

# **Sniper Vs Sniper Online**

**Marsha Collier**

**Sniper** Gina Cavallaro, Matt Larsen, 2010-09-01  
Heart-pounding real-life tales from the military's most experienced snipers, the best of the best snipers in action today. Gunfights, long distance shots, stalking, and more.

**Navy SEAL Sniper** Glen Doherty, Brandon Webb, 2017-01-03 The sniper is a battlefield threat second to none. Mastering the art of marksmanship is critical but is only part of what makes a Navy SEAL sniper. Snipers must be able to apply the craft in an urban environment or alone on a hostile mountain top with equal effectiveness. Today's sniper must not just leverage technological advances but also have the foreknowledge to select the best rifle and gear for the mission. Increasingly, he must have the mental toughness to adapt to a constantly changing environment, gather intelligence, and truly act as a force multiplier. In this comprehensive look through the eyes of former Navy SEAL sniper instructor Brandon Webb and fellow Navy SEAL snipers Chris Kyle and Glen Doherty, the authors reveal not just the fundamentals of marksmanship but also the science of shooting, stalking, and camouflage and how technological advances have changed the training and increased the effectiveness of the modern sniper. Including maritime, helicopter, and urban sniper operations, this updated edition also goes into detail on the latest research, development, testing, and evaluation of weapons and optics. From the basics like compensating for wind and bullet drop, to camouflage and placing yourself or your team in

the best position to take a photo or pull a trigger, Webb and Doherty cover the critical elements that comprise the twenty-first century sniper.

To Be a Military Sniper Gregory Mast, Hans Halberstadt, 2007-12-15 The training and character that make for success in one of the most challenging and mysterious jobs the military has to offer, clearly described and illustrated.

*Sniper* Peter Brookesmith, 2001-04-22 Tracing the role of the sniper from the time of the English Civil War and the American Revolution to the Gulf War and Bosnia, this book also goes behind the scenes at the world's top sniper schools and includes real-life anecdotes and detailed information on sniper rifles and ammunition. 100+ color and b&w photos.

**Sword Art Online Alternative Gun Gale Online, Vol. 10 (light novel)** Keiichi Sigsawa, Reki Kawahara, 2021-11-09 A BRAND-NEW BATTLEFIELD AWAITS! □Just a week after the ferocious Squad Jam 4, Llenn and LPFM face a devastating new challenge—with SHINC at their side! In a drastic departure from GGO's usual player versus player tournaments, the latest event, The Five Ordeals, is all about fending off deadly computer-controlled enemies. That doesn't mean the competition is any less fierce, though; the squad that clears the quest the fastest will come away with loot up to their eyeballs. But when the LPFM-SHINC alliance takes to the battleground, the first thing they encounter is...a talking dog?!

**Ghost Sniper: a World War II Thriller** David Healey, 2014-02-07 June 6, 1944. On the dawn of the

D-Day invasion of Normandy, two snipers find themselves fighting a battle all their own. One is a backwoods hunter from the Appalachian Mountains in the American South, while the other is the dreaded German Ghost Sniper who earned his nickname on the Eastern Front. Locked in a deadly duel across the hedgerow country of France, the hunter matches wits and tactics against the marksman, both of them one bullet away from victory-or defeat-as Allied forces struggle to gain a foothold in Europe.

**Shooter** Sgt. Jack Coughlin, Casey Kuhlman, Donald A. Davis, 2007-04-01 The phenomenal New York Times bestseller *Shooter* captures a professional sniper's life, both on the battlefield--where he has racked up more than 60 confirmed kills--and off. Jack Coughlin is the Marine Corps' top-ranked sniper, the man who personally brings America's military muscle to the enemy's front door. In twenty years of active service, he has accumulated one of the most impressive records in the Corps, ranging through many of the world's hot spots. During Operation Iraqi Freedom alone, he recorded at least thirty-six kills, thirteen of them in a single twenty-four-hour period. In *Shooter*, Coughlin has written a highly personal story about his deadly craft, taking readers deep inside an invisible society that is off-limits to outsiders. This is not a heroic battlefield memoir, but the careful study of an exceptional man as he carries forward one of the deadliest legacies in the U.S. military.

