Style and Form in the Hollywood Slasher Film Wickham Clayton,2015-10-12 Style and Form in the Hollywood Slasher Film fills a broad scholastic gap by analysing the elements of narrative and stylistic construction of films in the slasher subgenre of horror that have been produced and/or distributed in the Hollywood studio system from its initial boom in the late 1970s to the present.

The Teenage Slasher Movie Book, 2nd Revised and Expanded Edition J. A. Kerswell,2018-10-09 Packed with slasher movie reviews and illustrated with an extensive collection of distinctive and often graphic color poster artwork, The Teenage Slasher Movie Book, 2nd Revised and Expanded Edition also looks at the political, cultural, and social influences on the slasher movie and its own effect on other film genres.

Cape Fear Rob Daniel,2021-12 Martin Scorsese's Cape Fear (1991) opens with a shot of water and climaxes on a raging river. Despite, or perhaps because of, the film's great commercial success, critical analysis of the film typically does not delve beneath the surface of Scorsese's first major box office hit. As it reaches its 30th anniversary, Cape Fear is now ripe for a full appraisal. The remake of J. Lee Thompson's 1962 Cape Fear was originally conceived as a straightforward thriller intended for Steven Spielberg. Author Rob Daniel investigates the fascinating ways Scorsese's style and preoccupations transform his version into a horror epic. The director's love of fear cinema, his Catholicism and filmmaking techniques shift Cape Fear into terrifying psychological and psychosexual waters. The analysis also examines the influence of Gothic literature and fairy tales, plus how academic approaches to genre aid an understanding of the film.

Slasher Darrin Brent Patterson,2015-08-30 It was supposed to be another fun season back in 1989 at the peaceful summer camp until something very disturbing happened that changed everything for everyone. It is ten years later, and someone returns to murder the new counselors who were once campers one by one before the blood lust vengeance is done. This cold-blooded murderer gives no mercy. You can forget about bribery. Don't even try to run. If you attempt to hide, death will soon find you. The person behind the black mask understands one thing and one thing only. It is old-school once more when the one who stalks you will kill you without remorse or regret. There is one down, a butcher knife sticking out of his back as his blood drains from his dying body; how many more to go?

Slasher W. D. Jackson,2014-09-24 A serial killer in Los Angeles. A string of ever more famous victims. A sergeant out of his depth. After a body is found on his duty, Sergeant Joshua Matthews is handed his first true homicide, one he has no choice but to accept. With no motive, no clues and zero real suspects, the police are getting nowhere, until another body turns up. It's not in his jurisdiction but there are striking similarities between the two crimes. On his captain's orders, Joshua finds himself temporarily transferred to LAPD Homicide. It seems he might be dealing with a serial killer, one targeting slasher movie actresses from the infamous horror studio, Hitlist Pictures. As the evidence starts pointing towards someone connected to the studio, Joshua and his new partner Detective Crawford face a race against time to solve the mystery before Hitlist premieres its brand new and highly anticipated horror thriller, Slasher. The film's lead and Hollywood's newest rising star, Kiralee Martinson, surrounded by police, is adapting quickly to the instant fame and pressure of becoming a film star, but nothing can prepare her for a violent finale to the killers' plans as she finds herself directly in the cross hairs in this tense and brutal thriller.
