

# Slam Dunk Basketball

Asher Price

**Slam Dunk Basketball** Bobbie Kalman, John Crossingham, 2007

An introduction to the game of basketball, focusing on the various player positions.

**Slam Dunk! Basketball Facts and Stats** Mark Woods, Ruth

Owen, 2011-01-01 The game of basketball involves speed, strength, and skill—and numbers. Readers learn the many ways that math is used in b-ball, from keeping score to comparing players. Quizzes on each page help readers practice math skills just like basketball players practice their skills.

**The Real Slam Dunk** Charisse Richardson, 2005-02-17

Champions need skills on and off the court. Marcus Robinson is psyched! Tomorrow, his class is going on a field trip to a professional basketball arena to meet the one and only Jason Carter, Marcus's hero. Marcus usually ignores everything except for basketball, but this time he studies for hours to win the math contest—for the prize of being the official Jason Carter greeter! But when Jason tells Marcus some things he didn't expect to hear about professional basketball, Marcus is confused. He thought that all he'd ever need in life was basketball. Thanks to Jason, Marcus is about to learn the meaning of a real slam dunk. With cover and

interior illustrations by Kadir Nelson. The mom in the story made me think about how my mother inspired me to reach my goals. -- Shaquille O'Neal, NBA Champion, NBA All-Star, NBA Read to Achieve All-Star Reading Team The Real Slam Dunk is a great book for young basketball players because the main characters focus on education and not just basketball. --Sue Bird, WNBA All-Star, NBA Read to Achieve All-Star Reading Team

From Set Shot to Slam Dunk Charles Salzberg, 1998-03-01 Basketball in its early years was rough and rowdy, on the courts and off. Players had names like Feets Broudy, Sweetwater Clifton, and Easy Ed Macauley. There was no twenty-four-second clock, no jump shot, and only one referee, and fouls were called only for real injury. But from the very start the game won fans. From Set Shot to Slam Dunk brings back the glory days of basketball as lived by fifteen old-time players and officials.

**Slam Dunk** Amar'e Stoudemire, 2013-01-01 From the NBA superstar: "A series of chapter books that celebrate sports, smarts and friendship . . . Amar'e is a likable protagonist." —Kirkus Reviews Eleven-year-old Amar'e Stoudemire has been playing so much basketball lately it feels like he doesn't have time to do all the things he used to love. His team needs him because he is one

of the best players on the court despite also being one of the youngest. When some of the older kids get on Amar'e for not being able to dunk, he sets a goal to make that happen soon. But when Amar'e's playing time is put on hold, he'll have to come to terms with all of the other things he's been neglecting in this exciting series based on the life of All-Star NBA sensation Amar'e Stoudemire, who overcame many obstacles to become one of the most popular figures in sports today. "The b-ball action and jargon flies fast and free . . . and hard work leads to triumph on the court." —Booklist Praise for the series "Will keep basketball fans riveted . . . Amar'e's voice is refreshingly real." —Publishers Weekly

*Slam Dunk!* David Diehl, 2008 Pictures and basic text introduce such basketball terms as hoop, court, dribble, fast break, foul, and free throw. On board pages.

Basketball's Most Ridonkulous Dunks! Shawn Pryor, 2021 From monster in-game jams to gravity-defying contest slams, experience the most ridonkulous dunks from pro basketball's biggest superstars--

*Slam Dunk* Matt Christopher, 2007-09-03 When a new school year starts, and thirteen-year-old basketball star Julian feels a lot of

pressure as he realizes he is the only remaining player from last year's winning team, a friend's health crisis helps him regain perspective.

**Slam Dunk Donna King, 2007** 13 year-old Ashlee Carson is a basketball star. But her mother has ambitions that go beyond the court and wants Ashlee to focus on her studies. When Ashlee gets the chance to compete for a place on the national girls' team, she heads to Florida. Can she count on her deadbeat dad for support? And will her mother ever forgive her?

**Slam Dunk 2 Dave Branon, 1999-09** Professional basketball players talk about basketball, family, & faith

Jake Maddox: Slam Dunk Shoes Jake Maddox, Jamal's been asked to try out for the super-elite youth basketball team. His dad makes him a deal: If Jamal makes the team, he gets new shoes. But will the fancy new shoes really improve Jamal's game?

**Slam Dunk Sabotage Franklin W. Dixon, 2012-12-11** The Hardys and their high school basketball team, the Bayport Bombers, are getting ready to play for their championship. One more victory will put them on top. But somebody's got a different game plan: Blast the Bombers out of contention by knocking Frank and Joe out of the way—for good.

