Jicheng Xie

Sniper Sari Horwitz, Michael Ruane, 2004-09-28 *Sniper* is the behind-the-scenes story of one of the most frightening rampages to occur in U.S. history—and how it was stopped. For more than three weeks, the nation watched in disbelief as Washington, D.C., and its surrounding suburbs were held hostage by anonymous gunmen shooting innocent civilians at random. *Sniper* is the definitive account of those alleged gunmen, John Muhammad and Lee Boyd Malvo, and the massive manhunt that ended with their capture by a heavily armed SWAT team in an early-morning raid at an interstate highway rest stop. Two Washington Post reporters, Sari Horwitz and Michael E. Ruane, retrace the steps of Muhammad and Malvo from their first meeting on the island of Antigua to Malvo's defiant confession in a Virginia jail. Drawing on exclusive reporting about that confession, internal police documents, and a wide range of law-enforcement sources, Horwitz and Ruane track in remarkable detail the murderous trail Muhammad and Malvo are accused of having followed to the Washington area and reconstruct the eerie way in which the two moved invisibly around the nation's capital in the midst of one of the largest police investigations in U.S. history. Horwitz and Ruane also take you inside the police command center where local and state police, joined by the federal government's most experienced crime fighters, worked desperately to stop the killings, unaware that a fundamental error—investigators were wrongly fixated on a white van—was allowing Muhammad and Malvo to slip through the dragnet. We meet FBI negotiators, veteran detectives, forensics experts, prosecutors, and politicians who faced perhaps the biggest challenge of their careers as they confronted frustrating setbacks, logistical nightmares, and the overwhelming pressure of a high-stakes investigation. In a fast-paced narrative that outdoes even the most acclaimed television cop shows, *Sniper* recounts the extraordinary police work that enabled investigators to quickly exploit the clues handed to them by Muhammad and Malvo that finally led to their arrest. Part gripping drama, part real-life portrait of law enforcement at work, *Sniper* is also a cautionary tale about the vulnerability of American society in an age of terrorism.

**Criminal Law By Storm** Lisa M. Storm, 2015-07-17 *Criminal Law By Storm* begins with the foundations of law and the legal system, then extensively explores criminal laws and defenses using general state and federal principles, the Constitution, and the Model Penal Code as guidelines. This engaging and interactive textbook will enhance your ability to be successful in academics or a career in law, criminal justice, or paralegal. Lisa M. Storm, Esq. has taught at the community college, four-year, and graduate levels since 1992. Currently, she is a tenured faculty member in Administration of Justice at Hartnell College, a California Community College. She is also an attorney and licensed member of the California State Bar.

**The Master Sniper** Stephen Hunter, 2010-08-18 In the death throes of World War II, one man is still at war, and he's got got the world's deadliest weapon in his hands . . . With a sniper's rifle he has calmly executed hundreds of enemy soldiers in a single battle, and gunned down thousands of innocent civilians in a single day, waiting patiently for the barrel of his gun to cool before resuming his craft . . . It is the spring of 1945. And Repp, the master sniper, is about to carry out his final mission—even as Germany's enemies overrun it, even while a tired, disorganized team of American and British agents tries everything in its power to stop him. Because for Repp, this is the one job at which he cannot fail. For this time, he possesses the ultimate killing tool. And with it, he will commit the ultimate crime. . . . Praise for *The Master Sniper* “Mesmerizing suspense.”—Kirkus Reviews “Hunter is a deft craftsman with a sure sense of pace and scene. He also knows about irony and sprinkles just a bit over every corpse.”—The Washington Post “Stephen Hunter is the best writer of straight-out thrillers working today.”—Rocky Mountain News

*Computer Gaming World*, 2002

**Marine Corps Tanks and Ontos in Vietnam** LtCol Ray Stewart USMC, 2019-10-03 Book Two, the second of a three-book series, continues from 1966 in Book One, to cover the action of Marine Corps Tankers and Ontos crewmen fighting the locally-grown Viet Cong, the better armed, trained, organized, and equipped Viet Cong Main Forces, and the North Vietnamese Army Regulars from 1967 thru 1968 in I Corps, South Vietnam. As in Book One, and to continue in Book Three, it features hundreds of personal stories, on-the-spot in real time, interviews of Marines just returning from their fight – all which is framed within the official unit command chronologies and after action reports, including documented “lessons learned”. The maps, personal pictures, organizational charts, and the citing of each Marine who gave his life are, also linked to the Vietnam Wall and to the Foundation's web site, with volumes of additional information about the Marines who left their sweat and blood in Vietnam battling their communist enemy.

Police Sniper Craig Roberts, 2014-09-07 When all else fails and police are faced with an armed and barricaded assailant or a hostage situation, they call SWAT. When negotiations break down, and tactics fall short of resolving the issue, it falls to the police SWAT sniper, a highly trained, patient and steady individual who will make only one shot count--the shot that saves lives.

