**Snowflakes Fall** Patricia MacLachlan,2013-10-29 In *Snowflakes Fall*, Newbery Medalist Patricia MacLachlan and award-winning artist Steven Kellogg portray life's natural cycle: its beauty, its joy, and its sorrow. Together, the words and pictures offer the promise of renewal that can be found in our lives—snowflakes fall, and return again as raindrops so that flowers can grow. MacLachlan and Kellogg, who are longtime friends, were moved to collaborate on a message of hope for children and their families following the tragic events in Sandy Hook, Connecticut, on December 14, 2012. Kellogg lived in Sandy Hook for thirty-five years—he raised his family there and was an active member of the community. With *Snowflakes Fall*, they have created a truly inspiring picture book that is both a celebration of life and a tribute to the qualities that make each individual unique. In honor of the community of Sandy Hook and Newtown, Random House, the publisher of *Snowflakes Fall*, has made a donation to the Sandy Hook School Support Fund. Random House is also donating 25,000 new books to the national literacy organization First Book in the community's honor and in support of children everywhere.

Free Outside Jeff Garmire,2019-09-03 Jeff Garmire was living the fast paced life of a successful young professional when he gave it all up to embark on the adventure of a lifetime. He set out to become only the fifth person to thru-hike the Pacific Crest Trail, Appalachian Trail and Continental Divide Trail in a single calendar year. Finishing the 8,000 mile Calendar Year Triple Crown would be an adventure of a lifetime. The journey was riddled with inclement weather, shady characters, wildlife attacks, and injuries. Along the way Jeff swam frozen rivers, encountered wildfires and battled his own mind. He offers a captivating story of strength and courage. Hiking through some of the most remote areas in America, Jeff is continually overwhelmed by the kindness and generosity of strangers. Free Outside is the fascinating story of Jeff Garmire's journey along the national historic trails that define wild America. Finishing would take everything he had, and he was willing to give it all.

**Snow Sisters!** Kerri Kokias,2018-01-02 Just like snowflakes, no two sisters are alike, but together, they can share the perfect snow day. Siblings, snow-bunnies, and fans of the Frozen movies will all find something to love in Snow Sisters! When snowflakes fall, two sisters react in different ways. One is excited and the other is wary. The first sister spends the morning outdoors, playing until she's all tuckered out. Meanwhile, the second sister stays indoors, becoming ever more curious about the drifts outside. Soon, they switch places, and spend the second half of the day retracing each other's footsteps. But each sister puts her own unique spin on activities like sledding, baking and building. The simple mirrored text is spare and lovely, and each spread is split to show what each sister is doing independently--until at last they come together in the sweet, satisfying conclusion. LeUyen Pham's Big Sister, Little Sister meets Kate Messner's Over and Under the Snow. Chock-full of ideas for fun on a snowy day . . . A nice addition to sibling shelves that shows that fun can also be had apart. --Kirkus Reviews

Still Here Lara Vapnyar, 2017-05-02 A profound and dazzlingly entertaining novel from the writer Louis Menand calls Jane Austen with a Russian soul In her warm, absorbing and keenly observed new novel, Lara Vapnyar follows the intertwined lives of four immigrants in New York City as they grapple with love and tumult, the challenges of a new home, and the absurdities of the digital age. Vica, Vadik, Sergey and Regina met in Russia in their school days, but remained in touch and now have very different American lives. Sergey cycles through jobs as an analyst, hoping his idea for an app will finally bring him success. His wife Vica, a medical technician struggling to keep her family afloat, hungers for a better life. Sergey's former girlfriend Regina, once a famous translator is married to a wealthy startup owner, spends her days at home grieving over a recent loss. Sergey's best friend Vadik, a programmer ever in search of perfection, keeps trying on different women and different neighborhoods, all while pining for the one who got away. As Sergey develops his app—calling it Virtual Grave, a program to preserve a person's online presence after death—a formidable debate begins in the group, spurring questions about the changing perception of death in the modern world and the future of our virtual selves. How do our online personas define us in our daily lives, and what will they say about us when we're gone? — New York Times Book Review, 100 Notable Books of 2016

33 *Snowfish* Adam Rapp, 2011-04-12 Adam Rapp's brilliant and haunting story will break your heart. But then his words will mend it. . . . Absolutely unforgettable. - Michael Cart On the run in a stolen car with a kidnapped baby in tow, Custis, Curl, and Boobie are three young people with deeply troubled pasts and bleak futures. As they struggle to find a new life for themselves, it becomes painfully clear that none of them will ever be able to leave the past behind. Yet for one, redemption is waiting in the unlikeliest of places. With the raw language of the street and lyrical, stream-of-consciousness prose, Adam Rapp hurtles the reader into a world of lost children, a world that is not for the faint of heart. Gripping, disturbing, and starkly illuminating, his hypnotic narration captures the voices of two damaged souls - a third speaks only through drawings - to tell a story of alienation, deprivation, and ultimately, the saving power of compassion.