**Slam Dunk** Lillian Morrison, 1995 A collection of poems about the sport of basketball.

**No Slam Dunk** Mike Lupica, 2019-08-20 A sure-fire hit with readers who love sports. -Booklist A fast-paced, heartfelt story for basketball fans that proves being a good teammate remains the most important quality in basketball--and in life, from New York Times bestselling author Mike Lupica. Wes' father always told him that there was only one ball in basketball. That you had to know when to take it yourself and when to give it up, that finding the right balance was key. So at every practice and game, Wes tries his best to be a good basketball player and, above all, a good teammate. As the season kicks off, Wes finds that not everyone on his team has the same idea. All-star player and the Hawks' point guard, Danilo Dinero Rey seems determined to hold the spotlight and the ball, even if it means costing his team the game. If the Hawks are going to make it to the playoffs, Wes will need an assist--even if it means his most important one comes off the court. In **No Slam Dunk**, #1 New York Times bestseller Mike Lupica demonstrates once again that there is no children's sports novelist today who can match his ability to weave a story of vivid sports action and heartfelt emotion. A touching story about teamwork and

family, of selfishness and generosity, No Slam Dunk shows that even in the face of adversity, giving your best is the surest way to victory. Praise for Mike Lupica: -Lupica is the greatest sports writer for middle school readers.--VOYA on True Legend -Lupica will win a Pulitzer for his sportswriting one day (he should have won it already).--The New York Times on Heat

**Slam Dunk** Lillian Morrison,1995 A collection of poems about the sport of basketball.

**Year of the Dunk** Asher Price,2015 The showmanship of the dunk mesmerized Price as a child, but even with his height (six foot plus) and impressive wingspan, he never pushed himself to try it. Now, approaching middle age, Asher decides to spend a year remaking his body and testing his mind as he wonders, like most adults, what untapped talent he still possesses. Along the way he dives into the history and science of one of sports' most exuberant acts, examining everything from our genetic predisposition towards jumping to the cultural role of the slam dunk. The year-long effort forces him to ask some fundamental questions about human ability and the degree to which we can actually improve ourselves, even with great determination.

**Slam Dunk!** The Editors of Sports Illustrated Kids,2014-10-14

Fly high with pro basketball's biggest stars in SLAM DUNK: TOP 10 LISTS OF EVERYTHING IN BASKETBALL. Presented in the format of Top 10 lists, this book is a comprehensive yet fun look at the best aspects of the ABA, NBA and WNBA. From the most dominant big men to the quirkiest uniforms, SI Kids ranks a variety of topics from the hardwood. Readers are guaranteed to love the big, exciting action photos from the Sports Illustrated collection and the insider knowledge of SI Kids. Filled with trivia and information, this dynamic book will be the definitive kids book on pro basketball.

**Picture a Slam Dunk** Anthony Wacholtz,2013-07 Provides step-by-step instructions on how to draw basketball players in action.

Desktop Basketball Shoshana Stopek,2021-03-02 Master this one-of-a-kind, miniature basketball game! Kit includes: Easy-to-assemble basketball hoop with backboard and suction cup base that attaches to a desk or tabletop surface. Measures approximately 5 high when assembled. Mini rubber basketball 32-page rule book on Desktop Basketball

**Vince Carter** John Albert Torres,2004 Vince Carter is one of the most electrifying young talents in the NBA. Fans and fellow players alike marvel at his gravity-defying moves on the court, which helped earn Carter the nickname Air Canada during his first

year in the league with the Toronto Raptors. Growing up in Florida, Carter learned important lessons about the value of hard work and dedication from his parents. Hard work paid off for Carter in his successes on the basketball court in high school. This is when Vince Carter first began his legendary flights to the basketball rim. After high school, Carter chose to attend the University of North Carolina in 1995. In 1998, he left North Carolina early and entered the NBA, where he won the league's Rookie of the Year Award. In his second year in the league, he earned his reputation as a slam dunk artist at the 2000 NBA.com Slam Dunk contest, where he put on a one-man show. With Carter as the foundation of the team, Toronto fans hope to win many NBA championships in the seasons to come. Book jacket.

Immerse yourself in heartwarming tales of love and emotion with Crafted by is touching creation, Tender Moments: **Slam Dunk Basketball** . This emotionally charged ebook, available for download in a PDF format ( Download in PDF: \*), is a celebration of love in all its forms. Download now and let the warmth of these stories envelop your heart.
