

Sniper

Leigh Neville

American Sniper Chris Kyle, Scott McEwen, Jim DeFelice, 2012-01-03 The #1 New York Times bestselling memoir of U.S. Navy Seal Chris Kyle, and the source for Clint Eastwood's blockbuster, Academy-Award nominated movie. "An amazingly detailed account of fighting in Iraq--a humanizing, brave story that's extremely readable." – PATRICIA CORNWELL, New York Times Book Review Jaw-dropping...Undeniably riveting. –RICHARD ROEPER, Chicago Sun-Times From 1999 to 2009, U.S. Navy SEAL Chris Kyle recorded the most career sniper kills in United States military history. His fellow American warriors, whom he protected with deadly precision from rooftops and stealth positions during the Iraq War, called him "The Legend"; meanwhile, the enemy feared him so much they named him al-Shaitan ("the devil") and placed a bounty on his head. Kyle, who was tragically killed in 2013, writes honestly about the pain of war—including the deaths of two close SEAL teammates—and in moving first-person passages throughout, his wife, Taya, speaks openly about the strains of war on their family, as well as on Chris. Gripping and unforgettable, Kyle's masterful account of his extraordinary battlefield experiences ranks as one of the great war memoirs of all time.

To Be a Military Sniper Gregory Mast, Hans Halberstadt, 2007-12-15 The training and character that make for success in one of the most challenging and mysterious jobs the military has to offer, clearly described and illustrated.

The Master Sniper Stephen Hunter, 2010-08-18 In

the death throes of World War II, one man is still at war, and he's got the world's deadliest weapon in his hands . . . With a sniper's rifle he has calmly executed hundreds of enemy soldiers in a single battle, and gunned down thousands of innocent civilians in a single day, waiting patiently for the barrel of his gun to cool before resuming his craft . . . It is the spring of 1945. And Repp, the master sniper, is about to carry out his final mission—even as Germany's enemies overrun it, even while a tired, disorganized team of American and British agents tries everything in its power to stop him. Because for Repp, this is the one job at which he cannot fail. For this time, he possesses the ultimate killing tool. And with it, he will commit the ultimate crime. . . . Praise for The Master Sniper “Mesmerizing suspense.”—Kirkus Reviews “Hunter is a deft craftsman with a sure sense of pace and scene. He also knows about irony and sprinkles just a bit over every corpse.”—The Washington Post “Stephen Hunter is the best writer of straight-out thrillers working today.”—Rocky Mountain News

Sniper Peter Brookesmith, 2001-04-22 Tracing the role of the sniper from the time of the English Civil War and the American Revolution to the Gulf War and Bosnia, this book also goes behind the scenes at the world's top sniper schools and includes real-life anecdotes and detailed information on sniper rifles and ammunition. 100+ color and b&w photos.

Sniper Gina Cavallaro, Matt Larsen, 2010-09-01 Heart-pounding real-life tales from the military's most experienced snipers, the best of the best

snipers in action today. Gunfights, long distance shots, stalking, and more.

The 21st Century Sniper Brandon Webb, Glen Doherty, 2010-09-15 Twenty-first-century sniping tactics by Navy SEAL military sniper Brandon Webb.

Soldier of Fortune Magazine Guide to Super Snipers Robert K. Brown, Vann Spencer, 2013-10-08 Becoming an elite sniper involves more than learning how to shoot. Snipers need to know how to judge terrain, wind, and sometimes even the curve of the Earth. They train their eyes to spot enemy movement in the distance and to never hesitate. A sniper is more than a finger behind a trigger; he is a scout, a scientist, a strategist, and the support group for a platoon. *Soldier of Fortune Magazine Guide to Super Snipers* brings you into the world of some of the most accomplished snipers. From Finland to Iraq, Korea to Somalia, *Soldier of Fortune Magazine* provides stories from the eyes of the snipers who made the kills. These trained marksmen describe their method of taking the perfect shot, all the way down to the type of chewing tobacco they prefer. Some of the super snipers in this collection include: Major Charles Greene Sergeant Dan Mills Gunnery Sergeant Jack Coughlin Chris Kyle Robert K. Brown And many more! Every sniper—just like every situation that calls for a sniper—is unique, and *Soldier of Fortune Magazine Guide to Super Snipers* will show you every step of the way, as you find the target, narrow the scope, and take the shot.

