Not Just Another Slot Machine Strategy System: How to Win at Slot Machines Greg Elder,2012-10-18 Are you tired of searching for the hidden secret to winning millions of dollars on slot machines? Are you tired of being lied to about a system that guarantees you will win money every time you play slot machines? Well I am, so I decided to put the truth out. The bad news is there is no secret system that exists where you can beat the casinos playing slot machines. The good news is there is a system (for some reason people love the word system when it comes to gambling methods, so I'll stick with it), where you can leave the casino with money in your pocket, and not have that empty hollow feeling inside because you just lost more money than you can afford to lose. This is where I come in. With the system I've developed, you can still play slot machines and have a good time, but using these methods, you're more than likely going to come home with some money.

Smart Slot Strategies John W. Crockett,2010-06-02 This book includes easy-to-follow strategies developed by the author and tested in real-world casinos. He doesn't claim that these strategies are guaranteed to make you win (as many other authors do), but even if you don't follow any of the strategies or apply the rules laid out in this book, you will become a better-informed slot machine player and will have a good, basic understanding of how slot machines work and what to expect when you play slots. Several books on the market today make the claim that they teach techniques that will lead to better results when you play slot machines, and even claim that they guarantee that you will be a winner each and every time you apply their techniques, but can you really win at slot machines with any form of predictability or consistency? Is it really possible to predict what the slot machines will pay out, which slot machines you should play, and for how long? Many of these questions are answered in this book, with answered that aren't based on the author's own guesses and theories. The information contained here is based on a mathematical approach, which

examines many of these age-old techniques and secrets to winning at slot machines and provides an assessment of their reliability and usability. Many of these commonly-held beliefs are fundamentally flawed and the author points out why you should or shouldn't use them. This book also contains a list of the author's cardinal rules for successful slot machine play in real-world casinos, including the author's own counting method, which he developed based on research conducted on thousands of plays in various slot machines. This counting method was created to provide players with the ability to pick looser slot machines with greater accuracy and avoid the casinos' tightest machines. The author also gives detailed advice on how you can practice your techniques and better prepare yourself before you enter the casino.

How to win BIG and Make Money on High Limit Slots John F. Kennedy,2018-10-17 This book is about bettering your odds on playing High Limit Slot Machines. There is a myth that you can't make money on slot machines. However, over the years through trial and error, I have discovered a system that has been working for me over several years that has helped me produce almost a million dollars in hand pay jackpots. A system that I have expressively shared in this informational guide. All this information is based on my own personal gambling experiences in various casinos' around the USA. My branded phrase is flippin your money and dippin into theirs, never using your hard-earned money again! -hence the meaning behind the phrase flippin n dippin.

Slot Machine Chris Lynch,1996-08-16 When overweight thirteen-year-old Elvin Bishop is sent to camp at St. Paul's Seminary Retreat Center, he and his two best friends are forced to try out various sports in order to find out where they belong.

The Slot Machine Dave Aquino,2008-05 Harry Ordway has always done everything right. His life, career, wife and faith are all planned for him by his overly religious parents. Bored, restless, over sheltered and too much time on his hands, it was only a matter of time before he got into mischief. After a dare accepted to destroy a slot machine owned by mob boss Joey Carter, this sheltered young man is put into the underbelly of the gambling and criminal world. He owes Joey more than he could ever pay, and Joey is a man who collects his debts. Thinking he's probably a dead man, Harry tries to return the stolen money to Joey, but that's not good enough. Joey insists Harry do a job for him; collect an old debt from another mobster. At first all Harry wants to get Joey out of his world and go back to the planned life his parents designed for him. Later, Harry is surprised to see that Joey may be a gangster, but he has a heart of gold and shares a common feeling of being victimized. As for Harry, his adventures in the larger world beyond the small town where he grew up have taught him many things about responsibility and being true to himself. He may have left town a boy, but he has returned a man. Sometimes a little rebellion is all you need to change your life.
