The Dumbest Idea Ever!: A Graphic Novel Jimmy

Gownley,2014-02-25 Jimmy Gownley's graphic novel memoir about the dumb idea that changed his life forever! At thirteen, Jimmy was popular, at the top of his class, and the leading scorer on his basketball team. But all that changed when chicken pox forced him to miss the championship game. Things went from bad to worse when he got pneumonia and missed even more school. Before Jimmy knew it, his grades were sinking and nothing seemed to be going right. How did Jimmy turn things around, get back on top at school, and land a date with the cutest girl in class? Renowned comics creator Jimmy Gownley shares his adventures as he grows from an eager-to-please boy into a teenage comic book artist. This is the real-life story of how the DUMBEST idea ever became the BEST thing that ever happened to him.

Karlssonwilker Inc.'s Tellmewhy Clare Jacobson, 2003-09 Why would two talented and employable young graphic designers start up their own practice without any clients, in the midst of a recession, and in a city brimming with world-renowned designers? Karlssonwilker inc.'s tellmewhy is the improbable story of such a venture -- or act of bravura or insanity -- on the part of Hjalti Karlsson and Jan Wilker, and offers a telling, humorous, and always human insight into the workings of a young startup design studio, showcasing every single project they did in their first two years. A book as iconoclastic as their designs, tellmewhy features fresh stories of karlssonwilker's ordinary office life and its less-than-romantic tales about rooftop parties, battles with immigration, language obstacles, missed meetings, and money

problems. Despite these stories -- and because of others -- karlssonwilker has produced an impressive body of work in two short years. Tellmewhy shows the happy endings, including signage for a Philadelphia restaurant, logo designs for a New York fashion house, and CD packaging for both independent and major music labels. And it presents the few unrealized designs, like an ad campaign for a TV network. All share the designers' creative and humorous take on design. Karlssonwilker intersperses these examples with its singular illustrated diagrams, faux flow charts linking the partners' biographies, work, social lives, and whatever comes to their unique minds. Tellmewhy offers both inspiration and caution for designers everywhere. A foreword by former employer Stefan Sagmeister recalls karlssonwilker's start in his design office.

The Murder of Fatty Fuller John Sturgeon, 2019-08 Milton, Illinois is a small Midwestern town that sports an incredibly low crime rate. Violent crime is almost unheard of; only two murders in nearly forty years. A mysterious suicide brings one family back together in Milton. While asking around about their sister's suicide, TH and Richie Brown find that both of the murder cases handled by their father, Chief of Police Teddy Brown, may have been fixed. A convicted killer lies dying of cancer in a nursing home. His release from prison has people talking about The Murder of Fatty Fuller and his conviction. Old questions come to light. An unsolved murder of a young black man nearly forty years earlier draws more attention. Are both cases somehow connected? As more questions arise, and as

answers appear, history rears its ugly head and threatens to tear the Brown family apart.

Gunpowder Express Brett Cogburn, 2019-12-31 **TIME TO MEET THE WIDOWMAKER** Vulture City is home to a prosperous gold mine and every bad man in the Arizona Territory knows it. Nearly every stagecoach attempting to deliver the gold to the railroad at Maricopa has been ambushed on the trail—a trail known as the Gunpowder Express for the bullet-riddled bodies along the way. With gold piling up and a lack of volunteers to transport it, the mine owner hires Newt “Widowmaker” Jones to ride shotgun on the next stage. Foolhardy and desperate for money, Newt joins three other guards—and a passenger, Jenny Silks, a stubborn firebrand with her own stake in seeing the delivery through. But waiting on the Gunpowder Express is Irish Jack O’Harrigan and his band of outlaws. There’s not a soul alive he wouldn’t think twice about putting six feet under. But he’s never traded lead with the man known as Widowmaker . . . Praise for Spur Award winner Brett Cogburn “Fans of frontier arcana will revel in Cogburn’s readable prose and lively characters.” —Publishers Weekly on Rooster “Cogburn amazes and

astounds.” —Booklist
