Let's Make Comics! Jess Smart Smiley, 2018-06-05 A light-hearted interactive guide to comics and cartoon-making that uses an activity book format and creatively stimulating prompts to teach the fundamentals of cartooning in a fun and easy-to-follow fashion. From a working cartoonist and comic book making instructor, this all-ages activity book uses humorous and informative one-page comics and exercise prompts to guide young readers (and readers who are young at heart) through easy-to-master lessons on the skills needed to make comics. The activities cover a range of essential comics-making tasks from creating expressions for characters to filling in blank panels to creating original characters and placing them in adventures of their own. Each exercise can stand on its own or work together with others in the book to stimulate creativity via the comics medium. In the end, readers who complete the activities inside the book itself will have created several comics of their own, and will have generated many ideas for more sequential art creations. Praise for *Let's Make Comics!* "At once playful and complex, this book is a perfect introduction to cartooning, as well as a lovely (and lovingly crafted) tribute to the comics form and a timely reminder that artmaking can be fun."—Roman Muradov, creator of *Vanishing Act* and *On Doing Nothing* "Let's Make Comics is a book I wish I had when I was 9, but 29 works too! It's so fun and brilliant and packed with oodles of awesome activities. Great book for learning to make comics or for a seasoned cartoonist to find some new inspiration."—Ben Clanton, creator of the *Narwhal* and *Jelly* books "It's fantastic! This book will make you a better writer and a better artist and show you how to think like a comic star."—Charise Harper, creator of the *Fashion Kitty* and *Crafty Cat* books "Warning! This book will make you make comics, and it will be fun!"—Greg Pizzoli, creator of *The Watermelon Seed*, *Number One Sam*, and *The Book Hog* "If only we'd had this book! Our comics would be much better."—Elizabeth Pich and Jonathan Kunz, creators of *War and Peas*

Live Free or Die, Second Edition John Ringo, 2023-07-04 WILL THE PEOPLE OF EARTH BOW DOWN TO ALIEN OVERLORDS—OR WILL THEY FIGHT BACK? First Contact Was Friendly When aliens trundled a gate to other worlds into the Solar System, the world reacted with awe, hope, and fear. The first aliens to come through, the Glatun, turned out to be peaceful traders, and the world breathed a sigh of relief. Who Controls the Orbitals, Controls the World When the Horvath came through, they announced their ownership of us by dropping rocks on three cities and gutting them. Since then, they've held Terra as their own personal fiefdom. With their control of the orbitals, there's no way to win and Earth's governments have accepted the status quo. Live Free or Die To free the world from the grip of the Horvath is going to take an unlikely hero. A hero unwilling to back down to alien or human governments, unwilling to live in slavery, and with enough hubris, if not stature, to think he can win. Fortunately, there's Tyler Vernon. And he has bigger plans than just getting rid of the Horvath. The Troy Rising series is a story in three parts—Live Free or Die being the first part—detailing the freeing of Earth from alien conquerors, the first steps into space using off-world technologies and the creation of Troy, a thousand-trillion-ton battle station designed to secure the Solar System. At the publisher's request, this title is sold without DRM (Digital Rights Management). About John Ringo: "Ringo is sure to satisfy the most demanding action junkie." —Publishers Weekly "[Ringo's work is] peopled with three-dimensional characters and spiced with personal drama as well as tactical finesse." —Library Journal

Sketching Evil Donna Anders, 2007-11-27 Where do you go when nowhere is safe? From the author of Death Waits for You, which Ann Rule called a suspense-filled exercise in terror, comes a new novel of a woman facing a menacing danger she cannot escape no matter where she runs. When an attempted rape in her city apartment leaves artist Abby Carter deeply shaken, she flees to the beautiful Victorian house she recently inherited in a tiny town on the upper Hudson River. But rumors of ghosts from generations past, and an unsolved murder, are unsettling...while handsome local homicide detective Bud Williams investigates a brand-new rash of violent crime. Empathy with a terrified victim leads Abby to use her artistic skills to capture the face of a local serial rapist. But when the portrait leads to an arrest, Abby starts receiving threats and anonymous phone calls, and the house she believed to be a refuge becomes instead a place from her worst nightmare. Bud vows to protect her, but Abby knows she must look into the face of evil herself, because failure could mean her life.
