Shadows from the Walls of Death Robert Clark Kedzie, Graham Krak, 2014-11-14 This version of 'Shadows from the Walls of Death' is a tribute to Robert Clark Kedzie, who produced the originals of which there are now only two left in existence. They are located at the University of Michigan and Michigan State University. The originals are approximately 22 x 30 inches containing a title page and an 8 page preface followed by 86 samples cut from rolls of arsenic impregnated wallpaper. The book is sealed in a protective container and each individual page is encapsulated. This particular edition does not actually contain any arsenic. Further to that the content of this volume including both text and images are for entertainment purposes.

Skulls in the Stars Robert E. Howard, 2015-02-12 This early work by Robert E. Howard was originally published in 1929 and we are now republishing it

with a brand new introductory biography. 'Skulls in the Stars' is a story that follows the adventures of the puritan explorer Solomon Kane. Robert Ervin Howard was born in Peaster, Texas in 1906. During his youth, his family moved between a variety of Texan boomtowns, and Howard – a bookish and somewhat introverted child – was steeped in the violent myths and legends of the Old South. At fifteen Howard began to read the pulp magazines of the day, and to write more seriously. The December 1922 issue of his high school newspaper featured two of his stories, 'Golden Hope Christmas' and 'West is West'. In 1924 he sold his first piece – a short caveman tale titled 'Spear and Fang' – for \$16 to the not-yet-famous Weird Tales magazine. Howard's most famous character, Conan the Cimmerian, was a barbarian-turned-King during the Hyborian Age, a mythical period of some 12,000 years ago. Conan featured in seventeen Weird Tales stories between 1933 and 1936 which is why Howard is now regarded as having spawned the 'sword and sorcery' genre. The Conan stories have since been adapted many times, most famously in the series of films starring Arnold Schwarzenegger.

Imaginary Museums Nicolette Polek, 2020-01-14 A collection of flash fiction that feels seemingly arbitrary with an ache of human longing for connection peppered in. . . . These bizarre but beautiful stories transport you elsewhere with no intention of bringing you back. –Ashleah Gonzales, W magazine In this collection of compact fictions, Nicolette Polek transports us to a gently unsettling realm inhabited by disheveled landlords, a fugitive

bride, a seamstress who forgets what people look like, and two rival falconers from neighboring towns. They find themselves in bathhouses, sports bars, grocery stores, and forests in search of exits, pink tennis balls, licorice, and independence. Yet all of her beautifully strange characters are possessed by a familiar and human longing for connection: to their homes, families, God, and themselves.

The Skull of Pancho Villa and Other Stories Manuel Ramos, 2015-03-31 Legend has it that Pancho Villa's grave was robbed—and his head stolen—in 1926. A gringo is credited with the theft, but Gus Corral's great-grandfather was there too. As often happens to Chicanos, his role was given short shrift. But the Corral family has taken care of the skull for as long as Gus can

remember. It's a jolt when "Panchito" is stolen from his sister's house. It's the only connection to the old-timers of the family, so Gus knows he will have to get to the bottom of the disappearance, even if it means tangling with thieves and thugs. A variety of characters—writers, attorneys, Vietnam vets, cops, soldiers—populate these stories in which situations frequently aren't what they seem. An old man knows more about the disappearance of a neighbor than he lets on. A barber is involved in something that brings a ski-mask wearing, gun-toting hoodlum into his shop. And a cop accused of using excessive force hasn't told his family the whole truth. Many stories in this gripping collection feature Mexican Americans struggling with their circumstances as an ethnic minority in the United States. Others cover historical events, from the Mexican Revolution to an encounter with Jack Kerouac. All spotlight Ramos' artistry and dexterity as he shifts from noir to historical and even ficción rápida, or flash fiction. Spanning his acclaimed writing career, this volume includes Ramos' first story published in 1986, "White Devils and Cockroaches," which features an attorney who served as the prototype for Luis Montez, the protagonist in five of his award-winning novels.

It Is What It Is Peter Caruso, 2015-03-28 Trace the evolution of the Brooklyn tattooing scene's iconographic status with this rare look into the borough's gritty history. Long before hipsters called Brooklyn home, tattoo legends like Tony Polito, Mikey Perfetto, Marcus Pacheco, and Ronnie Dell'Aquila set long-lasting trends from the '50s on, and gave young artists hope in this often unforgiving town. Peter Caruso visits over a dozen owners, artists, and customers, relating Brooklyn's 20th-century tattoo history through biographies of gritty, no-nonsense tattoo artists. Here, they get the attention they deserve as they focus on events that shaped their craft and style and what inspired them, as teenagers, to follow the path of this often thankless profession in New York's toughest borough. Back in the day, artists didn't apprentice, but, like the men in this book, learned the ropes in basements and worked out of kitchens, sometimes experimenting with Asian and tribal styles, but always returning to the colorful, traditional, American tattooing Brooklyn is known for.

Toiletpaper. Ediz. Inglese Maurizio Cattelan, Pierpaolo Ferrari, James Hoff, 2012 'Toiletpaper' comprises startling photographs colliding commercial photography with twisted narrative tableaux and surrealistic imagery.

Picnic in the Storm Yukiko Motoya, 2019-07-04 A housewife takes up bodybuilding and sees radical changes to her physique - which her workaholic husband fails to notice. A boy waits at a bus stop, mocking businessmen

struggling to keep their umbrellas open in a typhoon - until an old man shows him that they hold the secret to flying. A woman working in a clothing boutique waits endlessly on a customer who won't come out of the fitting room - and who may or may not be human. A newlywed notices that her husband's features are beginning to slide around his face - to match her own. In these eleven stories, the individuals who lift the curtains of their orderly homes and workplaces are confronted with the bizarre, the grotesque, the fantastic, the alien - and, through it, find a way to liberation. Winner of the Kenzaburo Oe Prize, *Picnic in the Storm* is the English-language debut of one of Japan's most fearless young writers.
