

Sniper Shot

Sgt. Jack Coughlin,Donald A. Davis

Sniper Shot Barry Ozeroff, 2010-03-13 IN THE TRADITION OF BESTSELLING POLICE NOVELS BY JOSEPH WAMBAUGH TWO COPS ON THE ELITE SNIPER TEAM. ONE OF THEM IS A MURDERER. THE OTHER ONE KNOWS IT. ONLY ONE WILL SURVIVE. SNIPER SHOT is the dramatic and suspenseful debut novel about the ongoing and potentially deadly conflict between Ben Geller, sniper on the Stratton, Oregon Special Response Team, and Bob Slater, the team's secondary sniper. Geller is the primary sniper despite Slater's superior marksmanship skills. Slater, a world-class long-distance high powered rifle competitive shooter, lacks the patience and discipline needed to assume the position of primary sniper. SNIPER SHOT takes the reader deep into the world of this special elite team, and through a series of extraordinary twists and turns, moves towards a showdown that nobody expected between Geller and Slater. One of them is a robber and murderer, and the game of cat and mouse between them sets up one of the most exciting and dramatic stories in recent suspense fiction. Barry Ozeroff, a 21-year police veteran and former SWAT sniper, is a hostage negotiator and motorcycle officer with the Gresham, Oregon Police Department. Barry lives in Oregon with his wife and three children; and SNIPER SHOT is his first book. Look for the sequel in RETURN FIRE.

Sniper Shot Mike Morris, 1992 Armed with the 21st century's most sophisticated weaponry, former Marine sniper Con Duggan and CIA electronics wiz Steven Dye are America's high-tech terminators. Japan has a new emperor--of crime. He holds the Pacific rim in an iron grip. But the Confirmed Kill team is ready to put an end to his reign of terror--permanently.

Long Shot Jack Coughlin, Donald A. Davis, 2016-08-16 A Russian defector baits the U.S. in an attempt to regain its empire in this enthralling new novel in the bestselling Kyle Swanson sniper series.

Long Shot Azad Cudi, 2019-02-12 A Kurdish journalist who volunteered as a sniper in the fight against ISIS reveals his story in a "gripping memoir . . . elegantly told" (Publishers Weekly). In 2002, at age nineteen, Azad was conscripted into Iran's army and forced to fight his own people. Refusing to go to war against his fellow Kurds, he deserted and smuggled himself to the United Kingdom, where he was granted asylum, became a citizen, and learned English. But in 2014, having returned to the Middle East as a social worker in the wake of the Syrian civil war, Azad found he would have to pick up a weapon once again. After twenty-one days of intensive training as a sniper, Azad became one of seventeen volunteer marksmen deployed by the Kurdish army when ISIS besieged the city of Kobani in Rojava, the newly autonomous region of the Kurds. Here, he tells the inside story of the Kurdish forces' bloody street battles against the Islamic State. Vastly outnumbered, the Kurds would have to kill the jihadis one by one, and Azad takes us on a harrowing journey to reveal the sniper unit's essential role in ISIS's eventual defeat. Weaving the brutal events of war with personal and political reflection, he meditates on the incalculable price of victory—the permanent effects of war on the body and mind; the devastating death of six of his closest comrades; the loss of hundreds of volunteers in battle. But as Azad explains, these sacrifices saved not only a city but a people and their land. "A propulsive memoir that captures the grim reality of small-scale conflict and reveals the fragmented politics of the Middle East today" (Kirkus Reviews), Long Shot tells how, against all odds, a few thousand men and women achieved the impossible and kept their dream of freedom alive.

One Shot One Kill Charles W. Sasser, Craig Roberts, 1990-04-01 They are the lone wolves of the battlefield. Tracking the enemy, lying in wait for the target to appear -- then they shoot to kill. Armed with an unerring eye, infinite patience and a mastery of camouflage, combat snipers stalk the enemy with only one goal... In World War II, Korea, Vietnam, and Beirut, American snipers honed the art of delivering a single deadly shot from nowhere -- and devastating enemy morale. They met the enemy on his own turf, picking off

officers, unwary soldiers, and even other snipers from extraordinary distances of up to 1 ½ miles. Now, these uncommon men tell their stories: of the emotions felt when a man's face came into their crosshairs and they pulled the trigger, of the nerve-wracking hours and days of waiting, motionless, for the enemy, of the primal savagery of a sniper duel. Often trained haphazardly in wartime, and forgotten in times of peace, combat snipers were officially recognized after the Vietnam War, when the Marine Corps became the first military branch to start a full-time sniper school. One Shot-One Kill is their powerful record of desperate trials and proud victories. A MAIN SELECTION OF THE MILITARY BOOK CLUB

One Shot, One Kill: A History of the Sniper Andy Dougan, 2011-10-10 Previously published as *The Hunting of Man* One shot, one kill: a cultural and military history of the sniper since 1643, when the first shot was fired by a sniper during the battle for Litchfield in the English Civil War, to the present day, when the sniper has become the embodiment of contemporary military strategy and technology.