Sniper Martin Pegler, 2011-08-20 Following the success of *Out of Nowhere: A History of the Military Sniper*, sniper expert Martin Pegler gives

us an in-depth study of the emergence of American rifleman, sharpshooter and sniper, examining the evolution of the rifle in America from the earliest firearms of the 15th century to the highly accurate sniping rifles of the 21st century. Pegler analyses the technological development of the rifle, sighting systems and ammunition and uses contemporary accounts to describe how the use of the rifle during the Revolutionary War, Civil War and the conflicts of the 20th and 21st centuries have impacted on US military history. This detailed account concludes with a study of the American sniper in modern warfare, including Afghanistan and the ongoing conflict in Iraq, providing an overview of the march of weapons technology, as well as an unusual insight into the lives and the motives of the men who used them.

The Sniper Encyclopaedia John Walter, 2019-08-23
A complete guide to snipers, rifles, techniques, battles, and campaigns throughout history and around the world, by the author of *The Hand Gun Story*. The work features hundreds of snipers, including not only the best-known—world renowned gurus such as Vasiliy Zaytsev and Chris Kyle—but also many crack shots overlooked by history. Among them are some of more than a thousand Red Army snipers—men and women, who amassed sufficient kills to be awarded the Medal for Courage and the Order of Glory. Also included are some of the best-known sniper victims, and the veracity of the most popular myths. The book thoroughly examines the history and development of the many specialist sniper rifles—some more successful than

others—that have served the world’s armies from the nineteenth-century American Wars to today’s technology-based conflicts. Attention, too, is paid to the progress made with ammunition—without which, of course, precision shooting would be impossible. The development of aids and accessories, from camouflage clothing to laser rangefinders, is also considered. Finally, The Sniper Encyclopedia examines significant locations and specific campaigns—the way marksmen have influenced the course of the individual battles and places which have played a crucial part in the history of sniping, from individual sites to sniper schools and training grounds. The book contains authors’ biographies, a critical assessment of the many books and memoirs on the world of the sniper, and a guide to research techniques. “A remarkable work of research and an endless treasure trove of information for anyone with an interest in the subject.” —Martin Pegler, author of Out Of Nowhere: A History of the Military Sniper

The Sniper at War Michael E Haskew, 2012-07-18

The Sniper at War looks at the impact and role of the sniper from the American Revolutionary War to the present day. Packed with first hand accounts from snipers and those who have faced them, this is the definitive guide to these secretive and deadly individuals and the role they have played in battle over the last three centuries.

Navy SEAL Sniper Glen Doherty, Brandon

Webb, 2017-01-03 The sniper is a battlefield threat second to none. Mastering the art of marksmanship is critical but is only part of what makes a Navy

SEAL sniper. Snipers must be able to apply the craft in an urban environment or alone on a hostile mountain top with equal effectiveness. Today's sniper must not just leverage technological advances but also have the foreknowledge to select the best rifle and gear for the mission. Increasingly, he must have the mental toughness to adapt to a constantly changing environment, gather intelligence, and truly act as a force multiplier. In this comprehensive look through the eyes of former Navy SEAL sniper instructor Brandon Webb and fellow Navy SEAL snipers Chris Kyle and Glen Doherty, the authors reveal not just the fundamentals of marksmanship but also the science of shooting, stalking, and camouflage and how technological advances have changed the training and increased the effectiveness of the modern sniper. Including maritime, helicopter, and urban sniper operations, this updated edition also goes into detail on the latest research, development, testing, and evaluation of weapons and optics. From the basics like compensating for wind and bullet drop, to camouflage and placing yourself or your team in the best position to take a photo or pull a trigger, Webb and Doherty cover the critical elements that comprise the twenty-first century sniper.

