The Sober Girl Society Handbook Millie Gooch,2021-01-14 UPDATED WITH A BRAND NEW CHAPTER ON SOBER CURIOSITY *Voted an Independent best self-care book for 2021* *Voted one of Heat's best self-help books to help you reach your full potential* If you've ever woken up feeling anxious, or cringing with embarrassment, about something you did or said whilst drunk the night before, this book may just change your life. Whichever way you look at it, it's hard to avoid how alcohol really makes us feel: terrible. After years of partying and hangovers started taking a toll on her mental health, Millie Gooch gave up alcohol and has never looked back. Offering tips and advice on staying sober and curious in a world obsessed with booze, this handbook will change your life for ever, by showing you not only why you should drink less, but how. Millie shares essential information to empower you to transform your relationship with alcohol so that you can lead your most fulfilling life. Whether you're sober curious or determined to make a more permanent change, it's time to join the Sober Girl Society! It's time to join the Sober Girl Society: 'I LOVE this book already, just received today and I can't put it down!' 'I recommend this to anyone; whether they want to stop drinking permanently, or even would just like to cut down on their drinking.' 'I love how relatable and non-preachy this book is.' 'Approaches what can be a tricky and confusing subject for many with humour and wit.' 'Perfect for those reconsidering their relationship with alcohol. Brilliant book.'

The Alcohol Experiment: Expanded Edition Annie Grace,2020-09-29 Now complete with daily prompts to reflect on each day of a month-long, alcohol-free plan, the author of This Naked Mind helps readers challenge their thinking, find clarity, and form new habits. Changing your habits can be hard without the right tools. This is especially true for alcohol because habits are, by definition, subconscious thought processes. Through her methodical research of the latest neuroscience and her own journey, Annie Grace has cracked the code on habit change by addressing the specific ways habits form. This unique and unprecedented method has now helped thousands redefine their relationship to drinking painlessly and without misery. In The Alcohol Experiment, Annie offers a judgment-free action plan for anyone who's ever wondered what life without alcohol is like. The rules are simple: Abstain from drinking for 30 days and just see how you feel. Annie arms her readers with the science-backed information to address the cultural and emotional conditioning we experience around alcohol. The result is a mindful approach that puts you back in control and permanently stops cravings. With a chapter and journal prompt devoted to each day of the experiment, Annie presents wisdom, tested strategies, and thought-provoking information to supplement the plan and support your step-by-step success as you learn what feels good for you. It's your body, your mind, and your choice.

Principles of Drug Addiction Treatment: a Research-Based Guide National Drug Abuse (NIDA),2018-05-28 Drug addiction is a complex illness. It is characterized by intense and, at times, uncontrollable drug craving, along with compulsive drug seeking and use that persist even in the face of devastating consequences. This update of the National Institute on Drug Abuse's Principles of Drug Addiction Treatment is intended to address addiction to a wide variety of drugs, including nicotine, alcohol, and illicit and prescription drugs. It is designed to serve as a resource for healthcare providers, family

members, and other stakeholders trying to address the myriad problems faced by patients in need of treatment for drug abuse or addiction. Addiction affects multiple brain circuits, including those involved in reward and motivation, learning and memory, and inhibitory control over behavior. That is why addiction is a brain disease. Some individuals are more vulnerable than others to becoming addicted, depending on the interplay between genetic makeup, age of exposure to drugs, and other environmental influences. While a person initially chooses to take drugs, over time the effects of prolonged exposure on brain functioning compromise that ability to choose, and seeking and consuming the drug become compulsive, often eluding a person's self-control or willpower. But addiction is more than just compulsive drug taking—it can also produce far reaching health and social consequences. For example, drug abuse and addiction increase a person's risk for a variety of other mental and physical illnesses related to a drug-abusing lifestyle or the toxic effects of the drugs themselves. Additionally, the dysfunctional behaviors that result from drug abuse can interfere with a person's normal functioning in the family, the workplace, and the broader community. Because drug abuse and addiction have so many dimensions and disrupt so many aspects of an individual's life, treatment is not simple. Effective treatment programs typically incorporate many components, each directed to a particular aspect of the illness and its consequences. Addiction treatment must help the individual stop using drugs, maintain a drug-free lifestyle, and achieve productive functioning in the family, at work, and in society. Because addiction is a disease, most people cannot simply stop using drugs for a few days and be cured. Patients typically require long-term or repeated episodes of care to achieve the ultimate goal of sustained abstinence and recovery of their lives. Indeed, scientific research and clinical practice demonstrate the value of continuing care in treating addiction, with a variety of approaches having been tested and integrated in residential and community settings.

