Multiple Multisensory Rooms: Myth Busting the Magic Joanna Grace,2019-09-30

Multisensory rooms are widely used across the country in schools, care settings, hospitals and homes. Even settings such as football stadiums and airports are installing multisensory environments. Nevertheless, a significant lack of effective research has led to a sense of unease around sensory rooms. This crucial book explores the use of multisensory rooms in order to ease that anxiety; taking the mystery out of multisensory rooms, and supporting the reader to reflect and make the most out of their space. Key features include: Guidance on creating sensory spaces on any budget, to suit any level of need. An overview of the history of multisensory rooms, and a detailed exploration of the actual way in which the rooms are used today. A framework for evaluating existing practices and equipment, in order to maximise the potential of the room. A focus on the practitioner as the most important piece of 'equipment' in any sensory room. Written by a leading sensory specialist in a fully accessible way, this book is an invaluable tool for anybody who uses, or is considering using, a multisensory room.

That Magic Feeling John C. Winn,2009-06-16 From Revolver to Let It Be, *That Magic Feeling: The Beatles Recorded Legacy, Volume Two, 1966–1970*, continues the chronicle of the group's spectacular career from its creative zenith to its irrevocable split. As the Beatles moved into the mid and late 1960s, their collective and individual musical talent and innovations evolved at an unparalleled pace. Like its companion volume, *Way Beyond Compare: The Beatles' Recorded Legacy, Volume One, 1957–1965*, this unique work thoroughly chronicles all known and available Beatles recordings during this period of incredible creative growth. Have you ever watched a Beatles film clip and wondered: • Where was that filmed? • Is any more of that footage available? Have you ever heard a Beatles interview and asked: • When was that taped? • Where's the best place to find the complete recording? *That Magic Feeling* answers these and thousands of similar questions. With more than 500 entries, it includes recording sessions, concerts, newsreel footage, press clips, TV

and film performances, home movies, radio interviews, documentaries, studio outtakes, home demos, and alternative mixes—all of which are given complete coverage for the first time. Author John C. Winn has spent two decades poring over, scrutinizing, organizing, and analyzing hundreds of hours of audio and video recordings and compiling them into a digestible chronological framework, creating the ultimate reference guide to the Beatles' legendary musical and cultural evolution.

Guitar Notes Mary Amato, 2012-07-01 On odd days, Tripp uses a school practice room to let loose on a borrowed guitar. Eyes closed, strumming that beat-up instrument, Tripp escapes to a world where only the music matters. On even days, Lyla Marks uses the same practice room. To Tripp, she's trying to become even more perfect—she's already a straight-A student and an award-winning cellist. But when Lyla begins leaving notes for him in between the strings of the guitar, his life intersects with hers in a way he never expected. What starts as a series of snippy notes quickly blossoms into the sharing of interests and secrets and dreams, and the forging of a very unlikely friendship. Challenging each other to write songs, they begin to connect, even though circumstances threaten to tear them apart. From beloved author Mary Amato comes a YA novel of wit and wisdom, both heartfelt and heartbreaking, about the power of music and the unexpected chords that draw us together.

The Jumbies Tracey Baptiste, 2016-04-26 Corinne La Mer claims she isn't afraid of anything. Not scorpions, not the boys who tease her, and certainly not jumbies. They're just tricksters made up by parents to frighten their children. Then one night Corinne chases an agouti all the way into the forbidden forest, and shining yellow eyes follow her to the edge of the trees. They couldn't belong to a jumbie. Or could they? When Corinne spots a beautiful stranger at the market the very next day, she knows something extraordinary is about to happen. When this same beauty, called Severine, turns up at Corinne's house, danger is in the air. Severine plans to claim the entire island for the jumbies. Corinne must call on her courage and her friends and learn to use ancient magic she didn't know she possessed to stop Severine and to save her island home.

Visionary Shamanism Linda Star Wolf, Anne Dillon, 2011-10-19 Shamanic practices to access your spiritual blueprint, communicate with the universal mind, and transform in to your highest spiritual self • Explains how to tune in to imaginal cells to heal the past, activate the shaman within, and download information from the future • Includes shamanic breathwork practices and rituals to open access to your spiritual blueprint--the hologram of who your highest, best self is meant to be--and be more potent and powerful in the present We are in a highly transitional time on Earth as old structures break down in preparation for the new world that is coming. The accelerated pace of this time of spiritual evolution is forcing each of us to awaken the shaman within and reach our highest potential as quickly as possible. We no longer have the luxury of learning only from the past--we must also download information from the future in order to be fully present, fully conscious, in our most embodied and best self now. Incorporating the wisdom teachings of

Seneca Wolf Clan Grandmother Twylah Nitsch with shamanic journeys and shamanic breathwork practices, Linda Star Wolf and Anne Dillon explain how to heal the past, learn from the future, and activate the imaginal cells within our human energy field. Imaginal cells are the energies of what has already happened and will happen stored in the blueprint of the invisible world. By tuning in to these imaginal cells, you can open access to your spiritual blueprint--the hologram of who your highest, best self is meant to be--and accelerate your evolutionary potential in this lifetime. Including information received by Star Wolf from the future, the book explores how to develop a communication link with the universe, receive guidance from the universal mind, and draw information from the future to be more potent and powerful in the present, live in harmony with one another and the planet, and fully prepare yourself for the new world to come.