**eBay Timesaving Techniques For Dummies** Marsha Collier, 2007-05-21 So, you've gotten started on

eBay. You've made a few purchases and your first sale. You may have even built a moneymaking business. Now you're looking for ways to ratchet things up. You're looking for the insider tips and tricks for the easiest ways to take care of listing items, completing transactions, and keeping good records and you don't have the time to do all the research. eBay Timesaving Techniques For Dummies is the book for you. Marsha Collier, an eBay University instructor and best selling author of eBay For Dummies and Starting an eBay Business For Dummies, has collected the fastest and most effective techniques for finding items to sell, setting up your sales pages, pricing items to move, getting the word out about your business, collecting payments, shipping your item, and taking care of all the paperwork. Time is money after all. So why waste time when you can be making money on eBay. This book contains over 60 step-by-step techniques proven to add efficiency to your eBay operation. Includes coverage of:

- Finding sources for merchandise to sell on eBay
- Setting attractive prices and shipping costs
- Handling multiple sales without losing your cool
- Prettying up your auctions with digital photo and HTML tricks
- Tracking payments and shipments and keeping your customers happy
- Working with PayPal, both on and off of eBay
- Enhancing your status in the eBay community
- Simplifying your bookkeeping
- Creating marketing, merchandising, and advertising plans
- Solving problems quickly when they occur

*Sword Art Online Alternative Gun Gale Online, Vol. 7 (light novel)* Reki Kawahara, Keiichi Sigsawa, 2020-11-24 A BRAND-NEW BATTLEFIELD AWAITS!

During any difficult encounter, whether in a game or in real life, it's always good to have an exit strategy. In Karen Kohiruimaki's experience, when she gets questions like What's your type? she's able to respond with a smooth Someone like P-Chan... But when a handsome man appears during Llenn's Fourth Squad Jam strategy meeting and surprises her with a marriage proposal, she gets a sinking feeling that this is one battle she'll have to face head-on!

Red Army Sniper Yevgeni Nikolaev, 2017-11-30 'I did not regard myself as a slacker. Even in childhood I taught myself to carry out tasks entrusted conscientiously and carefully. In war, it is no secret that the casual don't survive'. Yevgeni Nikolaev was one of Russia's leading snipers of World War II and his memoir provides an unparalleled account of front-line action in crucial theaters of war. Nikolaev is credited with a remarkable 324 kills and his wartime service included time in the siege of Leningrad in 1941/1942. His memoir is not a neutral, apolitical account. Far from it. Nikolaev asserts, for example, that Finland attacked Russia. As a member of the NKVD, it is not surprising that his memoir is full of historical misinterpretation and justification of the agency's actions. Equally, Nikolaev is dismissive of his Nazi opponents. On several occasions, he discusses his Nazi counterparts as bandits and scum, and implores the reader to take a look, fellows, at the beast of a bastard I've laid low. In vivid, arresting recollections he paints his actions in a saintly heroic light. He describes the comfort of

the German foxholes, wired with telephone connections, relative to the Russians who fasted without food or water awaiting the moment for a perfect shot. He claims the Russian soldier was a moral warrior, killing only with head or heart shots. In addition to describing details of his kills, Nikolaev explains how his life was saved when an explosive rifle bullet struck a watch that he kept in his jacket pocket. His life was saved by a surgeon who extracted all the watch parts.

**Shock Factor** Sgt. Jack Coughlin, John R.

Bruning, 2014-10-28 A retired marine sniper and an award-winning journalist present an insider's assessment of America's sniper force to challenge popular misconceptions and pay tribute to the snipers who made pivotal contributions during the War on Terror.

**Ghost Sniper** Scott McEwen, Thomas

Koloniar, 2017-05-30 In the next thrilling installment of the non-stop action Sniper Elite series from the coauthor of the #1 New York Times bestseller American Sniper, a top secret band of elite warriors are forced to take a side in the Mexican narco wars. Bob Pope, the director of an American secret intelligence anti-terrorist program, loses contact with his most trusted operative, Navy Master Chief Gil Shannon, fearing him dead when a mission to take out a Swiss banker who is channeling funds to Muslim extremists goes awry. But when an American politician and her convoy are assassinated in Mexico City by the Ghost Sniper--an American ex-military gunman for hire employed by Mexico's most ruthless drug cartel--Pope must turn to retired Navy SEAL Daniel

Crosswhite and the newest Sniper Elite hero, ex-Green Beret Chance Vaught, to track down the assassin and expose the corrupt officials behind the murderous plot. The newest heart-pounding Sniper Elite thriller takes you on an action-packed adventure to both sides of the Atlantic, filled with the intrigue and movie-worthy warfare fans of the series have come to know and love--