American Sniper Chris Kyle, Scott McEwen, Jim DeFelice, 2012-01-03 The #1 New York Times bestselling memoir of U.S. Navy Seal Chris Kyle, and the source for Clint Eastwood's blockbuster, Academy-Award nominated movie. "An amazingly detailed account of fighting in Iraq--a humanizing, brave story that's extremely readable." —PATRICIA CORNWELL, New York Times Book Review Jaw-dropping...Undeniably riveting. —RICHARD ROEPER, Chicago Sun-Times From 1999 to 2009, U.S. Navy SEAL Chris Kyle recorded the most career sniper kills in United States military history. His fellow American warriors, whom he protected with deadly precision from rooftops and stealth positions during the Iraq War, called him "The Legend"; meanwhile, the enemy feared him so much they named him al-Shaitan ("the devil") and placed a bounty on his head. Kyle, who was tragically killed in 2013, writes honestly about the pain of war—including the deaths of two close SEAL teammates—and in moving first-person passages throughout, his wife, Taya, speaks openly about the strains of war on their family, as well as on Chris. Gripping and unforgettable, Kyle's masterful account of his extraordinary battlefield experiences ranks as one of the great war memoirs of all time.

Dead Shot Sgt. Jack Coughlin, Donald A. Davis, 2009-03-03 In this follow-up to the highly successful *Kill Zone*, former Marine sniper Kyle Swanson faces his most deadly enemy yet, a legendary enemy sniper working with a fringe Islamic organization that has created a terrifying new weapon of mass destruction In Baghdad's Green Zone, an Iraqi scientist is murdered just before he is to reveal the monstrous secret that Saddam Hussein took to his grave: the Palace of Death, home to a chemical weapon that Islamic militants quietly have been developing and whose formula is nearly complete. The assassination is the work of a mysterious sniper called Juba, who was originally trained by the British but now works with a twisted mastermind determined to wrest leadership of the terrorist world from Al Qaeda. Kyle Swanson, once the top sniper in the Marine Corps, has become the key member in a secret special operations team known as Task Force Trident. When Juba tests the new weapon by killing hundreds of people at a British royal wedding in London, Swanson is assigned to hunt down his old special ops rival. The birth of a new reign of global terror can be stopped only by a confrontation between the two best snipers in the world, a duel in which the first shot wins. Usually.

Sniper Gina Cavallaro, Matt Larsen, 2010-09-01 Heart-pounding real-life tales from the military's most experienced snipers, the best of the best snipers in action today. Gunfights, long distance shots, stalking, and more.

The Kyle Swanson Sniper Series, Books 1-3 Sgt. Jack Coughlin, 2016-12-20 Jack Coughlin, the Marine Corps' top-ranked sniper and author of New York Times bestseller *Shooter*, follows Gunnery Sgt. Kyle Swanson's action-packed top secret missions in the Middle East in the Kyle Swanson Sniper Series, Books 1-3. In *Kill Zone*, Kyle Swanson receives orders to mount a top secret mission to rescue an American general captured in

the Middle East by terrorists who threaten to behead him. In *Dead Shot*, Swanson faces his most deadly enemy yet, a legendary enemy sniper working with a fringe Islamic organization that has created a terrifying new weapon of mass destruction. In *Clean Kill*, an attempt at a new peace in the Middle East is shattered by an unknown attacker, and only Swanson can find out who's responsible.

Crosshairs on the Kill Zone Charles W. Sasser, Craig Roberts, 2004-07-01 From the jungles of Vietnam to the unforgiving deserts of Afghanistan and Iraq, one breed of soldier has achieved legendary status in the arena of combat—the sniper. From the authors of the classic sniper chronicle *One Shot-One Kill* comes a new generation of true tales from some of the most expert and deadly marksmen in the world. Meet Adelbert Waldron II, whose 109 confirmed kills in Vietnam made him the most successful sniper in American military history, and Tom Moose Ferran, who coined the term *Fetch!*, whereupon the infantry would retrieve the sniper's dead quarry. Also included are stories from snipers in Beirut, the Bosnian conflict, and both wars with Iraq—including the feat of Sergeants Joshua Hamblin and Owen Mulder, who took down thirty-two enemy soldiers in a single day outside Baghdad in 2003. The military sniper has evolved into one of the most dangerous and highly-skilled warrior professions. They suffer through weather, terrain, and enemy action, lay unmoving for days on end, and take out their targets with unerring accuracy—proving that the deadliest weapon in any battle, anywhere in the world, is a single well-aimed shot.

