Finish to the Sky Volume Three Greg Lavern,2018-05-12 FINISH TO THE SKY Volume Three MY TEN DEFINITIVE GOLF LESSONS IN DEDICATION TO ALL THE CONFUSED GOLFERS IN

THE WORLD. There are many golfers that simply need to empty their head and read this wonderful book cover to cover with a confident open mind. I can honestly say, any dedicated golfer I teach in Canada continues to hit fairways and greens the majority of the time. I personally learned from the best ball striker in the world the incredible Moe Norman who passed away in 2004. The golf swing I was taught is timeless, The world class instruction throughout this book might not start a golf revolution though should rescue the vulnerable confused golfer bombarded from mind boggling internet golf tips. Volume Three puts the icing on the cake for the sweetest golf shots you will ever hit with these ten lessons will magically shape your entire game. Remember Golf knowledge is real power on the golf course. This book presents My Ten Definitive Golf Lessons directly from the golf mind of Canadian Author and Master Golf Instructor, Greg Lavern. Throughout the ten lesson chapters you will consume valuable information that clearly identifies, in dedication to all the confused golfer's in the world, the very best of golf swing knowledge the average or advanced golfer will ever encounter or be introduced to. A complete instructional overview is provided from the moment you grip the golf club, with explanation on the golf swing and how to score, and further explores inner techniques of how to manage your golf game. My lesson presentation is a major source of information for the golfer who wants to hit the golf ball straight and pure. I can teach most golfers using the contents of this book to improve their golf game with my incredible insight and knowledge based on perfection learned personally from some of golf's greatest ball strikers in Canada. With numerous years of practice and playing golf with Moe Norman who many around the world consider the greatest ball striker of all time. Previous books written in the FINISH TO THE SKY series identify this wonderful experience that Lavern has captured and passed on to the golfing world, which has willingly acknowledged: FINISH TO THE SKY The Golf Swing Moe Norman Taught

Me: Golf Knowledge Was His Gift To Me. FINISH TO THE SKY The Authentic Tournament Winning Golf Swing Of Canadian Master Ball Striker Moe Norman, I Personally Experienced. It would be fair to say that through the years of instruction under the mentorship of Moe Norman I paved my understanding of the golf swing and golf mind that was conditioned on the unknown. Other great ball strikers on occasion such as George Knudson and Al Balding, who were champions on the US PGA tour, provided some gems of golf knowledge in person while I was a dedicated student of the game. The incredible professional's I was fortunate to learn under certainly qualifies me for a general high standard of instruction with My Ten Definitive Golf Lessons (Volume Three) in the FINISH TO THE SKY series. With all the swing gimmicks, and golf instructors with plenty of their passed back-and-forth opinions from self observation, have little understanding of how the golf swing actually works which has been clearly shown from historical application. I ask these instructors of authority who they ever learned under that was a great ball striker, so useful knowledge can be passed on to the golfing community without confusion? Its unlikely the majority of golf instructors today could provide a well known name of a great player or ball striker as their mentor. My Ten Definitive Golf Lessons FINISH TO THE SKY (Volume Three) will set a general standard of published instruction, this needed to be written at sixty three years of age while I am still alive, for future generations to learn from my golf swing and ball striking experiences of enjoyment and simplification. GREG LAVERN Canadian Golf Author/Master Golf Instructor

provide more golf instruction with some interesting chapters beyond my first book that would insure continued study of Moe Norman's historical golf swing. I am proud to honor Moe Norman as my teacher and close friend with this book in appreciation for the many years Moe simply devoted his time to our amazing golf relationship. Years of memories of Moe encouraged me to stand strong to uphold the truth of the authentic tournament winning golf swing Moe Norman taught me. On the golf course or throughout life Moe Norman strived to Finish to the Sky. After reading this book the golfer is given the option to adopt the authentic Moe Norman style golf swing from set-up to finish or incorporate the knowledge into their own preferred swing style. Understand, every golfer in the world can benefit from Moe's downswing and his solid fundamentals. Similar to great ball strikers during the Hogan era was Moe Norman with his unique style and deliverance of straight shots that stood the test of time.

My Mother's Journal Adonica Schultz Aune, 2013-01-25 The initial idea for this work was to provide a space for a reader to record daily events in accordance to the date as recorded by my mother. What transpired is an abridged account of my mother's last year of her life living at Luther Memorial Home in Mayville, North Dakota -- with added remarks and snippets of my life now in The Villages, Florida. Written in my mother's aging hand, with extreme intellect and charm, the journal is a historical account of the daily life in a nursing facility. My Mother's Journal portrays small matters that, when pieced together and seen from a distance, become large. Subsequently, her words are a rare gift and it is my hope that this will foster more such journaling. I would like to thank my early readers (Aunt Dorothy; my sister, Karen; my friend, Trish; and my step-daughter-in-law, Dixie) for their encouragement and support in completing this bittersweet and challenging project.