Sniper, 2nd Edition Peter Brookesmith, 2007-04-03
Tracing the role of the sniper from the time of the English Civil War and the American Revolution to the Gulf War and Bosnia, this book also goes behind the scenes at the world's top sniper schools and includes real-life anecdotes and

detailed information on sniper rifles and ammunition. 100+ color and b&w photos.

I, Sniper Stephen Hunter, 2009-12-15 Bob Lee Swagger, former Marine Corps sniper, is back. And this time Swagger's facing an adversary whose trigger finger may be even faster than his own. When four famous 1960s radicals are gunned down, including the wife of an international media mogul, it would appear to be an open-and-shut case. A wealth of evidence ties the chief suspect, retired Marine sniper Carl Hitchcock, to the murders. Holder, until recently, of the record number of kills in Vietnam and anxious to reclaim his title, Hitchcock's subsequent suicide would seem to confirm his guilt. But FBI assistant director Nick Memphis has his doubts – and calls on former Marine Corps sniper Bob Lee Swagger to investigate. As Swagger digs deeper, it becomes clear that matters are more complicated than would initially appear. The shots were not executed with the scope of a 1972 rifle, Hitchcock's weapon of choice, but by a high-tech scope used by active Marines. But as Swagger starts to unravel the tangled web of connections surrounding the murders, he finds his own days may be numbered. Because he's about to face one of his most ruthless adversaries yet – a sniper whose keen intellect and pinpoint accuracy rivals his own. The end result will be a bloody confrontation that only one of them can survive. What people are saying about I, Sniper: 'Stephen Hunter's I, Sniper brings back one of the great characters in modern thrillerdom, Bob Lee Swagger, everyone's favourite lethal, dour Southerner. I kind of want

Swagger to meet up with Lee Child's Jack Reacher one day, in a contest to see who could say the least while doing the most damage.' Malcolm Gladwell 'The tension never lets up' New York Times 'Stephen Hunter is an Elmore Leonard on steroids' John Sandford 'As all Bob Lee fans know, it comes down to 'straight killing time.' And so it does, in a ramped-up, high-tech High Noon finale. As always, Hunter makes it work with precise, detail-rich prose that strips the faux glamour from gun fighting and leaves only the skills of the combatants set against the horrors they wreak.' Booklist 'Hunter is back at the top of his game.' Publisher's Weekly 'In his guns-a-poppin' latest, Hunter pits his series hero against a nest of sharp-shooting vipers. Dust off the OK Corral. Even the somewhat squeamish, and even certifiable gun-dummies, may once again find chivalric, heroic Bob Lee just about irresistible.' Kirkus Reviews 'Hunter's thrillers are always taut, exciting, and well written, and his latest is no exception. There's also a lot of gun and tech talk as Swagger uses decades' worth of skills to stay a step or three ahead of the baddies. Swagger fans will not be disappointed.' Library Journal 'Hunter has a unique writing style that thrills and captivates from the opening scene to deliver an exciting whodunit' The Sun 'Stories of passion, guilt and redemption that jump right off the page and smack the reader clean between the eyes' Independent on Sunday 'American hardboiled at its very best, full of taciturn and stoical characters and plotting in explosive overdrive' The Times 'Hunter choreographs the

violence in steely prose and Swagger ... remains one of crime fiction's most engaging heroes' Irish Independent

Sniper's Honor Stephen Hunter, 2014-05-20 In this tour de force—part historical thriller, part modern adventure—from the New York Times bestselling author of *I, Sniper*, Bob Lee Swagger uncovers why World War II's greatest sniper was erased from history...and why her disappearance still matters today. Ludmilla "Mili" Petrova was once the most hunted woman on earth, having raised the fury of two of the most powerful leaders on either side of World War II: Joseph Stalin and Adolf Hitler. But Kathy Reilly of The Washington Post doesn't know any of that when she encounters a brief mention of Mili in an old Russian propaganda magazine, and becomes interested in the story of a legendary, beautiful female sniper who seems to have vanished from history. Reilly enlists former marine sniper Bob Lee Swagger to parse out the scarce details of Mili's military service. The more Swagger learns about Mili's last mission, the more he's convinced her disappearance was no accident—but why would the Russian government go to such lengths to erase the existence of one of their own decorated soldiers? And why, when Swagger joins Kathy Reilly on a research trip, is someone trying to kill them before they can find out? As Bob Lee Swagger, "one of the finest series characters ever to grace the thriller genre, now and forever" (Providence Journal-Bulletin), races to put the pieces together, *Sniper's Honor* takes readers across oceans and time in an action-packed, compulsive