Stalk and Kill Adrian Gilbert, 1998-12-15 From the sharpshooters of the American Revolution to the Marine snipers who dominated the streets of Mogadishu, a famed military historian puts you behind the crosshairs of the most adept killers in history. A sniper is more than a crack shot. He's a calm professional with the instincts and patients of a master huntsman. Intensive training leaves snipers razor-sharp, able to creep undetected within arm's reach of the enemy. The finest marksmen in the world, a sniper can place a bullet in an enemy's heart from a thousand yards away. *Stalk and Kill* puts you on the battlefield for the most daring missions in history. You'll duel a Nazi super sniper in Stalingrad, outfox the Viet Cong in Southeast Asia, and silence the enemies of U.S. troops in Beirut. And you'll never cease to marvel at the sniper's iron nerve and lethal precision. A main selection of the military book club with eight pages of fascinating photos!

Kill Shot Charles Stronge, 2011 *LETHAL TALES OF THE BATTLEFIELD'S DEADLIEST ONE-SHOT WARRIORS* Perched on a rooftop or lying camouflaged in a grassy field, snipers are the most feared soldiers on the frontline. But only the elite few possess what it takes to be a top trigger man--deadly aim, iron nerves, killer instincts and unwavering courage. From the backwoods riflemen of the American Revolution and trench sharpshooters of World War I to Marine snipers in the jungles of Vietnam and today's top shooters in the mountains of Afghanistan, *KILL SHOT* details the heroic actions of the world's most decorated snipers, including: Simo Hayha -- World-Record 505 Kills Lyudmila Pavlichenko -- Female Sniper with 309 Kills Josef Sepp Allerberger -- 257 Soviet Kills Chuck Mawhinney -- 103 Vietcong Kills Carlos Hathcock -- 93 Vietcong Kills Timothy L. Kellner -- 78 Iraqi Insurgent Kills Craig Harrison -- World-Record Kill Shot--2,707 Yards

Long Rifle Joe Lebleu, 2008-11-25 When fires raged in the ruins of the World Trade Center on September 11, 2001, Joe LeBleu, a native of Brooklyn and a retired U.S. Army Ranger veteran, was in lower Manhattan. On that day he decided to return to active duty. By the time he received an honorable discharge as a Staff Sergeant, paratrooper, and sniper team leader in the 82nd Airborne Division in 2005, he'd become known as "Long Rifle"—for shooting an Iraqi insurgent at 1,100 meters in Fallujah in the fall of 2003. That single shot remains the farthest in Iraq by any American or British sniper. This book tells his story. *Long Rifle* is gripping and moving, but most of all, inspiring. As 9/11 altered the terrain of so many lives, it shaped that of Joe LeBleu: "Watching my city burn tore me up inside like nothing else in my life, ever." Joe takes us with him from that haunting day in

New York across the world, to the sweltering heat and ambush-rife conditions of desert and urban combat in Iraq. From here we enter a vastly different world: the remote and rugged mountains of Afghanistan. Joe's accounts of sniper missions against the Taliban and Al Qaeda in this grueling landscape are engaging and intriguing. Finally, Joe trusts his gut and returns to civilian life, settling near Las Vegas and going on to train Mark Wahlberg for his role as a Force Recon Marine scout/sniper in the film, *Shooter*. Joe had come full circle from 9/11, "a day that changed my life forever." Raw, gritty, passionate, and provocative, *Long Rifle* is both the first memoir by a U.S. Army sniper from the 9/11 generation and a stirring testament to the core values of American soldiers: integrity, honor, and courage. LeBleu's journey to war and back also testifies to the enduring power of love: Joe carried his dream to return to Natalie, his wife, for six long years.

