

# Sniper 199

Scott McEwen, Thomas Koloniar

**Inside the Crosshairs** Col. Michael Lee Lanning, 2013-06-19 The American sniper could be regarded as the greatest all-around rifleman the world has ever known. . . . At the start of the war in Vietnam, the United States had no snipers; by the end of the war, Marine and army precision marksmen had killed more than 10,000 NVA and VC soldiers--the equivalent of an entire division--at the cost of under 20,000 bullets, proving that long-range shooters still had a place in the battlefield. Now noted military historian Michael Lee Lanning shows how U.S. snipers in Vietnam--combining modern technology in weapons, ammunition, and telescopes--used the experience and traditions of centuries of expert shooters to perfect their craft. To provide insight into the use of American snipers in Vietnam, Lanning interviewed men with combat trigger time, as well as their instructors, the founders of the Marine and U.S. Army sniper programs, and the generals to whom they reported. Backed by hard information and firsthand accounts, the author demonstrates how the skills these one-shot killers honed in the jungles of Vietnam provided an indelible legacy that helped save American lives in Grenada, the Gulf War, and Somalia and continues to this day with American troops in Bosnia.

**Sniper** Adrian Gilbert, 1996-02-15 From the evolution of the art, to firsthand accounts of legendary exploits, through the basics of sniper training, *Sniper* traces the development of these most feared hunters, marking their historical battles and their pivotal role in modern forces. Includes eight pages of authentic action photos.

Sniper Jon Wells, 2008-09-11 The True Story of Anti-Abortion Killer James Kopp *Sniper* opens in October 1998 near Buffalo, NY. A man is alone in the dark in a forest. He clutches an assault rifle and is thinking about his mission. You can cut holes in the fences around the death camps, he thinks. A trickle of relief in the abortion holocaust. It is your duty to do it. He nestles the rifle into his shoulder and shoots at his target through the back window of a house, then flees. Barnett Sepia, a doctor who provides abortions, is fatally wounded. The shooter is James Kopp, the son of a Marine, who came to embrace the pro-life cause and ultimately the notion of justifiable homicide: against abortion providers. Kopp fancies himself a lone wolf in the movement; a celibate man driven to defend the unborn. He is nicknamed Atomic Dog in the movement and helps orchestrate assaults on abortion clinics. As the story unfolds, he becomes the central figure in an international manhunt for multiple shootings in Canada. On the FBI's Top Ten Most Wanted list, Kopp flees to Mexico, Ireland, and France. Award-winning journalist Jon wells followed Kopp's footsteps, traveled to his hometown, and interviewed investigators in the U.S., Canada, Ireland, and France to tell this gripping detective story and dark

psychological drama.

**Marine Sniper** Charles Henderson,2001-10-01 The explosive true story of Sergeant Carlos Hathcock, a legendary Marine sniper in the Vietnam War. There have been many Marines. There have been many marksmen. But there has only been one Sergeant Carlos Hathcock. He stalked the Viet Cong behind enemy lines—on their own ground. And each time, he emerged from the jungle having done his duty. His record is one of the finest in military history, with ninety-three confirmed kills. This is the story of a simple man who endured incredible dangers and hardships for his country and his Corps. These are the missions that have made Carlos Hathcock a legend in the brotherhood of Marines. They are exciting, powerful, chilling—and all true. INCLUDES PHOTOGRAPHS

*Illustrated Manual of Sniper Skills* Mark Spicer,2016-11-30 This heavily illustrated manual provides a timely, in-depth review of the art of sniping in war and antiterrorist environments. Drawing on a vast, firsthand knowledge of sniper skills, former British Army sniper and sniper instructor Mark Spicer describes the role of the sniper in peace and in war, in reconnaissance and counter-surveillance, in cities, in vehicles, at night and by day. He presents crucial information about training and equipment, judgment and positioning, details of great relevance to professional marksmen, both military and law enforcement. This comprehensive manual will also be of interest to hunters, weapons enthusiasts, competition shooters, and paintball participants. The book is complimented by 280 full color illustrations, diagrams, and related information.

