**Slender Man Reviewed (2022)** Steve Hutchison,2023-04-29 Slender Man, the ultimate creepypasta, is what kept a generation of children and teenagers up at night. He's thin, unnaturally tall, wears a black suit, and has no face. He lives in the woods where he abducts those who meddle. By his mysterious nature, he became one of the creepiest horror icons following his creation in 2009. Horror critic Steve Hutchison analyzes 40 Slender Man feature films and short films. Each article includes a synopsis, five ratings, and a review.

**Misfit Children** Markus Bohlmann,2016-12-14 This collection of essays turns to misfit children as those found in-between socio-cultural, psychological and physical realms. It explores both the possibilities and futilities of negotiating this in-betweenness.

Slender Man Is Coming Trevor J. Blank,Lynne S. McNeill,2018-09-21 The essays in this volume explore the menacing figure of Slender Man—the blank-faced, long-limbed bogeyman born of a 2009 Photoshop contest who has appeared in countless horror stories circulated on- and offline among children and young people. Slender Man is arguably the best-known example in circulation of “creepypasta,” a genre derived from “cypypasta,” which in turn derived from the phrase “copy/paste.” As narrative texts are copied across online forums, they undergo modification, annotation, and reinterpretation by new posters in a folkloric process of repetition and variation. Though by definition legends deal largely with belief and possibility, the crowdsourced mythos behind creepypasta and Slender Man suggests a distinct awareness of fabrication. Slender Man is therefore a new kind of creation: one intentionally created as a fiction but with the look and feel of legend. *Slender Man Is Coming* offers an unprecedented folkloristic take on Slender Man, analyzing him within the framework of contemporary legend studies, “creepypastas,” folk belief, and children’s culture. This first folkloric examination of the phenomenon of Slender Man is a must-read for anyone interested in folklore, horror, urban legends, new media, or digital cultures. Contributors: Timothy H. Evans, Andrea Kitta, Mikel J. Koven, Paul Manning, Andrew Peck, Jeffrey A. Tolbert, Elizabeth Tucker

**The Slenderman Mysteries** Nicholas Redfern,Nick Redfern,2018-02-19 It's the dead of night; you are fast asleep. Suddenly, you are wide awake but unable to move. Hunched over you in the shadows is an eight- or nine-foot-tall gaunt entity with spider-thin limbs, dressed in an old-style black suit, its pale face missing eyes, nose, ears, and mouth. You finally manage to cry out. The monstrous thing disappears as suddenly as it appeared. You just had a terrifying encounter with the Slenderman. Who'or what'is the Slenderman? His existence began on the Internet, but he didn't stay online. The Slenderman may be a tulpa, a thought-form that can stride out of our darkest imaginations and into reality if enough people believe in it. In May 2014, two young Milwaukee girls almost killed a friend in the

name of the Slenderman. Perhaps, like the vast Skynet system in the Terminator movies, the Internet is turning against us and attacking us with digital equivalents of our own online nightmares. The Slenderman has come to life. For the first time, this book reveals the full and fear-filled saga.

*Slenderman* Robin S. Swope, 2012-06 Has a fictional internet character come to life? Slenderman was created on June 10th 2009. During a contest on the Something Awful forum in which people were asked to create a fictional paranormal character to fool investigators. A submission by Victor Surge took the forum and soon the Internet by storm. His creation Slenderman is a paranormal entity that lurks in the shadows, stalking people from their childhood. Once encountered, it is an unrelenting and unstoppable force of evil that does not rest until you are dead. This shadow entity is dressed in a black suit and is inhumanly tall with oddly long limbs. These limbs eerily extend out and multiply to trap you in its terrifying death embrace. But the oddest thing about this fictional internet character? People are actually having encounters with a real life Slenderman entity. In this new book by Robin Swope you will discover the origin and growth of the Slenderman myth, its historical archetypal imagery and the chilling clues that point to this modern myth is in fact an actual demonic force that has been hunting humans for hundreds of years. Join Rev. Robin Swope, a seminary trained exorcist and minister as he explores the strange story of the malicious child killing entity known as Slenderman.

*Slenderman, Slenderman - And Other Terrifying Tales* Jack Goldstein, 2012-11-20 A boy who makes up tall tales to scare his friends, but has the tables turned on him... A girl who should have been more careful what she wished for... A young know-it-all who is sure he knows how a magician's tricks work... These are just three of the terrifying tales featured in the fantastic collection from bestselling author Jack Goldstein. With three macabre short stories and three poems with unexpected twists, both adults and children will enjoy being scared out of their wits. A word of caution however - all of the stories feature mature horror themes, and may not suit the youngest - or most timid readers. If, however, the thought of Slenderman running his long, thin decomposing fingers through your hair sounds exhilarating, then you are sure to enjoy being truly terrified by this haunting anthology!

