shot. Whether you're an experienced shooter looking for an extra edge or a beginner who wants to learn the basics of good technique, Mastering Skeet covers the full range of material necessary for success.

Hartman on Skeet Barney Hartman,2017-09-15 Here at last is the definitive book on skeet shooting. The name of its author, Barney Hartman, is already a byword within North America's skeet shooting community. For novices, it's enough to say that during the last twenty years Hartman has carried off just about every major skeet shooting trophy on the continent. And now he tells in simple, easy-to-understand language just how he did it. Step by step in words and pictures he takes the reader through every conceivable aspect of skeet -- and then, having covered the fundamentals (which apply to trap shooting as well), he candidly reveals his own personal secrets of success.
