The Dumb Things Smart People Do with Their Money Jill Schlesinger, 2019-02-05 You're smart. So don't be dumb about money. Pinpoint your biggest money blind spots and take control of your finances with these tools from CBS News Business Analyst and host of the nationally syndicated radio show Jill on Money, Jill Schlesinger. "A must-read . . . This straightforward and pleasingly opinionated book may persuade more of us to think about financial planning."—Financial Times Hey you . . . you saw the title. You get the deal. You're smart. You've made a few dollars. You've done what the financial books and websites tell you to do. So why isn't it working? Maybe emotions and expectations are getting in the way of good sense—or you're paying attention to the wrong people. If you've started counting your lattes, for god's sake, just stop. Read this book instead. After decades of working as a Wall Street trader, investment adviser, and money expert for CBS News, Jill Schlesinger reveals thirteen costly mistakes you may be making right now with your money. Drawing on personal stories and a hefty dose of humor, Schlesinger argues that even the brightest people can behave like financial dumb-asses because of emotional blind spots. So if you've saved for college for your kids before saving for retirement, or you've avoided drafting a will, this is the book for you. By following Schlesinger's rules about retirement, college financing, insurance, real estate, and more, you can save money and avoid countless sleepless nights. It could be the smartest investment you make all year. Praise for *The Dumb Things Smart People Do with Their Money* "Common sense is not always common, especially when it comes to managing your money. Consider Jill Schlesinger's book your guide to all the things you should know about money but were never taught. After reading it, you'll be smarter, wiser, and maybe even wealthier."—Chris Guillebeau, author of *Side Hustle* and *The \$100 Startup* "A must-read, whether you're digging yourself out of a financial hole or stacking up savings for the future, *The Dumb Things Smart People Do with Their Money* is a personal finance gold mine loaded with smart financial nuggets delivered in Schlesinger's straight-talking, judgment-free style."—Beth Kobliner, author of *Make Your Kid a Money Genius (Even If You're Not)* and *Get a Financial Life*

Personal Finance Vickie L Bajtelsmit, 2024-04 With the highest inflation in decades, her graduation cohort faced much higher costs for rent and food, without the benefit of similarly higher salary offers. Many of her friends, particularly those who had high levels of student loan and credit card debts, decided to move back home with their families temporarily to help make ends meet. Recent evidence suggests that as many as 20 percent of young adults are now living with their parents—about twice as many as did so in past decades. In fact, as more kids come home to roost with their Baby Boom parents, it's increasingly common to hear them called the boomerang generation--

Money Smart Ted Hunter, 2010-10-15 Winner of the Eric Hoffer Book Award, *Money Smart* delivers a better approach to personal money management with a simple and accessible style. Author Ted Hunter shows readers that they are capable of managing their money better than anyone else, including financial professionals. He first exposes the destructive myths and system-wide incompetence that have dominated money management advice for decades. Hunter then empowers readers by providing the information they need to make their own decisions.

Smart is the New Rich Christine Romans, 2015-03-03 Time is on your side—smart money management for Millennials Smart is the New Rich: Money Guide for Millennials is an interactive, step-by-step guide to all things money. From credit, student debt, savings, investing, taxes, and mortgages, CNN's chief business correspondent Christine Romans shows this newest generation of earners how to build wealth. You'll learn the old-fashioned approach that leads to a healthier financial lifestyle, and open the door on a straightforward conversation about earning, saving, spending, growing, and protecting your money. You'll learn how to invest in the stock market or buy a home, even if you are still paying off student loan debt. Romans offers expert insight on the New Normal, and why the rules of the credit bubble—the one you were raised in—no longer apply. Checklists and quizzes help solidify your understanding, and pave the way for you to start putting these new skills into action. For thirty years, the financial rules for life revolved around abundant credit at the ready. A quick look around makes it obvious that those rules no longer work, and Millennials just now coming of age and entering the workforce need a new plan to build a solid financial foundation and healthy money habits. This book puts you on the right track, with step-by-step help and expert guidance. Learn what you should ask yourself before spending any money Revisit some old money rules that are actually good habits See simple rules for managing student debt Learn how to talk about money with friends, dates, and parents Find out what makes a Millennial successful in the workforce The economy is out of recession and growing, but many young people feel left out of the recovery. It's why smart spending, saving, and debt management is so critical right now for them. A smart money plan is no longer a nice to have extra, it's mandatory. Smart is the New Rich: Money Guide for Millennials is your guide on how to use time and some good money manners to build wealth.
