*Post-Millennial Gothic* Catherine Spooner,2017-02-23 Surveying the widespread appropriations of the Gothic in contemporary literature and culture, *Post-Millennial Gothic* shows contemporary Gothic is often romantic, funny and celebratory. Reading a wide range of popular texts, from Stephenie Meyer's *Twilight* series through Tim Burton's Gothic film adaptations of *Sweeney Todd*, *Alice in Wonderland* and *Dark Shadows*, to the appearance of Gothic in fashion, advertising and television, Catherine Spooner argues that conventional academic and media accounts of Gothic culture have overlooked this celebratory strain of 'Happy Gothic'. Identifying a shift in subcultural sensibilities following media coverage of the Columbine shootings, Spooner suggests that changing perceptions of Goth subculture have shaped the development of 21st-century Gothic. Reading these contemporary trends back into their sources, Spooner also explores how they serve to highlight previously neglected strands of comedy and romance in earlier Gothic literature.

Being an intern in the modern world of corporate and creative offices is - without question - one of the most challenging, rewarding, enjoyable and frustrating jobs in the world. Young, talented and hard-working, interns and apprentices are the future of business, yet are often treated as cheap labour whose name no one can be bothered to remember. *The Intern's Manifesto* is the only survival guide for all first-time workers entering into the work sector - and the perfect present from the concerned parent! Expertly written by a former intern, the book delves deep into all you need to know to make it in the big bad world. **Gendering women** Clisby, Suzanne,Holdsworth, Julia,2016-02-17 *Gendering Women* is an engaging and accessible account of how constructions of femininity fundamentally affect women's mental wellbeing through the life course. Led by women's life history accounts of growing up and growing older in the north of England, this book shows how experiences of becoming and being a woman - in family life, education, employment, motherhood and situations of violence - both enable and erode self confidence and esteem. The challenges to women's mental wellbeing cut across age and class differences and have profound impacts on the material conditions of women's lives throughout the life course. This is in turn a driver of inequality that is often under-recognised in mainstream policy. Based on feminist and ethnographically informed research with over five hundred women *Gendering women* provides a critical link between gender theory and the lived realities of women's daily lives and will appeal to students and academics in sociology and social sciences.

Television Comedy and Femininity Rosie White,2018-11-30 Can comedy on television harbour elements of gender transgression or subversion? If a man is permitted to be 'funny peculiar' - playing the underdog or misfit - does a woman seem stranger in his place? Mapping examples from British and American comedy television over the past 60 years, from *I Love Lucy* to *The Big Bang Theory* and *Smack the Pony* to *Waiting For God*, this book asks: are particular forms of television comedy gendered in specific ways? Paying attention to series which have not been addressed in academic work, as well as more established shows, White offers fresh insights for the fields of television studies, gender and women's studies, cultural history and comedy.

*How to Be a Heroine* Samantha Ellis, 2015-02-03 While debating literature's greatest heroines with her best friend, thirtysomething playwright Samantha Ellis has a revelation—her whole life, she's been trying to be Cathy Earnshaw of *Wuthering Heights* when she should have been trying to be Jane Eyre. With this discovery, she embarks on a retrospective look at the literary ladies—the characters and the writers—whom she has loved since childhood. From early obsessions with the March sisters to her later idolization of Sylvia Plath, Ellis evaluates how her heroines stack up today. And, just as she excavates the stories of her favorite characters, Ellis also shares a frank, often humorous account of her own life growing up in a tight-knit Iraqi Jewish community in London. Here a life-long reader explores how heroines shape all our lives.

In *Highland Heart*, Katya's relationship started promisingly... an easy-on-the-eye guy who ticks all her boxes for brains and beauty. But their long-distance liaison takes its toll and when there is a charmer who doesn't bother to hide his attraction to her close by, who will Katya choose? Weddings... three months to organise one and helpful 'friends' throwing in their ideas and suggestions left, right and centre. If you are a fan of Jill Mansell, Jenny Colgan, Trisha Ashley, Katie Fforde and Sophie Kinsella, the Highland Books trio is your perfect choice for curling up on the couch and losing yourself in the world of Lochalshie. Praise for *Highland Fling*: "It's a great mix of funny moments and that 'does he like me' awkwardness. This book is full of witty dialogue, quirky characters you just know you'd recognise if you met them, and scenery that comes to life, making you want to hop in your car and go there." "Took only 4 nights to devour this book, and I loved every page. The story and characters were very credible, in that the lead man is somebody I wouldn't mind the "love guru" setting me up with. A great funny romantic read, ideal for holidays or a rainy day in." "I loved this book. It's a perfect cosy read. I loved the Scottish setting, with all of the colourful and funny characters." Reviews of *Highland Heart*: "Loved the second instalment of this delightful Scottish drama. Highly recommend both books for an instant Highland getaway." "An excellent, heart-warming rom-com with all of the funniest characters from the first plus some great new ones. I loved seeing Lochalshie from Katya's point of view this time. Funny, sweet and romantic." "Great storytelling with characters I really warmed to. I so wanted Katya to be all loved up that I couldn't put it down until I found out who'd she chosen. And the banter between the villagers was classic."

The last thing Callie needs is anything more on her plate. So when she bumps (quite literally) into a handsome, age-appropriate cyclist, she's quick to dismiss him from her life. After all, if she doesn't have time to brush her hair in the morning, she certainly doesn't have time to fall in love...
