*The Third Tower Up from the Road* Kevin Dolgin, 2009-06-01 The Third Tower Up from the Road is a humorous and entertaining collection of travel essays made up of old favorites as well as new commentaries from Kevin Dolgin's popular McSweeney's Internet Tendency column, Kevin Dolgin Tells You About Places You Should Go. The work celebrates the distinctive qualities of locales the world over, and each globetrotting essay focuses on a specific place, capturing the flavors and cultures through individual observations and exceptional experiences. Funny, irreverent, and insightful, these writings eschew the bland, touristy veneer experienced by most travelers as they seek to discover what is special and unique about each destination. Covering a wide range of places and interests, from unusual experiences and humorous traveler's foibles to voyages that are intensely personal and moving, the selected columns include The Best Falafel in the World: Beirut, Lebanon, The Door to Hell: Paris, France, Kafka's Erotic Dream: Prague, Czech Republic, The Nesting Habits of Roman Cars: Rome, Italy, Of Romans and Pussycats: Provence, France, and The Third Tower Up from the Road: Huanghuacheng, China. Also featured is The Corsican Swallowtail: Corsica, France, which was nominated for a Pushcart Prize.

**Voyages of Fortune Book One: Hidden Truths** Andrew Anzur Clement, 2018-06-06 Divergent times. Distant lands. Different missions. One gambit. In Austro-Hungary, 1898: a sickly girl discovers a bundle of instructions addressed to her by a legendary nobleman, who lived centuries ago. He entrusts her with a powerful ring and mission to protect the world from the ambitions of both factions of a mystical power struggle. It will require her to embark on a quest that will cause her own culture to reject her; the girl knows she has to accept. Now an outcast, she must outwit the Society's and the Urumi's evil designs as she attempts to alter a series of magical devices that can give anyone the power to control the world. In Thailand, 2004: Mei Hua and Mark, two unvalued interns, are swept out to sea by a giant wall of water. They are rescued by a space-folding sailing ship, crewed by a gang of pirates. To survive, Mark and Mei

are required to join forces with the mercenaries and fight to retrieve another powerful object that -- known only to the ship's enigmatic captain -- can make the world descend into chaos. Trapped on the strange ship, Mei and Mark must find it within themselves to keep this artifact from falling into the wrong hands - assuming they can determine whose hands those are. In Russia, 1889: Natalia, the untested heir of her gypsy camp, finds herself in charge when her grandmother is abducted by an enemy her troop is not prepared to fight. The situation seems hopeless; from a secret buried deep in her past, Natalia knows it is her fault. Then a mysterious note from a sender she does not know offers an impossible way out - one that will doom her troop to slavery, or worse, if it fails. Natalia must find her inner courage and overcome the demons of her past if she is to lead her troop to salvation. These are the Voyagers. Each believes they are working for their own ends. They are dead wrong. They have unknowingly become pawns in a centuries-spanning gambit to control time and the world itself. Their paths are about to cross. All that remains to be seen is: who is really about to take over? The Voyages of Fortune trilogy is an eons-spanning, time travel adventure, set in the Keepers of the Stone historical fantasy universe. Its expansive story connects the royalty of the European Middle Ages with a pirate ship, sailing the high seas of the twenty-first century Indian Ocean. A thrilling adventure of self-discovery where nothing is as it seems. When nothing is certain, the only one you can rely on is yourself. **#GIRLBOSS** Sophia Amoruso,2014-05-06 In the New York Times bestseller that the Washington Post called "Lean In for misfits," Sophia Amoruso shares how she went from dumpster diving to founding one of the fastest-growing retailers in the world. Amoruso spent her teens hitchhiking, committing petty theft, and scrounging in dumpsters for leftover bagels. By age twenty-two she had dropped out of school, and was broke, directionless, and checking IDs in the lobby of an art school—a job she'd taken for the health insurance. It was in that lobby that Sophia decided to start selling vintage clothes on eBay. Flash forward to today, and she's the founder of Nasty Gal and the founder and CEO of Girlboss. Sophia was never a typical CEO, or a typical anything, and she's written **#GIRLBOSS** for other girls like her: outsiders (and insiders) seeking a unique path to success, even when that path is windy as all hell and lined with naysayers.

**#GIRLBOSS** proves that being successful isn't about where you went to college or how popular you were in high school. It's about trusting your instincts and following your gut; knowing which rules to follow and which to break; when to button up and when to let your freak flag fly. "A witty and cleverly told account . . . It's this kind of honest advice, plus the humorous ups and downs of her rise in online retail, that make the book so appealing." —Los Angeles Times "Amoruso teaches the innovative and entrepreneurial among us to play to our strengths, learn from our mistakes, and know when to break a few of the traditional rules." —Vanity Fair "**#GIRLBOSS** is more than a book . . . **#GIRLBOSS** is a movement." —Lena Dunham