*The Master Sniper* Stephen Hunter, 2010-08-18 In the death throes of World War II, one man is still at war, and he's got got the world's deadliest weapon in his hands . . . With a sniper's rifle he has calmly executed hundreds of enemy soldiers in a single battle, and gunned down thousands of innocent civilians in a single day, waiting patiently for the barrel of his gun to cool before resuming his craft . . . It is the spring of 1945. And Repp, the master sniper, is about to carry out his final mission—even as Germany's enemies overrun it, even while a tired, disorganized team of American and British agents tries everything in its power to stop him. Because for Repp, this is the one job at which he cannot fail. For this time, he possesses the ultimate killing tool. And with it, he will commit the ultimate crime. . . . Praise for *The Master Sniper* "Mesmerizing suspense."—Kirkus Reviews "Hunter is a deft craftsman with a sure sense of pace and scene. He also knows about irony and sprinkles just a bit over every corpse."—The Washington Post "Stephen Hunter is the best writer of straight-out thrillers working today."—Rocky Mountain News

**13 Cent Killers** John Culbertson, 2007-12-18 "It's not easy to stay alive with a \$1,000 bounty on

your head." In 1967, a bullet cost thirteen cents, and no one gave Uncle Sam a bigger bang for his buck than the 5th Marine Regiment Sniper Platoon. So feared were these lethal marksmen that the Viet Cong offered huge rewards for killing them. Now noted Vietnam author John J. Culbertson, a former 5th Marine sniper himself, presents the riveting true stories of young Americans who fought with bolt rifles and bounties on their heads during the fiercest combat of the war, from 1967 through the desperate Tet battle for Hue in early '68. In spotter/shooter pairs, sniper teams accompanied battle-hardened Marine rifle companies like the 2/5 on patrols and combat missions. Whether fighting their way out of a Viet Cong "kill zone" or battling superior numbers of NVA crack troops, the sniper teams were at the cutting edge in the art of jungle warfare, showing the patience, stealth, combat marksmanship, and raw courage that made the unit the most decorated regimental sniper platoon in the Vietnam War. Harrowing and unforgettable, these accounts pay tribute to the heroes who made the greatest sacrifice of all—and leave no doubt that among 5th Marine snipers uncommon valor was truly a common virtue.

The Sniper Mind David Amerland, 2017-11-07  
Snipers are exceptional. The trained sniper is a complex fusion of hard skills such as weapons knowledge, situational awareness, knowledge of ballistics and physics, and soft skills such as emotional stability, empathy, and a stoic acceptance of the hardships associated with a particular set of circumstances. There are countless instances where a single sniper,

embarking on a secret mission, would have to improvise, operate beyond any hope of support, and yet still manage to carry out the mission and get back home unharmed even though the enemy was actively hunting him. For the first time ever, *The Sniper Mind* reveals the practical steps that allow a sniper's brain to work in this superhuman precise, calculated way. It teaches readers how to understand and apply these steps, whether they are stuck in a cubicle facing mounting piles of work or sitting in a corner office making industry-defining decisions. Through the explanation of advanced military training techniques and cutting-edge neuroscience, David Amerland's book provides concrete strategies and real-world skills that can help us be better: -At our jobs -In our relationships -In our executive decision making - In the paths we choose to take through life By learning how snipers teach their minds to eliminate fears and deal with uncertainty we can also develop the mental toughness we need to achieve the goals that seem to elude us in business as well as in life.

*I, Sniper* Stephen Hunter, 2009-12-15 Bob Lee Swagger, former Marine Corps sniper, is back. And this time Swagger's facing an adversary whose trigger finger may be even faster than his own. When four famous 1960s radicals are gunned down, including the wife of an international media mogul, it would appear to be an open-and-shut case. A wealth of evidence ties the chief suspect, retired Marine sniper Carl Hitchcock, to the murders. Holder, until recently, of the record number of kills in Vietnam and anxious to reclaim

his title, Hitchcock's subsequent suicide would seem to confirm his guilt. But FBI assistant director Nick Memphis has his doubts – and calls on former Marine Corps sniper Bob Lee Swagger to investigate. As Swagger digs deeper, it becomes clear that matters are more complicated than would initially appear. The shots were not executed with the scope of a 1972 rifle, Hitchcock's weapon of choice, but by a high-tech scope used by active Marines. But as Swagger starts to unravel the tangled web of connections surrounding the murders, he finds his own days may be numbered. Because he's about to face one of his most ruthless adversaries yet – a sniper whose keen intellect and pinpoint accuracy rivals his own. The end result will be a bloody confrontation that only one of them can survive. What people are saying about I, Sniper: 'Stephen Hunter's I, Sniper brings back one of the great characters in modern thrillerdom, Bob Lee Swagger, everyone's favourite lethal, dour Southerner. I kind of want Swagger to meet up with Lee Child's Jack Reacher one day, in a contest to see who could say the least while doing the most damage.' Malcolm Gladwell 'The tension never lets up' New York Times 'Stephen Hunter is an Elmore Leonard on steroids' John Sandford 'As all Bob Lee fans know, it comes down to 'straight killing time.' And so it does, in a ramped-up, high-tech High Noon finale. As always, Hunter makes it work with precise, detail-rich prose that strips the faux glamour from gun fighting and leaves only the skills of the combatants set against the horrors they wreak.' Booklist 'Hunter is back at the top