read.

Out of Nowhere Martin Pegler, 2011-09-20 The sniper is probably the most feared specialist warrior and the most efficient killer on the battlefield. Endlessly patient and highly skilled, once he has you in his crosshairs, your chances of survival are slim. This revised edition of *Out of Nowhere* provides a comprehensive history of the sniper, giving insights into all aspects of his life; his training tactics, equipment and the psychology of sniping are examined in the context of the major wars of modern times – including the American Civil War, both world wars, the Vietnam War and the ongoing conflict in Afghanistan. First-hand accounts from veteran snipers demonstrate their skill and extraordinary courage and show why they are still such a vital part of any war.

Vietnam, the Making of a Sniper Jerry Melvin Mitchem, 2010 No other single force in Vietnam put as much fear into the hearts of the enemy nor gained his respect more than the American snipers. This is a story about one such Marine sniper team, in 1964/65 Delta-Two- Foxtrot who helped blaze the trail, gave their best, who hunted the enemy in its own back yard, took out assigned targets without the Viet Cong knowing they were present. Who was feared, hated and yet respected by the Viet Cong. The sniper team was hunted and chased for days and used every trick they knew to get back to base alive. Some teams made it back and still some brave heroes didn't. Semper Fi

Long Shot Jack Coughlin, Donald A. Davis, 2016-08-16 A Russian defector baits the U.S.

in an attempt to regain its empire in this enthralling new novel in the bestselling Kyle Swanson sniper series.

The White Sniper Tapio A. M.

Saarelainen, 2016-10-31 The remarkable story of the Finnish marksman nicknamed "White Death" by the Red Army for his record number of confirmed kills. Simo Häyhä is the most famous sniper in the world. During the Winter War fought between Russia and Finland from 1939 to 1940, he had 542 confirmed kills with iron sights, a record that still stands today. A man of action who spoke very little, Simo Häyhä was hugely respected by his men and his superiors and given many difficult missions, including taking out specific targets. Able to move silently and swiftly through the landscape, melting into the snowbound surroundings in his white camouflage fatigues, his aim was deadly and his quarry rarely escaped. The Russians learned of his reputation as a marksman and tried several times to kill him by indirect fire. He was promoted from corporal to second lieutenant, and he was awarded the Cross of Kollaa. For sniping, Simo Häyhä only ever used his own M/28-30 rifle. Eventually, his luck ran out, and Simo received a serious head wound on March 6, 1940, though he subsequently recovered. The White Sniper fully explores Simo Häyhä's life, his exploits in the Winter War, the secrets behind his success, including character and technique, and also includes a detailed look at his rifle itself. There are appendices on the basics of shooting, the impact of fire on the battlefield, battles on the Kollaa Front during the Winter War, and a list

of ranked snipers of the world. "No matter how many books on sniping you have read, this must be added to your list if you are serious about shooting." –GunMart

Modern Snipers Leigh Neville, 2016-08-25 The years since 9/11 have seen major changes in the way snipers are employed on the modern battlefield, alongside an incredibly rapid evolution in their weapons, equipment and training. This book covers the 14 years of near-constant warfare since the dawn of the 21st century, documenting where, when and how snipers have been deployed; their rifles, optics and their ancillary equipment such as laser range finders; their training and tactics and accounts of real-life operations involving sniper teams. The wars in Iraq and Afghanistan have reaffirmed the importance of snipers in both conventional and unconventional warfare, and this new study covers these developments in depth, as well as looking at the role of the sniper in police and counterterrorism environments.

