Body Piercing and Tattooing Robert Z. Cohen, 2013-07-15 With body piercing and tattooing becoming more popular and mainstream, many teens may think about engaging in these forms of body modification. An excellent resource for young people pondering a piercing or tattoo, this title presents some of the pros and cons they should consider. In an honest and engaging manner, the author presents important information teens need to protect their health, including how to identify a reputable studio, what to expect from the procedures, and how to do proper aftercare. Legal, social, and familial issues are explored, too, including the importance of discussing the decision with their parents and choosing tattoos or piercings they can live with throughout adulthood.

The SAGE Encyclopedia of the Internet Barney Warf, 2018-05-15 The Internet needs no introduction, and its significance today can hardly be exaggerated. Today, more people are more connected technologically to one another than at any other time in human existence. For a large share of the world's people, the Internet, text messaging, and various other forms of digital social media such as Facebook have become thoroughly woven into the routines and rhythms of daily life. The Internet has transformed how we seek information, communicate, entertain ourselves, find partners, and, increasingly, it shapes our notions of identity and community. The SAGE Encyclopedia of the Internet addresses the many related topics pertaining to cyberspace, email, the World Wide Web, and social media. Entries will range from popular topics such as Alibaba and YouTube to important current controversies such as Net neutrality and cyberterrorism. The goal of the encyclopedia is to provide the most comprehensive collection of authoritative entries on the Internet available, written in a style accessible to academic and non-academic audiences alike.

Living Canvas Karen Hudson, 2009-09-01 Tattoos. Given their permanence, why is it that we

Living Canvas is a resource for body art enthusiasts, whether you're thinking about getting your first or fifth tattoo, planning for your next bod-mod, or regretting a negative experience. Transforming one's body into a living canvas should not be taken lightly, and Hudson covers the topics that too many people overlook. Encouraging readers to make safe, smart body art choices, Living Canvas is informative, preventative, and educational.

A Dee Henderson 3-in-1 Collection: The Witness / Before I Wake / Kidnapped Dee Henderson, 2017-08-08 This Collection bundles 3 of Dee Henderson’s popular romantic suspense

novels into one e-book for a great value! The Witness Police Chief Luke Granger's witness to a murder, Amy Griffin, has been on the run for years. Her family thinks she was murdered eight years ago, but Amy chose to accept a life in the shadows in order to protect her sisters' lives. Now unveiled secrets about their father have thrust the sisters into the public spotlight. The man who wants Amy dead now sees her sisters as the way to locate her. Luke and two of his homicide detectives are determined to stand in the way. They are each falling in love with a different sister, and it's become a personal mission to keep them safe. But chances are that at least one of them will fail, and facing the future will take a faith deeper than any of them currently knows. Before I Wake The sheriff of Justice, Illinois, is hunting a killer. Women visiting town are being murdered, tourists in nice hotels, money still in their billfolds, jewelry still on the dresser. Quiet kills—they go to sleep and never awaken. The sheriff is not pleased to find the new detective in town, Rae Gabriella, working the case on behalf of one of the families. She's staying in the same hotel as one of the victims—and her looks suggest she could be the next victim. Kidnapped Someone snatched his cousin's wife and son. FBI agent Luke Falcon is searching for a kidnapper and sorting out the crime. He's afraid it's the work of a stalker. He's afraid they're already dead. And he'll do anything required to get them back alive . . . but he didn't plan on falling in love with the only witness. This stand-alone title is a repackaging of True Courage, the fourth book in the Uncommon Heroes series.