*The Master Sniper* Stephen Hunter,2010-08-18 In the death throes of World War II, one man is still at war, and he's got got the world's deadliest weapon in his hands . . . With a sniper's rifle he has calmly executed hundreds of enemy soldiers in a single battle, and gunned down thousands of innocent civilians in a single day, waiting patiently for the barrel of his gun to cool before resuming his craft . . . It is the spring of 1945. And Repp, the master sniper, is about to carry out his final mission—even as Germany's enemies overrun it, even while a tired, disorganized team of American and British agents tries everything in its power to stop him. Because for Repp, this is the one job at which he cannot fail. For this time, he possesses the ultimate killing tool. And with it, he will commit the ultimate crime. . . . Praise for *The Master Sniper* “Mesmerizing suspense.”—Kirkus Reviews “Hunter is a deft craftsman with a sure sense of pace and scene. He also knows about irony and sprinkles just a bit over every corpse.”—The Washington Post “Stephen Hunter is the best writer of straight-out thrillers working today.”—Rocky Mountain News

*Special Forces Sniper Skills* Robert Stirling,2012-12-20 *Special Forces Sniper Skills* is a hard

hitting account of the men, weapons and techniques used to coldly eliminate high value targets on the battlefield. Though many books have become best-sellers through telling one side of the story – a sniper's experiences, a training manual or a weapons catalogue – none before have combined the whole spectrum of a sniper's life and skills into one gripping book. This book examines the role of the sniper, and the unique skills employed, when serving as part of a Special Forces unit including the British SAS, the US Navy Seals and the Russian Spetznaz. The book is illustrated with photographs of every aspect of the sniper's trade and stories from the real-life experiences of the author's comrades: men who have served in almost every overt and covert conflict since World War II.

13 Cent Killers John Culbertson, 2007-12-18 “It’s not easy to stay alive with a \$1,000 bounty on your head.” In 1967, a bullet cost thirteen cents, and no one gave Uncle Sam a bigger bang for his buck than the 5th Marine Regiment Sniper Platoon. So feared were these lethal marksmen that the Viet Cong offered huge rewards for killing them. Now noted Vietnam author John J. Culbertson, a former 5th Marine sniper himself, presents the riveting true stories of young Americans who fought with bolt rifles and bounties on their heads during the fiercest combat of the war, from 1967 through the desperate Tet battle for Hue in early '68. In spotter/shooter pairs, sniper teams accompanied battle-hardened Marine rifle companies like the 2/5 on patrols and combat missions. Whether fighting their way out of a Viet Cong “kill zone” or battling superior numbers of NVA crack troops, the sniper teams were at the cutting edge in the art of jungle warfare, showing the patience, stealth, combat marksmanship, and raw courage that made the unit the most decorated regimental sniper platoon in the Vietnam War. Harrowing and unforgettable, these accounts pay tribute to the heroes who made the greatest sacrifice of all—and leave no doubt that among 5th Marine snipers uncommon valor was truly a common virtue.

Ghost Sniper Scott McEwen, Thomas Koloniar, 2017-05-30 In the next thrilling installment of the non-stop action Sniper Elite series from the coauthor of the #1 New York Times bestseller American Sniper, a top secret band of elite warriors are forced to take a side in the Mexican narco wars. Bob Pope, the director of an American secret intelligence anti-terrorist program, loses contact with his most trusted operative, Navy Master Chief Gil Shannon, fearing him dead when a mission to take out a Swiss banker who is channeling funds to Muslim extremists goes awry. But when an American politician and her convoy are assassinated in Mexico City by the Ghost Sniper—an American ex-military gunman for hire employed by Mexico's most ruthless drug cartel—Pope must turn to retired Navy SEAL Daniel Crosswhite and the newest Sniper Elite hero, ex-Green Beret Chance Vaught, to

track down the assassin and expose the corrupt officials behind the murderous plot. The newest heart-pounding *Sniper Elite* thriller takes you on an action-packed adventure to both sides of the Atlantic, filled with the intrigue and movie-worthy warfare fans of the series have come to know and love--