of his game.' Publisher's Weekly 'In his guns-a-poppin' latest, Hunter pits his series hero against a nest of sharp-shooting vipers. Dust off the OK Corral. Even the somewhat squeamish, and even certifiable gun-dummies, may once again find chivalric, heroic Bob Lee just about irresistible.' Kirkus Reviews 'Hunter's thrillers are always taut, exciting, and well written, and his latest is no exception. There's also a lot of gun and tech talk as Swagger uses decades' worth of skills to stay a step or three ahead of the baddies. Swagger fans will not be disappointed.' Library Journal 'Hunter has a unique writing style that thrills and captivates from the opening scene to deliver an exciting whodunit' The Sun 'Stories of passion, guilt and redemption that jump right off the page and smack the reader clean between the eyes' Independent on Sunday 'American hardboiled at its very best, full of taciturn and stoical characters and plotting in explosive overdrive' The Times 'Hunter choreographs the violence in steely prose and Swagger ... remains one of crime fiction's most engaging heroes' Irish Independent

*Hunters* Milo S. Afong, 2013-10-01 In the War on Terror, there are no set battles. The fanatical enemy adheres to no warrior code or international law. Their only desire is to kill—or be killed. That's where the snipers of the U.S. Marines, Army, and Navy SEALs come in . . . Here, in their own words, are the compelling true stories of the snipers whose sole purpose is to eliminate the enemy with a single bullet. From Iraq to Afghanistan, this is life and death as seen

through the scope of a high-powered rifle. These snipers' stories illustrate the mental discipline and psychological strength that they must possess to accomplish their missions, the effect a sniper's skill and reputation has on the enemy, and how they deal with the stark reality of their work after the target is neutralized—and after a sniper returns to civilian life. Part wartime chronicle, part psychological exploration of the warrior mind, and part exposé into a secretive brotherhood of military snipers, *Hunters* is a must-read for anyone who wants to learn the truth about war when it's fought one kill at a time. Includes photographs

**American Sniper** Chris Kyle, Scott McEwen, Jim DeFelice, 2012-01-03 The #1 New York Times bestselling memoir of U.S. Navy Seal Chris Kyle, and the source for Clint Eastwood's blockbuster, Academy-Award nominated movie. "An amazingly detailed account of fighting in Iraq--a humanizing, brave story that's extremely readable." – PATRICIA CORNWELL, New York Times Book Review Jaw-dropping...Undeniably riveting. –RICHARD ROEPER, Chicago Sun-Times From 1999 to 2009, U.S. Navy SEAL Chris Kyle recorded the most career sniper kills in United States military history. His fellow American warriors, whom he protected with deadly precision from rooftops and stealth positions during the Iraq War, called him "The Legend"; meanwhile, the enemy feared him so much they named him al-Shaitan ("the devil") and placed a bounty on his head. Kyle, who was tragically killed in 2013, writes honestly about the pain of war—including the deaths of two close

SEAL teammates—and in moving first-person passages throughout, his wife, Taya, speaks openly about the strains of war on their family, as well as on Chris. Gripping and unforgettable, Kyle's masterful account of his extraordinary battlefield experiences ranks as one of the great war memoirs of all time.

**Reaper: Ghost Target** Nicholas Irving,A. J. Tata,2018-05-08 Series statement taken from publisher's website.

**Accurate as an American Sniper – US Military Handbooks** U.S. Department of Defense,2024-01-15 The sniper has special abilities, training and equipment. His job is to deliver highly accurate rifle fire against targets, which cannot be engaged successfully by the regular rifleman because of range, size, location, fleeting nature, or visibility. This e-book provides information needed to become an excellent shooter. It is organized as a reference for snipers and it leads through the material needed to conduct sniper training. Subjects include equipment, weapon capabilities, fundamentals of marksmanship and ballistics, field skills, mission planning, and skill sustainment.
