**What Sounds Fun to You? (A That Sounds Fun Book for Kids)** Annie F. Downs,2021-10-19 No one knows how to have fun like kids do. But sometimes, even kids can use some fresh ideas for finding the fun in their lives. Fun is everywhere, and with this charmingly illustrated children's book, Annie F. Downs wants to help children ages 3 to 8 find it! Can it be found in science experiments, at the farmer's market, or in the kitchen? Yes! Can it be found on rainy days and starlit nights? You bet! Can it be found with friends or parents or even annoying little brothers? Of course! It's no secret that the world has felt a little less fun lately. What Sounds Fun to You? is the perfect book to get kids thinking about how to create their own fun right where they are, right now. And it's the perfect companion for parents who have run out of ideas!

**Better to Live** Alastair Campbell,2021-04-29 THE SUNDAY TIMES BESTSELLER Last Christmas I almost killed myself. Almost. I've had a lot of almos. Never gone from almost to deed. Don't think I ever will. But it was a bad almost. Living Better is Alastair Campbell's honest, moving and life affirming account of his lifelong struggle with depression. It is an autobiographical, psychological and psychiatric study, which explores his own childhood, family and other relationships, and examines the impact of his professional and political life on himself and those around him. But it also lays bare his relentless quest to understand depression not just through his own life but through different treatments. Every bit as direct and driven, clever and candid as he is, this is a book filled with pain, but also hope -- he examines how his successes have been in part because of rather than despite his mental health problems -- and love. We all know someone with depression. There is barely a family untouched by it. We may be talking about it more than we did, back in the era of 'boys don't cry' - they did you know - and when a brave face or a stiff upper lip or a best foot forward was seen as the only way to go. But we still don't talk about it enough. There is still stigma, and shame, and taboo. There is still the feeling that admitting to being sad or anxious makes us weak. It took me years, decades even to get to this point, but I passionately believe that the reverse is true and that speaking honestly about our feelings and experiences (whether as a depressive or as the friend or relative of a depressive) is the first and best step on the road to recovery. So that is what I have tried to do here.

**A Hippo Love Story** Karen Paolillo,2014-05-02 When the threads that hold human society together unravel, the animal kingdom suffers. Karen Paolillo

discovered this first-hand in Zimbabwe when she developed a close connection with thirteen hippos in their natural habitat, the Turgwe River. Her mission to save these exceptional animals after they came under threat of drought, land invasions and poachers developed into a beautiful African love story. It is also the stirring tale of how one woman faced personal and financial adversities while ensuring the survival of a family of hippos, with Bob, a three-ton bull, as their leader. With the establishment of the Turgwe Hippo Trust, Karen has triumphed as guardian of the hippos, and the animals have prospered ever since. A Hippo Love Story shares this heroic journey of a nature lover who became an ally of one of Africa's most fearsome animal species.

The Great Post Office Scandal Nick Wallis, 2021-11-18 The Great Post Office Scandal is the extraordinary story behind the recent ITV drama series Mr Bates vs The Post Office. This gripping page-turner recounts how thousands of subpostmasters were accused of theft and false accounting on the back of evidence from Horizon, the flawed computer system designed by Fujitsu, and how a group of them, led by Alan Bates, took their fight to the High Court. Their eventual victory in court vindicated their claims about the defects of the software and exposed the heavy handed attempts by the Post Office to suppress them. The book also chronicles how successive senior managers, business leaders, lawyers, civil servants and Government ministers, at best failed to expose the injustice or, even worse, sought to cover it up, resulting in one of the largest miscarriages of justice in UK history. The author, Nick Wallis, is a journalist and broadcaster who has been reporting on the scandal for over ten years and who acted as script consultant on Mr Bates vs The Post Office, the ITV drama that brought the affair into the national consciousness. As the public inquiry reaches its climax, and senior figures such as Paula Vennells come to be questioned, The Great Post Office Scandal reveals the full scale of what happened and will leave you enraged at how so many of our trusted institutions allowed the saga to go on for nearly a quarter of a century, shattering the lives of thousands of innocent people.

And Orange and Yellow are no longer speaking—each believes he is the true color of the sun. What can Duncan possibly do to appease all of the crayons and get them back to doing what they do best?