**The Political Economy of Hollywood** James McMahon, 2022-02-25 In Hollywood, the goals of art and business are entangled. Directors, writers, actors, and idealistic producers aspire to make the best films possible. These aspirations often interact with the dominant firms that control Hollywood film distribution. This control of distribution is crucial as it enables the firms and other large businesses involved, such as banks that offer financing, to effectively stand between film production and the market. This book analyses the power structure of the Hollywood film business and its general modes of behaviour. More specifically, the work analyses how the largest Hollywood firms attempt to control social creativity such that they can mitigate the financial risks inherent in the art of filmmaking. Controlling the ways people make or watch films, the book argues, is a key element of Hollywood's capitalist power. Capitalist power—the ability to control, modify, and, sometimes, limit social creation through the rights of ownership—is the foundation of capital accumulation. For the Hollywood film business, capitalist power is about the ability of business concerns to set the terms that will shape the future of cinema. For the major film distributors of Hollywood, these terms include the types of films that will be distributed, the number of films that will be distributed, and the cinematic alternatives that will be made available to the individual moviegoer. Combining theoretical analysis with detailed empirical research on the financial performance of the major Hollywood film companies, the book details how Hollywood's capitalist goals have clashed with the aesthetic potentials of cinema and ultimately stymied creativity in the pursuit of limiting risk. This sharp critique of the Hollywood machine provides vital reading for students and scholars of political economy, political theory, film studies, and cinema.

**Kill Zone** Jack Coughlin, Donald A. Davis, 2007-11-13 From the authors of the New York Times bestseller *Shooter: The Autobiography of the Top Ranked Sniper* comes a story with all the same action and drama.

*Sniper* Peter Brooksmith, 2001-04-22 Tracing the role of the sniper from the time of the English Civil War and the American Revolution to the Gulf War and Bosnia, this book also goes behind the scenes at the world's top sniper schools and includes real-life anecdotes and detailed information on sniper rifles and ammunition. 100+ color and b&w photos.

**Sniper** Gina Cavallaro, Matt Larsen, 2010-09-01 Heart-pounding real-life tales from the military's

most experienced snipers, the best of the best snipers in action today. Gunfights, long distance shots, stalking, and more.

*Vietnam, the Making of a Sniper* Jerry Melvin Mitchem, 2010 No other single force in Vietnam put as much fear into the hearts of the enemy nor gained his respect more than the American snipers. This is a story about one such Marine sniper team, in 1964/65 Delta-Two- Foxtrot who helped blazed the trail, gave their best, who hunted the enemy in its own back yard, took out assigned targets without the Viet Cong knowing they were present. Who was feared, hated and yet respected by the Viet Cong. The sniper team was hunted and chased for days and used every trick they knew to get back to base alive. Some teams made it back and still some brave heroes didn't. Semper Fi

**Shooter** Sgt. Jack Coughlin, Casey Kuhlman, Donald A. Davis, 2007-04-01 The phenomenal New York Times bestseller *Shooter* captures a professional sniper's life, both on the battlefield--where he has racked up more than 60 confirmed kills--and off. Jack Coughlin is the Marine Corps' top-ranked sniper, the man who personally brings America's military muscle to the enemy's front door. In twenty years of active service, he has accumulated one of the most impressive records in the Corps, ranging through many of the world's hot spots. During Operation Iraqi Freedom alone, he recorded at least thirty-six kills, thirteen of them in a single twenty-four-hour period. In *Shooter*, Coughlin has written a highly personal story about his deadly craft, taking readers deep inside an invisible society that is off-limits to outsiders. This is not a heroic battlefield memoir, but the careful study of an exceptional man as he carries forward one of the deadliest legacies in the U.S. military.

*Shock Factor* Sgt. Jack Coughlin, John R. Bruning, 2014-10-28 A retired marine sniper and an award-winning journalist present an insider's assessment of America's sniper force to challenge popular misconceptions and pay tribute to the snipers who made pivotal contributions during the War on Terror.

**Long Shot** Jack Coughlin, Donald A. Davis, 2016-08-16 A Russian defector baits the U.S. in an attempt to regain its empire in this enthralling new novel in the bestselling Kyle Swanson sniper series.

