Snowball Sue Hendra,Paul Linnet,2018-10-18 Created by award-winning, bestselling duo Sue Hendra and Paul Linnet, Snowball is a brilliantly funny picture book, with wonderfully comical images illustrating the hilarious rhyming story - perfect for Christmas! A lonely young snowball, stuck at the top of a mountain, decides to visit the local town for a bit of fun – but on his way he trips, falls, and starts to roll . . . and when a snowball rolls through snow, we all know what happens! This snowball picks up not only snow, but a myriad of other odd things on his way down – a sheep, a line of washing, a bicycling bear, ending up in the Zoo.

Snowball Fight! Jimmy Fallon,2014-01-02 Snow day! School's closed! And somewhere out there, a snowball fight is waiting to happen! Comedian and future Tonight Show host Jimmy Fallon brings the high action and high comedy of winter's most riotous kid rite of passage to life in brisk, uproarious verse. Snow bunnies and Fallon fans of all ages will recognize the runny noses, snowball assaults, toboggan shields, and hand-me-down snowsuits that are essential ingredients of cold-weather fun.

Snowballs Lois Ehlert,2001 Pull on your mittens and head outside with Lois Ehlert for a snowball day Grab some snow and start rolling. With a few found objects, like buttons and fabric and seeds, and a little imagination, you can create a whole family out of snow. Ehlert uses collages of cut paper and vibrant, textured objects to dazzling effect in her tribute to building a snowman--and snowgirl and snowcat. Her inventive designs extend the reader's perspective and tweak the limits of the picture-book format.--Publishers Weekly

Snowball Keith Gonyea,2013-12-27 Snowball was born in the late fall of 1976 solely to entertain the kids of the author, Keith Gonyea. After the kids had heard the story for a couple of Christmas seasons it was relegated to a box of Keiths Stuff and put in the basement. The story speaks for itself and there was really never an intent to publish Snowball. It sat there for about 30 years until Keiths daughter, Michelle, asked if he still had a copy of Snowball. Keith searched for a couple days but could not come up with the elusive box of Keiths Stuff so he dusted off the grey matter and rewrote the story totally from memory. The story of Snowball was written entirely to entertain kids and those who remain kids at heart. There certainly are no claims that it is great literature for the ages...some will like it, some will tolerate it, and some will despise it. It is intended to entertain and hopefully generate that most beautiful thing...a smile on the face of an innocent child.

Snowball Earth Gabrielle Walker,2009-08-24 The riveting story of Earth's first ice age and the scientist who discovered it 'An engrossing book on the emergence of a stunning new account of events on our primordial planet ... fascinating' Sunday Telegraph 'This is a story worth telling ... Walker is an ideal person to tell it ... Racy and pacy, with a focus on the people involved ... A very entertaining read' Independent 'Did the Earth once undergo a super ice age, one that froze the entire planet? A global adventure story and a fascinating account of scientist Paul Hoffman's quest to prove his maverick 'Snowball Earth' theory, this is science writing at its most gripping. In SNOWBALL EARTH, Gabrielle Walker takes us on a thrilling natural history expedition in search of supporting evidence for the audacious theory which argues that the Earth experienced a climatic cataclysm 600 million years ago that froze the entire planet from the poles to the equator. Because the global snowball happened so long ago the ice has now long gone - but it left its traces in rocks around the world and in order to see the evidence, Walker visited such places as Australia, Namibia, South Africa and Death Valley, USA. Part adventure story and part travel book, it's a tale of the ultimate human endeavour to understand our origins.

Snowball's Chance John Reed,2012-07-31 This unauthorized companion to George Orwell's Animal Farm is a controversial parable about September 11th by one of fiction's most inventive and provocative writers Written in 14 days shortly after the September 11th attacks, Snowball's Chance is an outrageous and unauthorized companion to George Orwell's Animal Farm, in which exiled pig Snowball returns to the farm, takes charge, and implements a new world order of untrammelled capitalism. Orwell's "All animals are equal, but some animals are more equal than others" has morphed into the new rallying cry: "All animals are born equal—what they become is their own affair." A brilliant political satire and literary parody, John Reed's Snowball's Chance caused an uproar on publication in 2002, denounced by Christopher Hitchens, and barely dodging a lawsuit from the Orwell estate. Now, a decade later, with America in wars on many fronts, readers can judge anew the visionary truth of Reed's satirical masterpiece.

The Luckiest Snowball Elliot Kreloff,2019-09-10 Help! I'm melting! A boy rescues a snowball again and again in this funny story about a snowball that gets to see all four seasons. A boy makes a snowball and is about to throw it when he hears Stop! . . . Let's do something else. So the boy and the snowball make a snow angel, build a snow fort, and make a snowman instead. The boy decides to take the snowball home. When the snowball starts to melt, the boy rescues it by putting it in the freezer, where the snowball meets some very nice frozen foods and a tray of ice cubes too. The snowball meets flowers and butterflies in spring, sea and sand in summer, and apples and colorful leaves in fall. With a bright, glittery cover and bold illustrations, The Luckiest Snowball is a great read-aloud to share. Children will enjoy shouting along with the snowball's refrain-- Help! I'm melting! There is back matter about the seasons and the three states of water. An ILA-CBC Children's Choice!

Snowball Jennifer Egan,2015-11-03 The holidays are not always perfect. Christmas does not always turn out as you planned. Curl up and enjoy another look at this winter season. Enjoy the nostalgic, the romantic, and the unusual from humorous, to love, to suspense. Here are some stories that will make you smile, warm your heart and chill your soul. These stories will keep you turning the pages in this holiday collection filled with, couples in love, snow ball pranksters, and women being stalked. Settle down, curl up, and be surprised by the unexpected.

