The Best XI Geoffrey Boycott, 2009-05-28 Who'd make it into the best England team ever? And you can choose anyone, regardless of when they might have played. Would W.G. Grace be playing alongside Denis Compton and David Gower? Or Kevin Pietersen? The debate could be endless, so who better to make the selection than Geoffrey Boycott, himself one of England's all-time highest scoring Test batsmen and now the game's most forthright, shrewd and iconoclastic commentator. Based on his own fresh analysis and interpretation of the statistics, Boycott has come up with his own, sometimes surprising Best Eleven of all time. And he's not just cast a critical eye over England's finest either. Every other test-playing nation comes under the spotlight. You may not agree - in fact, you're almost certain not to - but each player has been carefully chosen and the case for his inclusion forcefully argued in what is sure to be the most entertaining, thought-provoking and memorable cricket books of the year from one of the game's most outspoken and enduring characters.

Closer You Are Matthew Cutter, 2018-08-21 The authorized biography of Robert Pollard, indie rock icon and founder of the music group Guided By Voices Robert Pollard has been a staple of the indie rock scene since the early '80s, along with his band Guided By Voices. Pollard was a longtime grade school teacher who toiled endlessly on his music, finding success only after adopting a do-it-yourself approach, relying on lo-fi home recordings for much of his and his band's career. A prolific artist, Pollard continues to churn out album after album, much to the acclaim of critics and his obsessive and devoted fans. But his story has never been faithfully told in its entirety. Until now. Author Matthew Cutter is a longtime friend of Pollard and, with Pollard's blessing, he's set out to tell the whole, true story of Guided By Voices. *Closer You Are* is the first book to take an in-depth look at the man behind it all, with interviews conducted by the author with Pollard's friends, family, and bandmates, along with unfettered access to Pollard himself and his extensive archives. Robert Pollard has had an amazing and seemingly endless career in rock music, but he's also established himself as a consummate artist who works on his own terms. Now fans can at long last learn the full story behind one of America's greatest living songwriters.