The Longest Kill Craig Harrison, 2017-02-14 It takes a tough mindset to be a successful sniper, to be able to dig in for days on your own as you wait for your target, to stay calm on a battlefield when you yourself have become the target the enemy most want to take out. Craig Harrison has what it takes and in November 2009 in Afghanistan, under intense pressure, he saved the lives of his comrades with the longest confirmed sniper kill - 2,475 meters. In this unflinching autobiography, Craig catapults us into the heat of the action as he describes his active service in the Balkans, Iraq and Afghanistan, and gives heart-stopping accounts of his sniper ops as he fought for his life on the rooftops of Basra and the barren hills of Helmand province. Craig was blown up by an IED in Afghanistan and left battling severe PTSD. After his identity was revealed in the press he also had to cope with al Qaeda threats against him and his family. For Craig, the price of heroism has been devastatingly high. Powerful and compelling, *The Longest Kill* is a must-read for fans of military memoirs.

One Shot Kills Glenn Wahlert, Russell Linwood, 2014-05-05 A sniper is not just a good shot. While marksmanship is crucial, it is not this alone that defines the sniper. Snipers must also be superb bushmen, possess limitless patience, iron discipline, rat cunning, extraordinary stamina and attract more than their share of luck. The well-trained sniper will stalk his enemy or lie in wait for his target to appear. He will eliminate his target with just one shot and escape to repeat his mission time and again. The history of the Australian Army is replete with untold tales of brave men who built reputations as daring and skilful snipers. From the training grounds of the Boer War and First World War, Australian snipers honed their deadly skills and earned a fearsome reputation. In the Second World War they duelled with their German counterparts in the Western Desert and the hardy Japanese snipers of the Pacific War. The valuable lessons of two major wars had to be relearned for the Korean War where 'naïve young men who knew nothing of combat sniping' learned quickly or didn't survive. The snipers of today's Australian Army have learned the lessons of history and are held in the same high regard by friend and foe as their Gallipoli forebears. Snipers have become an essential force multiplier and have deployed on every operation since Somalia. *One Shot Kills* is the story of the sniper's journey from the South African veldt to the recent battlegrounds of Iraq and Afghanistan. It is also the story of the development of the modern sniper's combat weapon system in which technology has been harnessed to produce extraordinary results on the battlefield. Australian Army snipers are justifiably regarded as among the best in the world.

Confirmed Kill Nigel Cawthorne, 2011-12-06 Real-life accounts of the highly trained marksmen who have honed the art of killing to a fine edge—and can turn the tides of war with one perfect shot. Elite snipers—with their deadly aim, iron nerves, killer instincts and unwavering courage—play a more critical role in modern military missions than ever before. *Confirmed Kill* accurately recounts the heroic actions of the world's deadliest snipers, from the one-on-one duel between a U.S. Marine sniper and his North Vietnamese counterpart that ended with a miracle shot straight through the Vietcong soldier's gun scope, to the

shot fired from a mountain ridge in Afghanistan that dropped an unsuspecting Taliban fighter over a mile away. Confirmed Kill details the missions of the most legendary snipers: Chuck Mawhinney—Marine with 103 Vietnam War confirmed kills Adelbert Waldron—U.S. record holder with 109 confirmed kills Timothy Kellner—Army sergeant with more than 100 confirmed kills in Operation Iraqi Freedom Craig Harrison—British corporal with the world-record kill shot at 2,707 Yards

Dead Shot Jack Coughlin,2009-12 The two best snipers in the world... The first shot wins... Usually

The 21st Century Sniper Brandon Webb,Glen Doherty,2010-09-15 Twenty-first-century sniping tactics by Navy SEAL military sniper Brandon Webb.

Snipers and Shooters Joseph Carlson,2011-10-10 The art of murder knows many forms, but few more harrowing than murder for reasons of ritual or the supernatural. Supposedly serving a higher cause, they are often little more than acts of self-gratifying blood-lust. Voodoo Killers chronicles the disturbing history of ritualistic killing around the world, with shocking examples of human sacrifice from past and present, voodoo hexes, sexual slavery and satanic murder. It is a history that incorporates vampires, serial killers and rapists as well as institutionalized killers such as the Aztec high priests and Spanish Inquisitors whomurdered in the name of religion. Murder does not come much worse than this – premeditated, organized, ritualized and, in the past,accepted as permissible. The Voodoo Killers stand alone in the annals of horror.

Sniper Shot Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project

Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Sniper Shot free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Sniper Shot free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Sniper Shot free PDF files is convenient, its

important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Sniper Shot. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Sniper Shot any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Sniper Shot Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader

engagement and providing a more immersive learning experience. Sniper Shot is one of the best book in our library for free trial. We provide copy of Sniper Shot in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sniper Shot. Where to download Sniper Shot online for free? Are you looking for Sniper Shot PDF? This is definitely going to save you time and cash in something you should think about.
