Encyklopédia dramatických umení Slovenska Rudolf Mrlan,Jozef Vladár,1989

The Digital Turn Wim Westera,2012-12 This book is about digital media. Even more, the book is about us. It explains how the ever-growing flood of digital media affects our perceptions of the world, change our behaviors and eventually transform our very existence. In the era of Facebook, Twitter, Google, and Apple, being online is the standard. We spend many hours a day gazing at our screens, traversing the virtual realm, and posting our tweets, tags, and likes. Billions of years of evolution have prepared us for life at the savannas. It took us less than two decades to radically transform our biotope. Being online is no less than a fundamentally different mode of being. It is likely to produce a fragmented, detached, and distorted view of the world. What will be our understanding of the world when all certainties that result from living in a material world become useless? What will be our role and position when computer intelligence surpasses human intelligence? How can we avoid losing grip of the significance of identity, friendship, social engagement, and eventually life at large? The book explains the mechanisms and consequences of engaging in online spaces. It offers an accessible means for attaining a better understanding of the ways digital media influence our lives. It is a compact guide to becoming media literate and to preparing us for the advanced digital services that are yet to come. This makes the book an indispensable aid for every twenty-first-century citizen.

Fame, Fate, and the First Kiss Kasie West,2019-02-05 Fan favorite author Kasie West delivers an effervescent story about chasing your dreams and following your heart, perfect for fans of Jenny Han and Huntley Fitzpatrick. Lacey Barnes has dreamed of being an actress for as long as she can remember. So when she gets the opportunity to star in a movie alongside one of Hollywood's hottest actors, she doesn't hesitate to accept the part. But Lacey quickly learns that life in the spotlight isn't as picture perfect as she imagined. She's having trouble bonding with her costars, her father has hired the definition of a choir boy, Donavan Lake, to tutor her, and somewhere along the way she's lost her acting mojo. And just when it seems like things couldn't get any worse, it looks like someone on set is deliberately trying to sabotage her. As Lacey's world spins out of control, it feels like the only person she can count on—whether it's helping her try to unravel the mystery of who is out to get her or snap her out of her acting funk—is Donavan. But what she doesn't count on is this straight-laced boy becoming another distraction. With her entire future riding on this movie, Lacey knows she can't afford to get sidetracked by a crush. But for the first time in her life Lacey wonders if it's true that the best stories really do happen when you go off script.

The Pirates! In an Adventure with Scientists Gideon Defoe,2012-01-05 Just make sure we've got plenty of hams on board. I didn't really enjoy our last adventure much because we ran out of hams about halfway through. And what's my motto? I like ham! It is 1837, and for the luxuriantly bearded Pirate Captain and his rag-tag pirate crew, life on the high seas has gotten a little dull. With nothing to do but twiddle their hooks and lounge aimlessly on tropical beaches, the Captain decides it's time they had an adventure. A surprisingly successful boat raid leads them to the young Charles Darwin, in desperate need of their help. And so the pirates set forth for London in a bid to save the scientist from the evil machinations of a diabolical Bishop. There they encounter grisly murder, vanishing ladies, the Elephant Man - and have an exciting trip to the zoo.

The Vigilante John Steinbeck,2018-02 The papers all said he was a fiend. I read all the papers. That's what they all said.' One of America's greatest writers explores mob violence, voyeurism and betrayal in these unforgettable tales of Californian life.

Easy Learning French Vocabulary: Trusted support for learning (Collins Easy Learning) Collins Dictionaries,2016-05-05 The quickest way to study the essential French words and the perfect companion to titles in the ever-popular Easy Learning French range.

Perspectives on Language Structure and Language Change Lars Heltoft,Iván Igartua,Brian D. Joseph,Kirsten Jeppesen Kragh,Lene Schøsler,2019-06-15 This volume centers on three important theoretical concepts for the study of language change and the ways in which language structure emerges and turns into new structure: reanalysis, actualization, and indexicality. Reanalysis is a part of ongoing everyday language use, a process through which language is reproduced and changed. Actualization refers to the processes through which a reanalyzed structure spreads throughout single communities and society. Indexicality covers the way in which parts of a linguistic system can point to other parts of the system, both syntagmatically and paradigmatically. The inclusion of indexicality leads to fine-grained analysis in morphology, word order, and constructional syntax.

