One Snowy Night Nick Butterworth, 2007

A Dark and Snowy Night Sally Goldenbaum, 2022-09-27 USA Today bestselling author Sally Goldenbaum continues her beloved Seaside Knitters Society mysteries set in the “idyllic world” (Publishers Weekly) of a small Massachusetts coastal community—rich in friendship and “full of suspense and human warmth” (The Washington Book Review) * Includes a knitting pattern * The Christmas trees are up, the Seaside Knitters are crafting warm and beautiful gifts for the holidays, and friends and families are gathering in picturesque Sea Harbor, Massachusetts—a place where traditions run deep, but so do some treacherous family secrets . . . Winter in Sea Harbor is a feast for the senses—crackling bonfires, the scent of snow in the salty air, carols ringing out on the village green. This year, the Seaside Knitters have a sackful of obligations in addition to their usual Christmas preparations. Izzy is so overloaded with knitting classes that she hires an extra salesperson, but the new addition has trouble fitting into the yarn shop's holiday spirit. Cass, juggling the stresses of running her lobster fishery, has finally found a nanny for her active toddler. Molly Flanigan seems practically perfect in every way—until she suddenly disappears, taking Cass's beloved rescue mutt with her . . . Meanwhile, the holidays are kicking off in style at Mayor Beatrice Scaglia's holiday party, where a well-dressed crowd admires the mayor's sumptuous new home and the celebrity chef catering the event. An additional treat for Ben and Nell Endicott at the festive affair is reconnecting with a dear college friend, Oliver Bishop. But it's not just reunions and the appetizers that are to-die-for. Before the party-goers can toast the beginning of Sea Harbor's festive season, the chef—and young wife of the Endicott's old Harvard friend—is found dead beneath the mistletoe . . . Izzy, Birdie, Nell, and Cass must uncover the pattern to these mysteries to remove suspicion from those they love, bring a murderer to justice—and keep Sea Harbor's holiday magic from vanishing into the chill winter air . . .

The Long Dark Winter's Night Patrick Bergquist,2010-01-01 Before Father Patrick Bergquist moved to Alaska, he imagined himself spending his free evenings wrapped in a warm quilt, reading novel after novel during the long arctic winters. Those idealized expectations were met with the unavoidable reality of winter's harshness, a pervasive darkness that made it neither realistic nor helpful to merely wait out the winter and hope for spring. And yet, says Bergquist, this is what we as a Catholic Church are tempted to do in the enduring darkness of the sexual abuse crisis. We want to wrap ourselves in the secure blanket of tradition and memory, thinking that this crisis too will pass-or worse still, that it has already passed. Bergquist admits he is but a simple parish priest, no saint and surely no scholar. But it is precisely his perspective as a parish priest that gives rise to his poetic and prophetic voice. He speaks from his heart, soul, and experience in a way few others have done. He names and validates the pain and fear, the hopes and dreams that so many of us share. The Long Dark Winter's Night is both realistic and helpful. Patrick Bergquist was ordained in 1990. He is a diocesan priest of the Missionary Diocese of Northern Alaska and has been pastor of St. Raphael Catholic parish in Fairbanks since 1998.

New York In The Snow Vivienne Gucwa,2017-08-03 The iconic city of New York is a bustling, heady metropolis that, thanks to the power of media, everyone in the world knows intimately, even if they've never been. But every once in a while it changes completely. At first a few flakes will fall, then more, and more. Hardened New Yorkers rush for warmth and, while they're absent, an amazing, glistening almost deserted winter wonderland momentarily appears. It is these moments that phenomenally popular photo-blogger Vivienne Gucwa lives for. She has been documenting them for more than a decade, rushing out to capture the city in snow. Of all the photos that have made her the celebrated, award-winning success that she is, it is these that are most loved, both online and in print, so we offer them here in a sumptuous volume to be enjoyed by anyone who loves New York, whether from afar, as an occasional visitor, or if you've never left the Big Apple.

One Winter's Night John Herman,2003 Martha is only a cow, but even a cow needs a safe, warm place on such a cold, snowy night-especially when she is about to give birth. She finds a house, but it is deserted. She finds a barn, but it is locked. Meanwhile, in a parallel story depicted only through art spots, a man and a woman and a donkey make their way across these same wintry fields. At last, Martha follows a star in the east to a shed . . . but she is not alone there. The man and woman are sheltering there too, and in a wonderfully mysterious way, another baby is about to be born this winter's night. Leo and Diane Dillon's art blends warmly with John Herman's lyrical text as parallel journeys of two very special mothers merge in this soft, gentle tale about one miraculous night.
