Ghost Hunting 2.0 Chris Bores, 2015-09-26 2010's Most Popular YouTube Ghost Hunter: Changes the Field of Paranormal Research Forever Are you fascinated with the paranormal? Ghost Hunting 2.0 presents the new approach to ghost hunting leading to deeper answers. What is the next step in ghost hunting? Ghost hunters are using the same methods and tactics leading to the same outcomes. What is needed is a new way of doing things, a method that is far more effective than the old way of doing things. When Chris Bores embarked on his journey to uncover more about the afterlife through interactions with spirits, he had no idea the information he would pull from them about the spirit realm. By using a new approach that combines together psychology, philosophy, ancient texts like the Tibetan Book of the Dead, quantum physics, and more, he is able to shed light on the paranormal in a way never accomplished before. You will learn about his new approach to the spirit world, his classifications of spirits, and his journey of interacting with ghosts. Ghost Hunting 2.0 answers burning questions that have stumped researchers for years. Do spirits actually float? Do they retain their memories? Can they fall in love? The truth about residual hauntings Why can't we capture them on film? Your entire outlook of the afterlife will change after reading this book. If you have felt that the field of paranormal research has hit a wall during the last few years, then Ghost Hunting 2.0 is for you. Both ghost hunting beginners and professionals will find value in the new approach that Chris uses towards the paranormal. Ghost hunting will never be the same again! Stinky Science Edward Kay,2019-04-02 Who knew science could be so smelly??? This innovative book is a complete exploration of the olfactory system, with a side of gross-out hilarity. First, it tackles the basics, from why things stink to how our sense of smell works (hint: it has to do with the six million scent receptors way up inside our noses). Then, it moves on to some specifics such as the link between smells and memories, some of the stinkiest stinks on Earth, the chemicals smells are made of and more! The eww! on every page is sure to hold every young scientist's attention!

Practical Finite Element Analysis Nitin S. Gokhale, 2008 Highlights of the book: Discussion about all the fields of Computer Aided Engineering, Finite Element Analysis Sharing of worldwide experience by more than 10 working professionals Emphasis on Practical usage and minimum mathematics Simple language, more than 1000 colour images International quality printing on specially imported paper Why this book has been written ... FEA is gaining popularity day by day & is a sought after dream career for mechanical engineers. Enthusiastic engineers and managers who want to refresh or update the knowledge on FEA are encountered with volume of published books. Often professionals realize that they are not in touch with theoretical concepts as being pre-requisite and find it too mathematical and Hi-Fi. Many a times these books just end up being decoration in their book shelves ... All the authors of this book are from IITs & IISc and after joining the industry realized gap between university education and the practical FEA. Over the years they learned it via interaction with experts from international community, sharing experience with each other and hard route of trial & error method. The basic aim of this book is to share the knowledge & practices used in the industry with experienced and in particular beginners so as to reduce the learning curve & avoid reinvention of the cycle. Emphasis is on simple language, practical usage, minimum mathematics & no pre-requisites. All basic concepts of engineering are included as & where it is required. It is hoped that this book would be helpful to beginners, experienced users, managers,

group leaders and as additional reading material for university courses.

The Snow Flint Maxwell, 2020-02-25 This is how the world ends: with a single snowflake. After a tragic accident at work, all Grady Miller wanted was an escape, and he finds it with two of his closest friends. Together, the three of them travel south to Prism Lake for the upcoming holiday, where they plan on spending the sunny weekend drinking, grilling, and relaxing. But when a series of monstrous blizzards cover the eastern United States in feet of snow, knocking out communications and making the roads impossible to drive on, they realize their weekend of fun could turn into a lifetime of survival. Because there's something out there besides the cold... Something sinister...

The Zombie Hunters Jenny Romanchuk, 2010-11-26 Follow this team of zombies hunters as they try to survive a salvage expedition. What first seemed like a harmless bit of extracurricular looting has now gone horribly wrong, and the team finds themselves fighting for their survival armed with nothing but improvised weapons and mouths full of colourful profanities. A comic that began as a short story for friends on the web, *The Zombie Hunters* has grown into an exploration of what the world would be like, following a deadly apocalypse. With a society and a zombie threat unlike any other, the story quickly grows beyond its original concept and begins to explore the divide between the Infected, sent to scavenge the wastelands, and those who are not, who live in the safety and comfort of the Argus Research Campus. This title is a graphic novel.

A Time to Dance Karen Kingsbury,2001 John and Abby Reynolds were the perfect couple, sharing a love born of childhood friendship and deep family ties. They are envied by their friends, cherished by their children, admired by their peers. But John and Abby are about to lose it all. On the verge of having an affair, John is no more the man Abby married than she is the long-ago girl of his dreams. They are strangers whose days of dancing seem gone forever. They gather their three children to announce their plans, but before they can speak, their daughter makes an announcement of her own: she's getting married in the summer. Abby and John determine not to ruin their daughter's season of happiness, but as the wedding nears they are haunted by questions. Is the decision they've made irreversible? Are there times when marriage--even the marriage between two people of faith--is truly beyond repair? And is it possible, alone in the moonlight on an old wooden pier, to once more find ... a time to dance?

Operation Chaos Poul Anderson,1999-11-08 In a war waged against Black Magic, the fact that Steve is a werewolf and his wife is a highly skilled witch is not unusual. But their adventures prove very unusual, even for their world, when they are given the task of neutralizing an enemy's ultimate weapon--the world's most powerful demon.

'And so began the Irish Nation' Brendan Bradshaw,2016-03-09 Nationalism is a particularly slippery

subject to define and understand, particularly when applied to early modern Europe. In this collection of essays, Brendan Bradshaw provides an insight into how concepts of 'nationalism' and 'national identity' can be understood and applied to pre-modern Ireland. Drawing upon a selection of his most provocative and pioneering essays, together with three entirely new pieces, the limits and contexts of Irish nationalism are explored and its impact on both early modern society and later generations, examined. The collection reflects especially upon the emergence of national consciousness in Ireland during a calamitous period when the late-medieval, undeveloped sense of a collective identity became suffused with patriotic sentiment and acquired a political edge bound up with notions of national sovereignty and representative self-government. The volume opens with a discussion of the historical methods employed, and an extended introductory essay tracing the history of national consciousness in Ireland from its first beginnings as recorded in the poetry of the early Christian Church to its early-modern flowering, which provides the context for the case studies addressed in the subsequent chapters. These range across a wealth of subjects, including comparisons of Tudor Wales and Ireland, Irish reactions to the 'Westward Enterprise', the Ulster Rising of 1641, the Elizabethans and the Irish, and the two sieges of Limerick. The volume concludes with a transcription and discussion of 'A Treatise for the Reformation of Ireland, 1554-5'. The result of a lifetime's study, this volume offers a rich and rewarding journey through a turbulent yet fascinating period of Irish history, not only illuminating political and religious developments within Ireland, but also how these affected events across the British Isles and beyond.