Conversational German Dialogues Lingo Mastery,2019-04-28 Is conversational German turning a little too tricky for you? Do you have no idea how to order a meal or book a room at a hotel? If your answer to any of the previous questions was 'Yes', then this book is for you! If there's even been something tougher than learning the grammar rules of a new language, it's finding the way to speak with other people in that tongue. Any student knows this - we can try our best at practicing, but you always want to avoid making embarrassing mistakes or not getting your message through correctly. How do I get out of this situation? many students ask themselves, to no avail, but no answer is forthcoming. Until now. We have compiled MORE THAN ONE HUNDRED conversational German stories for beginners along with their translations, allowing new German speakers to have the necessary tools to begin studying how to set a meeting, rent a car or tell a doctor that they don't feel well. We're not wasting time here with conversations that don't go anywhere: if you want to know how to solve problems (while learning a ton of German along the way, obviously), this book is for you! How Conversational German Dialogues works: Each new chapter will have a fresh, new story between two people who wish to solve a common, day-to-day

issue that you will surely encounter in real life. An German version of the conversation will take place first, followed by an English translation. This ensures that you fully understood just what it was that they were saying. Before and after the main section of the book, we shall provide you with an introduction and conclusion that will offer you important strategies, tips and tricks to allow you to get the absolute most out of this learning material. That's about it! Simple, useful and incredibly helpful; you will NOT need another conversational German book once you have begun reading and studying this one! We want you to feel comfortable while learning the tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of Conversational German Dialogues and start learning German right now!

How to Be a Bawse Lilly Singh, 2017-03-28 *Winner of the 2017 Goodreads Choice Awards: Non-Fiction Book of the Year!* The official debut book from YouTube phenomenon Lilly Singh. 'The ultimate no-nonsense manual for millennials how how to make it to the top' Marie Claire From actress, comedian and YouTube sensation Lilly Singh (aka Superwoman) comes the definitive guide to being a BAWSE - a person who exudes confidence, reaches goals, gets hurt efficiently, and smiles genuinely because they've fought through it all and made it out the other side. Told in her hilarious, bold voice that's inspired over 9 million fans, and using stories from her own life to illustrate her message, Lilly proves that there are no shortcuts to success. WARNING: This book does NOT include hopeful thoughts, lucky charms, and cute quotes. That's because success, happiness and everything else you want in life needs to be fought for - not wished for. In Lilly's world, there are no escalators. Only stairs.

Kniha ,2000

Ever Green Is-- Pavel Vilikovský, 2002 Hailed as one of the most important Eastern European writers of the post-Communist era, Pavel Vilikovsky actually began his career in 1965. But the political content of his writing and its straightforward treatment of such taboo topics as bisexuality kept him from publishing the works collected here until after the Velvet Revolution.

Czech Fashion 1940-1970 Konstantina Hlaváčková, 2000

German Short Stories for Beginners Book 5 Learn Like A Native, 2021-02-18 Forget about boring lectures on grammar and endless vocabulary lists. With the help of this book, English speakers like you can easily learn German and immerse themselves in it without having to leave the country!

Collins Italian with Paul Noble Paul Noble, 2011-01-01 LANGUAGE SELF-STUDY TEXTS. Collins Italian with Paul Noble combines an exciting, new non-traditional approach to language learning with the easy, relaxed appeal of an audio-only product. No books. No rote memorisation. No chance of failure. With Paul Noble, everyone really can speak a language. Listen to over 13 hours of audio on 12 CDs, then use the accompanying booklet as a reference and revision tool. A native-speaking Italian expert helps Paul to deliver the course and to perfect your pronunciation. There is also a free introductory DVD to give you an insight into how the Paul Noble method works. No complicated grammatical explanations, no rote memorisation, no writing -- no stress. Learn over 6,000 words in no time at all and -- most importantly -- learn how to make your new vocabulary work for you.
