Olive, Mabel & Me: Life and Adventures with Two Very Good Dogs Andrew Cotter,2020-12-01 The story of Olive and Mabel, Labrador retrievers who rose to internet fame as the subjects of Andrew Cotter's BBC sports parodies. When sporting events were put on hold in March 2020, commentator Andrew Cotter shifted to working from home. The one-on-one competitors? His two Labrador retrievers, Olive and Mabel. In the hilarious videos that ensued, the dogs engage in various contests, from bone-snatching and breakfast-eating to crushing it on the dog walk, while Cotter narrates to hilarious effect. The scene of Mabel, simply standing still in a fetid pond was one of the most popular. Why? Because this is how dogs live, and Cotter captured it with humor and joy. It’s why the series has been viewed more than 50 million times, entertaining dog owners, sports fans and celebrities around the world. Olive and Mabel are more than online celebrities, however, as revealed in this charming narrative. Filled with stories about how Cotter fell in love with his dogs, his passion for hiking with them through the glens and over the peaks of his native Scotland, and the ongoing relationship between Olive and Mabel (particularly the “competitive fire” lit during these days of quarantine), the memoir is by turns side-splittingly funny and thoughtfully tender. It’s sure to resonate with all dog lovers.

Each of these peoples represents a race option when you create your D&D character, expanding on the choices in the Player’s Handbook. Includes more than 250 monsters—updates to the monsters include making spellcasters easier for Dungeon Masters to run, giving many monsters more damage and resilience, and improving the organization of the stat blocks themselves Includes more than 30 playable races—brings the game’s setting-agnostic races into one book, complementing the races in the Player’s Handbook A multiverse of lore—includes updates to monster lore that refocuses their stories on the D&D multiverse, rather than on any particular world

Small Favors Erin A. Craig,2021-07-27 THE INSTANT NEW YORK TIMES BESTSELLER • From the critically-acclaimed author of House of Salt and Sorrows comes a mesmerizing and chilling fairy-talesque novel about Ellerie Downing, a young woman in a small town with monsters lurking in the trees and dark desires hidden in the shadows—in Amity Falls, nothing is more dangerous than a wish come true. Unique, enchanting, and haunting.—Brigid Kemmerer, New York Times bestselling author of the Cursebreaker series “Full of beasts, bargains, and blood, Small Favors is a folk horror tale that feels like a classic but is utterly fresh. Sweet, dark, and complex as wildflower honey.”—Hannah Whitten, New York Times bestselling author of For the Wolf A deliciously dark fairy tale filled with bone-chilling horror and breathtaking romance that will keep you turning the pages long into the night.—Kara Thomas, author of The Cheerleaders and That Weekend “As dark and romantic as it haunting, Small Favors is an eerie fairytale that I couldn’t put down.”—Alexis Henderson, author of The Year of the Witching Ellerie Downing is waiting for something to happen. Life in isolated Amity Falls, surrounded by an impenetrable forest, has a predictable sameness. Her days are filled with tending to her family's beehives, chasing after her sisters, and dreaming of bigger things while her twin, Samuel, is free to roam as he wishes. Early town settlers fought off monstrous creatures in the woods, and whispers that the creatures still exist keep the Downings and their neighbors from venturing too far. When some townsfolk go missing on a trip to fetch supplies, a heavy unease settles over the Falls. Strange activities begin to plague the town, and as the seasons change, it's clear that something is terribly wrong. The creatures are real, and they're offering to fulfill the residents' deepest desires, however grand, for just a small favor. These seemingly trifling demands, however, hide sinister intentions. Soon Ellerie finds herself in a race against time to stop Amity Falls, her family, and the boy she loves from going up in flames.

Step inside a fairy tale. —Stephanie Garber, #1 New York Times bestselling author of Caraval In a manor by the sea, twelve sisters are cursed. Annaleigh lives a sheltered life at Highmoor with her sisters and their father and stepmother. Once there were twelve, but loneliness fills the grand halls now that four of the girls' lives have been cut short. Each death was more tragic than the last--the plague, a plummeting fall, a drowning, a slippery plunge--and there are whispers throughout the surrounding villages that the family is cursed by the gods. Disturbed by a series of ghostly visions, Annaleigh becomes increasingly suspicious that her sister's deaths were no accidents. The girls have been sneaking out every night to attend glittering balls, dancing until dawn in silk gowns and shimmering slippers, and Annaleigh isn't sure whether to try to stop them or to join their forbidden trysts. Because who--or what--are they really dancing with? When Annaleigh's involvement with a mysterious stranger who has secrets of his own intensifies, it's a race to unravel the darkness that has fallen over her family--before it claims her next. House of Salt and Sorrows is a spellbinding novel filled with magic and the rustle of gossamer skirts down long, dark hallways. Be careful who you dance with... The Road Cormac McCarthy,2007-03-20 WINNER OF THE PULITZER PRIZE • NATIONAL BESTSELLER • A searing, post-apocalyptic novel about a father and son's fight to survive, this tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful (San Francisco Chronicle). • From the bestselling author of The Passenger A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, each the other's world entire, are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. Look for Cormac McCarthy's latest bestselling novels, The Passenger and Stella Maris.