**American Sniper** Chris Kyle, Scott McEwen, Jim DeFelice, 2012-01-03 The #1 New York Times bestselling memoir of U.S. Navy SEAL Chris Kyle, and the source for Clint Eastwood's blockbuster, Academy-Award nominated movie. “An amazingly detailed account of fighting in Iraq--a humanizing, brave story that's extremely readable.” – PATRICIA CORNWELL, New York Times Book Review Jaw-dropping...Undeniably riveting. –RICHARD ROEPER, Chicago Sun-Times From 1999 to 2009, U.S. Navy SEAL Chris Kyle recorded the most career sniper kills in United States military history. His fellow American warriors, whom he protected with deadly precision from rooftops and stealth positions during the Iraq War, called him “The Legend”; meanwhile, the enemy feared him so much they named him al-Shaitan (“the devil”) and placed a bounty on his head. Kyle, who was tragically killed in 2013, writes honestly about the pain of war—including the deaths of two close SEAL teammates—and in moving first-person passages throughout, his wife, Taya, speaks openly about the strains of war on their family, as well as on Chris. Gripping and unforgettable, Kyle's masterful account of his extraordinary battlefield experiences ranks as one of the great war memoirs of all time.

Killer King Stuart R. West, 2020-03-17 Sometimes it's good to be the king. Leon Garber never wanted to be CEO of any corporation, let alone the one that's been trying to kill him for the past year and a half. That's why it makes no sense when LMI offers him a job—a chance to take down the corporation from the inside. It's a killer job but somebody has to do it. A job Leon loves a little too much... Sometimes it's great to be the king!

**Striking Back** William T. Bowers, 2010-01-29 *Striking Back: Combat in Korea, March-April 1951* is the second book in a three-volume series about the Korean War,

examining the fighting that occurred during the late winter and early spring of the war's first year. By the beginning of March, UN forces shifted strategic focus from defense to offense. In April, the combination of stabilized fronts and the enemy's failed attacks made conditions ideal for launching combat offensives. The brutal nature and strategic significance of these campaigns is described in the book, which includes analysis of their profound influence on the remainder of the war. William T. Bowers provides detailed battle narratives based on eyewitness accounts recorded by Army historians within days of the operations. Through his use of personal accounts, official records, war diaries, and combat reports, Bowers sheds new light on the conflict in Korea, making this volume a must-read for military historians.

**Baby-Face, Blue-Eyed, Teenage Combat Marines** J.D. Rogers,2019-02-08 Baby-Face, Blue-Eyed, Teenage Combat Marines By: J.D. Rogers Baby-Face, Blue-Eyed, Teenage Combat Marines chronicles author J. D. Rogers's military experience when he was young. In October of 1964, after turning 17 years old, he enlisted in the United States Marine Corps and trained for nine months in Hawaii as an automatic rifleman before being stationed in Vietnam with the 1st Marine Division, 1st Battalion, 5th Marines. He returned home at 19 years old, still not old enough to legally have a beer, but old enough to put his life on the line for his country.

**Game Boys** Michael Kane,2008-06-19 A year inside the fierce rivalries and big business of competitive videogaming A technology-fueled spin on a classic sports tale, Game Boys profiles cyber-athletes who compete for dominance in the professional gaming circuit, a world populated with rivalries, big egos, corporate sponsorships, and large cash prizes. Michael Kane's pioneering account of the lifestyle and business of gaming takes readers to the heart of e-sports, what many consider the successor in sports entertainment to the X-games and competitive poker. Following the top teams-3D and Complexity, a rivalry as bitter as the Yankees versus the Red Sox-Kane profiles the star players as they cheat, strategize, sign with rival teams, and get berated by sideline-pacing coaches. Are gamers really the athletes of tomorrow? They act like they are. A lively tour of the quirks and dramas of a subculture on the cusp of big things, Game Boys is a tale of sports glory and a glimpse into the lucrative business of gaming.

The Joyners in 3D R.J. Ryan,2014-02-25 The first full-length, original graphic novel done in anaglyph 3D! In mid-21st century Northern California, prosperous technology executive George Joyner stands on the brink of revolutionizing life in America (again) with his latest high-flying invention. But just as business booms, George's private life begins to implode, with devastating consequences, for his wife Sonya, their children Rochester and Michelle, and Sonya's ailing father, David. Brought to life in stunning anaglyph 3D (two pairs of glasses come enclosed with each book), The Joyners in 3D details a story of personal betrayals, industrial intrigue, and sexual desire in uncompromising and visually impeccable terms. The Joyners in 3D reunites writer R.J. Ryan and New York Times best-selling illustrator David Marquez (Ultimate Comics Spider-Man, All-New X-Men), collaborators on Archaia's acclaimed graphic novel Syndrome, for which Marquez earned a 2011 Russ Manning Award nomination.

*Violence in the Media and Its Influence on Criminal Defense* Cynthia A. Cooper,2007-07-02 How much are today's youth actually influenced by violence in the media? People who would never dispute the positive influence of programs like Sesame Street are reluctant to acknowledge that other programming may do harm. As early as the 1930s, however, parents were expressing concerns about the content of various media, including radio and comic books. Today, almost every violent crime perpetrated by a young person is probed for evidence of media influence, often while other contributing factors are ignored. With an in-depth look at media violence and its possible influence on young viewers, this book examines how the media made me do it defense has affected today's courtrooms. Highly publicized cases such as those of Lionel Tate and Joshua Cooke, both of whom used media influence (television wrestling and The Matrix, respectively) as part of their defense, are discussed in detail. Other topics include the creation and maintenance of rating systems, parental involvement and ultimate responsibility.
