**The Holiday Home Hotel** Lou Sylvre,2018-12-15 Daren Novak and Gunny Schuler have known each other since freshmen days at the University of Washington, where they'd started a romance Daren assumed would last. But at the start of winter break, Gunny bowed to the dictates of his lifelong religion and his overbearing father and left UW never to return.After a failed marriage, Gunny built a quiet life embracing his gay identity, and left his North Dakota home, his marriage, and his father's business for a forestry and teaching career in Oregon. Meanwhile, Daren has built up his own life around managing a unique holiday venue, the Holiday Home Hotel, and performing for the guests in drag as Dare.A decade has passed since they last saw each other, but now winter's harsh weather brings them face to face-helped along by a minor goddess and powerful forest spirit. Too much hurt might lie between them now to fix things, but interfering supernatural beings are determined to force them to try.Part of the 2018 Escape from the Holidays SeriesStay Awhile by Cassandra LeaBurning Down the House by Gregory NorrisThe Holiday Spirit by Carole CummingsSlow Thaw by J. **The Boss** Mike Upton,2009-05-12 The Boss is a work of fiction and Mike Upton's fourth novel. The book is a challenging story set in the world of business and tells how Helen Buckley an accountant by training and profession, attempts to fight her way to the top in a highly competitive and difficult corporate world controlled and dominated by men. It follows her early life, her many love affairs, her marriage and the reasons for its failure, as well as charting her progress as she struggles to prove that she is as good as a man in solving company problems and confronting business difficulties. Innovative in finding solutions to business problems she gains a reputation as an expert wheeler dealer which leads her to decide to branch out on her own by setting up her own business consultancy which soon becomes highly successful. However the stress of her business life leads her on an increasingly steep downward path towards alcoholism which threatens to destroy her business, her personal relationships and ultimately her life. Her battle against the ravages and effects of alcoholism are well and accurately documented, as are her attempts to overcome the effects of this awful illness. A moving and sensitive story, with an interesting twist in that there is a choice of endings.

**Ask a Manager** Alison Green,2018-05-01 From the creator of the popular website Ask a Manager and New York’s work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together