*Hunters* Milo S. Afong, 2011-06-07 The war on terror--fought shot by shot, bullet by bullet, kill by kill. The ongoing War on Terror is unlike any conflict the United States Armed Forces have fought. There are no set battles. The enemy adheres to no warrior code or international law. Their only desire is to kill--or be killed. That's where the snipers of the U.S. Marine, Army, and Navy SEALs come in. Here in their own words are the compelling and gripping true stories of the snipers whose sole purpose is to eliminate any and all enemy threats with a single bullet. From the deserts and rubble-

strewn streets of Iraq to the endless labyrinth of the remote Afghanistan mountain country, this is life and death beyond the front lines of battle and behind the scope of a high-powered rifle.

*Crosshairs on the Kill Zone* Charles W. Sasser, Craig Roberts, 2004-07-01 From the jungles of Vietnam to the unforgiving deserts of Afghanistan and Iraq, one breed of soldier has achieved legendary status in the arena of combat—the sniper. From the authors of the classic sniper chronicle *One Shot-One Kill* comes a new generation of true tales from some of the most expert and deadly marksmen in the world. Meet Adelbert Waldron II, whose 109 confirmed kills in Vietnam made him the most successful sniper in American military history, and Tom Moose Ferran, who coined the term *Fetch!*, whereupon the infantry would retrieve the sniper's dead quarry. Also included are stories from snipers in Beirut, the Bosnian conflict, and both wars with Iraq—including the feat of Sergeants Joshua Hamblin and Owen Mulder, who took down thirty-two enemy soldiers in a single day outside Baghdad in 2003. The military sniper has evolved into one of the most dangerous and highly-skilled warrior professions. They suffer through weather, terrain, and enemy action, lay unmoving for days on end, and take out their targets with unerring accuracy—proving that the deadliest weapon in any battle, anywhere in the world, is a single well-aimed shot.

Sniper's Honor Stephen Hunter, 2014-05-20 In this tour de force—part historical thriller, part modern adventure—from the New York Times bestselling author of *I, Sniper*, Bob Lee Swagger uncovers why World War II's greatest sniper was erased from history...and why her disappearance still matters today. Ludmilla “Mili” Petrova was once the most hunted woman on earth, having raised the fury of two of the most powerful leaders on either side of World War II: Joseph Stalin and Adolf Hitler. But Kathy Reilly of *The Washington Post* doesn't know any of that when she encounters a brief mention of Mili in an old Russian propaganda magazine, and becomes interested in the story of a legendary, beautiful female sniper who seems to have vanished from history. Reilly enlists former marine sniper Bob Lee Swagger to parse out the scarce details of Mili's military service. The more Swagger learns about Mili's last mission, the more he's convinced her disappearance was no accident—but why would the Russian government go to such lengths to erase the existence of one of their own decorated soldiers? And why, when Swagger joins Kathy Reilly on a research trip, is someone trying to kill them before they can find out? As Bob Lee Swagger, “one of the finest series characters ever to grace the thriller genre, now and forever” (*Providence Journal-Bulletin*), races to put the pieces together, *Sniper's Honor* takes readers across oceans and time in an action-packed, compulsive read.

As recognized, adventure as capably as experience more or less lesson, amusement, as competently as union can be gotten by just checking out a book **Sniper 199** with it is not directly done, you could put up with even more regarding this life, more or less the world.

We offer you this proper as competently as easy mannerism to acquire those all. We provide **Sniper 199** and numerous book collections from fictions to scientific research in any way. in the course of them is this **Sniper 199** that can be your partner.

### Sniper 199 Introduction

In today's digital age, the availability of Sniper 199 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sniper 199 books and manuals for download, along with some popular platforms that

offer these resources. One of the significant advantages of Sniper 199 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sniper 199 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sniper 199 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sniper 199 books and

manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sniper 199 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sniper 199 books and

manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sniper 199 books and manuals for download and embark on your journey of knowledge?

### FAQs About Sniper 199 Books

#### 1. Where can I buy Sniper 199 books?

Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.

#### 2. What are the different book formats

available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books

available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.

3. How do I choose a Sniper 199 book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.

4. How do I take care of Sniper 199 books?

Storage: Keep them away from direct sunlight and in a dry environment.

Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.

5. Can I borrow books without buying them?

Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.

6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Sniper 199 audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.

10. Can I read Sniper 199 books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