Snowball in a Blizzard Steven Hatch,2016-02-23 There's a running joke among radiologists: finding a tumor in a mammogram is akin to finding a snowball in a blizzard. A bit of medical gallows humor, this simile illustrates the difficulties of finding signals (the snowball) against a background of noise (the blizzard). Doctors are faced with similar difficulties every day when sifting through piles of data from blood tests to X-rays to endless lists of patient symptoms. Diagnoses are often just educated guesses, and prognoses less certain still. There is a significant amount of uncertainty in the daily practice of medicine, resulting in confusion and potentially deadly complications. Dr. Steven Hatch argues that instead of ignoring this uncertainty, we should embrace it. By digging deeply into a number of rancorous controversies, from breast cancer screening to blood pressure management, Hatch shows us how medicine can fail—sometimes spectacularly—when patients and doctors alike place too much faith in modern medical technology. The key to good health might lie in the ability to recognize the hype created by so many medical reports, sense when to push a physician for more testing, or resist a physician's enthusiasm when unnecessary tests or treatments are being offered. Both humbling and empowering, Snowball in a Blizzard lays bare the inescapable murkiness that permeates the theory and practice of modern medicine. Essential reading for physicians and patients alike, this book shows how, by recognizing rather than denying that uncertainty, we can all make better health decisions.

The Biggest Snowball Ever! John Rogan,1998 The action-packed rhymes in this whimsical story of winter cheer are great fun for kids to recognize and recite this holiday season--if they can stop giggling enough to join in! Full color.

Snowball Gregory Bastianelli,2020-01-30 Readers will be riveted by this genuinely scary holiday phantasmagoria.– Publishers Weekly A group of motorists become stranded on a lonely stretch of highway during a Christmas Eve blizzard and fight for survival against an unnatural force in the storm. The gathered survivors realize a tenuous connection among them means it may not be a

coincidence that they all ended up on this highway. An attempt to seek help leads a few of the travelers to a house in the woods where a twisted toymaker with a mystical snow globe is hell bent on playing deadly games with a group of people just trying to get home for the holidays. FLAME TREE PRESS is the new fiction imprint of Flame Tree Publishing. Launched in 2018 the list brings together brilliant new authors and the more established; the award winners, and exciting, original voices.

The Snowball Jennifer Armstrong,1996-11-12 Illustrated in full color. Watch out below! Here comes a giant snowball tumbling down a hill, picking up everything--and everybody--in its path!
The Snowball Giuliano Ferri,2015-11-01 This classic holiday-season board book makes a perfect gift or stocking stuffer for babies and toddlers! A simple, wordless celebration of winter joy—with a delightful surprise ending What happens when you take a little snowball and try to make it bigger? You might roll it up a hill, you might even get some friends to help you roll it, until the snowball is huge. But what happens when gravity takes over? In this adorably hilarious, wordless board book, artist Giuliano Ferri uses clever die-cuts to bring humor and anticipation to a charming story of what happens when the snowball of your dreams goes off course.

The Snowball Barbara Sleigh,Patricia Drew,1969
The Snowball Alice Schroeder,2009-09-16 Shortlisted for the Financial Times and Goldman Sachs Business Book of the Year Prize 2008 The Snowball is the first and will be the only biography of the world's richest man, Warren Buffett, written with his full cooperation and collaboration. Combining a unique blend of The Sage of Omaha's business savvy, life story and philosophy, The Snowball is essential reading for anyone wishing to discover and replicate the secrets of his business and life success. Warren Buffett is arguably the world's greatest investor. Even as a child he was fascinated by the concept of risk and probability, setting up his first business at the age of six. In 1964 he bought struggling Massachusetts textile firm Berkshire Hathaway and grew it to be the 12th largest corporation in the US purely through the exercise of sound investing principles - a feat never equalled in the annals of business. Despite an estimated net worth of around US\$62 billion, Buffett leads an intriguingly frugal life taking home a salary of only £50,000 a year. His only indulgence is a private jet, an extravagance he wryly acknowledges by calling it The Indefensible. In 2006, he made the largest charitable donation on record, with most of it going to the Bill & Melinda Gates Foundation. The Snowball provides a comprehensive, richly detailed insight one of the world's most extraordinary and much loved public figures.

Snowball's Christmas Kristen McKanagh,2020-09-29 Snowball—an aptly named bundle of feline fluff—is thankful to be spending her first Christmas in the comfort of Weber Haus, the Victorian B&B run by Miss Tilly. Emily Diemer, who cooks for the guests, dotes on Snowball, but she’s not thrilled about another new arrival at the B&B: Miss Tilly’s nephew, Lukas. Which is odd, because Snowball’s animal instincts tell her that Lukas and Emily should definitely be friends. Everything Emily needs is in this quaint community—including, she hopes, the chance to open her own bakery one day. She doesn’t think much of Lukas for leaving his aging aunt to struggle while he jets around the world taking photographs. But now that he’s here, helping to spruce up the property and getting mixed up in Snowball’s antics, she begins to soften a little. Until she learns what he has planned . . . Lukas is going to sell Weber Haus so that Miss Tilly can retire. But Snowball is certain that this B&B, and these people, are supposed to be her forever home. Somehow she has to get these stubborn humans to see things through the wisdom of a cat’s eye and a kitten’s loyal, loving heart . . . “Expertly crafted...the perfect Christmas treat.” —Booklist, Starred Review

Snowball (The Puppy Place #2) Ellen Miles,2011-11-01 Welcome to the Puppy Place--where every puppy finds a home! Charles and Lizzie Peterson are very good with puppies.
