New Casino Slots Victor H. Royer, 2010-06-09 The Future is Now! Twenty-first century casinos are nothing like the classic dens of the Rat Pack era—the days of Elvis and Liberace and the “Mob” in the movie “Casino.” Today’s world of slots, and all casino gaming, is as up-to-date as everything else in Las Vegas. The new slots are sophisticated and computerized machines that offer excitement, entertainment, and frequent pays—if you know what to look for and how to play these new machines when you arrive at the casino....and before you start spending your money. In This Book You Will Find • More than 100 photos of the newest and best slots. • How to find the best games and machines. • How to play the newest slots—before using your own money.

Learn iOS Application Distribution Hagop Panosian, 2017-09-27 Cover every aspect of the app industry, from app idea generation through to marketing and performance monitoring. With this book you'll receive complete, reliable, up-to-date, and professional information and guidance. Learn iOS App Distribution is every developers thorough and accessible guide to successfully distributing apps. For readers who already know how to code and create apps, this book explains how the app industry works, how it is evolving, and what the key trends are. Rather than focus on the well-covered aspects of working with Swift and Xcode, you'll instead discover what it takes from a commercial standpoint to bring an app together and get it successfully out to customers. All the key technical aspects are simplified for you with non-technical backgrounds, and vast amounts of information are condensed into easy-to-understand visuals. What You'll Learn Review how the app industry nuances and how it works Analyze app statistics and key market trends Position an app appropriately within the industry Improve app performance and related products and services Who This Book Is For App designers, UI/UX design professionals, coders, app marketers, game designers, asset designers and app publishing

companies. The book is also suitable for inventors and non-tech readers unfamiliar with the industry but interested in investing in apps

Digital Gambling César Albarrán-Torres, 2018-03-28 This book develops the concept of gamble-play media, describing how some gambling and gambling-like practices are increasingly mediated by digital technologies. Digital gambling brings gambling closer to the practices and features of videogames, as audio-visual simulations structure users' experiences. By studying digital gambling from media studies, videogame and cultural studies approaches, this book offers a new critical perspective on the issues raised by computer-mediated gambling, while expanding our perspective on what media and gambling are. In particular, it critically analyses terrestrial, mobile and online slot machines, online poker and stock trading apps through a selection of case studies.
