Summary of Edgar Snow's Red Star over China Everest Media, 2022-07-07T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 The Chinese Red Army was a mystery that no one had been able to solve. It was a mass of hungry brigands, some people said, while others claimed that they were fighting for agrarian revolution and against imperialism. #2 The Chinese Communists were unlike any other Communists I had ever seen. They were not like Stalinists or Trotskyites, and they did not read Capital or the works of Lenin. They were not internationalists, but nationalists who were struggling for an independent China. #3 The Chinese Communist movement was a fascinating story that was difficult to understand. It was a story of China, and it was difficult to get information about it. #4 I decided to try and enter Red territory in 1936. I had little to cheer me on my way, other than a letter of introduction to Mao Tse-tung, chairman of the Soviet Government. I had to find him.

Mouse's First Snow Lauren Thompson, 2011-10-18 One cold day Mouse and Poppa venture into the clear white world. From sledding down hills, to skating across the ice, to meeting fluffy snow angels, Mouse finds that wintertime is full of surprises. And before it's time to go home, Mouse just might have time to make a special new friend! Available for the first time as a Classic Board Book, this seasonal story is perfect for little hands!

Perfect Snow Barbara Reid,2011-09-01 It came in the night. Perfect! said Scott. Snow! said Jim. At recess the schoolyard is full of happy kids. Scott is making snowmen, Jim is working on the world's greatest snow fort. At lunchtime they join forces to create a perfect snow surprise! Barbara Reid combines her trademark plasticine artwork with ink and watercolour panels to bring a timeless tale of winter fun to life.

The Winter Star Robert Burnett,2003-01-29 Westburgh Pennsylvania, a small, quiet town on the outskirts of Wilkes-Barre. A town with a terrifying history that has long been forgotten. When a small prop plane crashes in the woods outside of town, a man running from his own past is drawn into a history he has no knowledge of. He is told to look for others that can help him, and is given a cryptic message: 'What's coming through is alive' What does it mean? A single phrase, linking three unlikely individuals against something they don't understand. A horror is reawakening, and will bring with it a darkness to the town no one can prepare for. Three people, chosen to finish something that began nearly a century before. Three people, formed by a shared past and an allegiance to stop the terror. They are the only hope the town has.