The Killing School Brandon Webb, John David Mann, 2017-05-09 As a SEAL sniper and combat veteran, Webb was tapped to revamp the U.S. Naval Special Warfare (SEAL) Scout/Sniper School, incorporating the latest advances in technology and ballistics software to create an entirely new course that continues to test the skills and even the best warriors. In this revealing new book, Webb takes readers through every aspect of this training, describing how Spec Ops snipers are taught each dimension of their art. Trainees learn to utilize every edge possible to make their shot-

-from studying crosswinds, barometric pressure, latitude, and even the rotation of the Earth to becoming ballistic experts. But marksmanship is only one aspect of the training. Each SEAL's endurance, stealth and mental and physical stamina are tested and pushed to the breaking point. Webb also shows how this training plays out in combat, using real-life exploits of the world's top snipers, including Jason Delgado, who led a Marine platoon in the Battle of Husaybah and made some of the most remarkable kill shots in the Iraq War; Nicholas Irving, the U.S. Army Ranger credited with thirty-three kills in a single three-month tour in Afghanistan; and Rob Furlong, who during Operation Anaconda delivered the then-longest kill shot in history. During Webb's sniper school tenure, the course graduated some of the deadliest and most skilled snipers of this generation, including Marcus Luttrell (Lone Survivor), Adam Brown (Fearless), and Chris Kyle (American Sniper). From recon and stalk, to complex last minute adjustments, and finally the moment of taking the shot, The Killing School demonstrates how today's sniper is trained to function as an entire military operation rolled into a single individual--an army of one.

Unveiling the Energy of Verbal Artistry: An Emotional Sojourn through **Sniper**

In a global inundated with screens and the cacophony of immediate conversation, the profound energy and mental resonance of verbal beauty

usually diminish into obscurity, eclipsed by the regular barrage of noise and distractions. However, located within the lyrical pages of **Sniper**, a interesting work of fictional beauty that pulses with fresh feelings, lies an wonderful trip waiting to be embarked upon. Written with a virtuoso wordsmith, that magical opus books viewers on a mental odyssey, gently revealing the latent possible and profound affect stuck within the elaborate web of language. Within the heart-wrenching expanse with this evocative analysis, we can embark upon an introspective exploration of the book is key themes, dissect their charming writing style, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.

Time	Sniper Introduction
11. Cultivating a Reading Routine Sniper <ul style="list-style-type: none"> ◦ Setting Reading Goals Sniper ◦ Carving Out Dedicated Reading Time 	<p>In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations.</p> <p>Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public</p>
12. Sourcing Reliable Information of Sniper <ul style="list-style-type: none"> ◦ Fact-Checking eBook Content of Sniper ◦ Distinguishing Credible Sources 	
13. Promoting Lifelong Learning <ul style="list-style-type: none"> ◦ Utilizing eBooks for Skill Development ◦ Exploring Educational eBooks 	
14. Embracing eBook Trends <ul style="list-style-type: none"> ◦ Integration of Multimedia Elements ◦ Interactive and Gamified eBooks 	

domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Sniper free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a

collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Sniper free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific

titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Sniper free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free

PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Sniper. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Sniper any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Sniper Books

1. Where can I buy Sniper books?

Bookstores:

Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.

Online Retailers:

Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.

2. What are the different book formats available?

Hardcover: Sturdy and durable, usually more expensive.

Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software

like Apple Books, Kindle, and Google Play Books.

3. How do I choose a Sniper book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).

Recommendations:

Ask friends, join book clubs, or explore online reviews and recommendations.

Author: If you like a particular author, you might enjoy more of their work.

4. How do I take care of Sniper books?

Storage: Keep them away from direct sunlight and in a dry environment.

Handling: Avoid folding pages, use bookmarks, and handle them with clean hands.

Cleaning: Gently

- dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Sniper audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs:

Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.

10. Can I read Sniper books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