**Twenty-First-Century Gothic** Maisha Wester, 2019-05-22 This resource in contemporary Gothic literature, film, and television takes a thematic approach, providing insights into the many forms the Gothic has taken in the twenty-first century--

*Digital Mythology and the Internet's Monster* Vivian Asimos, 2021-01-28 Exploring a prominent digital mythology, this book proposes

a new way of viewing both online narratives and the online communities which tell them. The Slender Man – a monster known for making children disappear and causing violent deaths to the adults who seek to know more about him – is used as an extended case study to explore the role of digital communities, as well as the question of the existence of a broader “digital culture”. Structural anthropological mythic analysis and ethnographic details demonstrate how the Slender Man mythology is structured, and how its everlasting nature in the online communities demonstrates an importance of the mythos.

*Slenderman*, 2017-05-01 An internet meme, a crowd-sourced horror story, a diabolical figure that blurs reality: Slenderman. This will be the first original and official book about the globally infamous internet meme. With a Slenderman film in the works, it's set to be the publishing and media event of Summer 2017. Miss Peregrine's Children meets Stranger Things - Slenderman is a mix of classic horror and highly original concept.

**Strange Fruit and the Slender Man** Bryan W. Alaspa, 2015-01-08 Chicago, 1957. Two sisters, the Haines sisters, have gone missing and the entire city is in an uproar. As word of their disappearance spreads across the country, two police detectives are assigned the arduous tasks of finding them alive, or bringing their bodies home. However, as the two hardened cops begin to investigate, they soon find that things are not as cut and dried as they thought. This is not a simple kidnapping. Something ancient, primal and utterly terrifying is at work here and nothing that they have ever known will ever be the same again. Something has lured them into a terrifying trap that will destroy their minds, take their souls, and leave the rest of the world baffled.

*Folklore, Horror Stories, and the Slender Man* S. Chess, E. Newsom, 2014-11-27 The Slender Man entered the general popular consciousness in May 2014, when two young girls led a third girl into a wooded area and stabbed her. Examining the growth of the online horror phenomenon, this book introduces unique attributes of digital culture and establishes a needed framework for studies of other Internet memes and mythologies.

*Slenderman* Connie Myres, 2021-07 When children disappear and citizens are murdered in a Lake Michigan resort town, will a citizen reporter and her quirky sidekick cousin be able to stop what witnesses describe as a faceless, tall skinny man in a black suit before grief and death touch everyone in town? Citizen reporter Pacie Rose is in her strawberry with her family when Irma, her offbeat sidekick cousin, calls and reports that there's been a child abduction in town. They take on the self-appointed case of finding the culprit while murders and another missing child pile up. Armed with tools from the priest and local college professor, they are ready to confront the thing that witnesses describe as a tall man who wears a black suit and who appears to have no face. The resort town of Black Water is inundated with so many weird events that Pacie Rose took up being the town's citizen reporter. With her quirky cousin as the sidekick, they work to assist authorities in solving cases. Not bound by institutional rules, they can investigate using not so legal ways to get information. The Potawatomi have told of strange occurrences in the area long before the construction of the nuclear power plant in the 1960s. However, ever since Bulwark became operational, aberrations have increased substantially. Missing people, cryptids, UFOs, the paranormal, and alternate dimensions are just a few of the mysterious encounters. Follow Pacie as she works to rid Black Water of the terrifying phenomena. **BONUS:** My Name Is Mr. Dibble and Jezebel companion short stories are included.

**10 Amazing Slenderman Stories** Jack Goldstein, Jimmy Russell, 2013-12-08 Just before Jack Goldstein and Jimmy Russell published their last book about Slenderman, 101 Amazing Slenderman Facts, they were both found dead in suspicious circumstances. The book was published in their memories. What was not known at the time however was that two packages were making their way through the

Royal Mail service. One was from Jimmy and addressed to Jack, the other from Jack addressed to Jimmy. Both packages contained worrying documents detailing the history of Slenderman, and including some terrifying stories. This grisly collection of documents is offered to the reader in the hope they can make some sense of the killings, as well as finding out further information regarding the slim being. Proceed with caution.

**101 Amazing Slenderman Facts** Jack Goldstein, Jimmy Russell, 2012-10-02 Here's a spooky story: Slenderman has been seen around the world for over 2,000 years. This book - dedicated to the authors who tragically and violently lost their lives shortly after writing it - aims to tell you everything you want to know about Slenderman. What does he look like? What are his powers? What is his purpose? All this and more can be found within these very pages. Including excerpts from historical Slenderman documents (such as the 15th century poem that ends with the words 'He watches you yet has no sight, He taketh you away at night') this is the surefire way to learn all about Slenderman. The question - of course - is dare you read it?