This Naked Mind Annie Grace, 2018-01-02 This Naked Mind has ignited a movement across the country, helping thousands of people forever change their relationship with alcohol. Many people question whether drinking has become too big a part of their lives, and worry that it may even be affecting their health. But, they resist change because they fear losing the pleasure and stress-relief associated with alcohol, and assume giving it up will involve deprivation and misery. This Naked Mind offers a new, positive solution. Here, Annie Grace clearly presents the psychological and neurological components of alcohol use based on the latest science, and reveals the cultural, social, and industry factors that support alcohol dependence in all of us. Packed with surprising insight into the reasons we drink, this book will open your eyes to the startling role of alcohol in our culture, and how the stigma of alcoholism and recovery keeps people from getting the help they need. With Annie's own extraordinary and candid personal story at its heart, this book is a must-read for anyone who drinks. This Naked Mind will give you freedom from alcohol. It removes the psychological dependence so that you will not crave alcohol, allowing you to easily drink less (or stop drinking). With clarity, humor, and a unique blend of science and storytelling, This Naked Mind will open the door to the life you have been waiting for. "You have given me my life back." —Katy F., Albuquerque, New Mexico "This is an inspiring and groundbreaking must-read. I am forever inspired and changed." —Kate S., Los Angeles, California "The most selfless and amazing book that I have ever read." —Bernie M., Dublin, Ireland

Eating Disorders in Sport Ron A. Thompson, Roberta Trattner Sherman, 2011-01-19 Over the past fifteen years, there has been a great increase in the knowledge of eating disorders in sport and effective means of treatment. In this book, the authors draw on their extensive clinical experience to discuss how to identify, manage, treat, and prevent eating disorders in sport participants. They begin by examining the clinical conditions related to eating problems, including descriptions of specific disorders and a review of the

relevant literature. Special attention is given to the specific gender and sport-related factors that can negatively influence the eating habits of athletes. The second half of the book discusses identification of participants with disordered eating by reviewing symptoms and how they manifest in sport; management issues for sport personnel, coaches, athletic trainers, and healthcare professionals; treatment; and medical considerations, such as the use of psychotropic medications. A list of useful resources is included in an appendix, as well as a glossary of important terms.

A New Pair of Glasses Chuck C.,1984

Quit Like a Woman Holly Whitaker,2019-12-31 NEW YORK TIMES BESTSELLER • “An unflinching examination of how our drinking culture hurts women and a gorgeous memoir of how one woman healed herself.”—Glennon Doyle, #1 New York Times bestselling author of *Untamed* “You don’t know how much you need this book, or maybe you do. Either way, it will save your life.”—Melissa Hartwig Urban, Whole30 co-founder and CEO The founder of the first female-focused recovery program offers a groundbreaking look at alcohol and a radical new path to sobriety. We live in a world obsessed with drinking. We drink at baby showers and work events, brunch and book club, graduations and funerals. Yet no one ever questions alcohol’s ubiquity—in fact, the only thing ever questioned is why someone doesn’t drink. It is a qualifier for belonging and if you don’t imbibe, you are considered an anomaly. As a society, we are obsessed with health and wellness, yet we uphold alcohol as some kind of magic elixir, though it is anything but. When Holly Whitaker decided to seek help after one too many benders, she embarked on a journey that led not only to her own sobriety, but revealed the insidious role alcohol plays in our society and in the lives of women in particular. What’s more, she could not ignore the ways that alcohol companies were targeting women, just as the tobacco industry had successfully done generations before. Fueled by her own emerging feminism, she also realized that the predominant systems of recovery are archaic, patriarchal, and ineffective for the unique needs of women and other historically oppressed people—who don’t need to lose their egos and surrender to a male concept of God, as the tenets of Alcoholics Anonymous state, but who need to cultivate a deeper understanding of their own identities and take control of their lives. When Holly found an alternate way out of her own addiction, she felt a calling to create a sober community with resources for anyone questioning their relationship with drinking, so that they might find their way as well. Her resultant feminine-centric recovery program focuses on getting at the root causes that lead people to overindulge and provides the tools necessary to break the cycle of addiction, showing us what is possible when we remove alcohol and destroy our belief system around it. Written in a relatable voice that is honest and witty, *Quit Like a Woman* is at once a groundbreaking look at drinking culture and a road map to cutting out alcohol in order to live our best lives without the crutch of intoxication. You will never look at drinking the same way again.

Quit Drinking Tracker A. G. Studio,2021-02-04 Sobriety journals aid in addiction recovery and motivate personal growth by increasing self-awareness and accountability, tracking triggers to avoid, and providing space for working through intense emotions.

Alcoholics Anonymous Bill W.,2014-09-04 A 75th anniversary e-book version of the most important and practical self-help book ever written, Alcoholics Anonymous. Here is a special deluxe edition of a book that has changed millions of lives and launched the modern recovery movement: Alcoholics Anonymous. This edition not only reproduces the original 1939 text of Alcoholics Anonymous, but as a special bonus features the complete 1941 Saturday Evening Post article “Alcoholics Anonymous” by journalist Jack Alexander, which, at the time, did as much as the book itself to introduce millions of seekers to AA’s program. Alcoholics Anonymous has touched and transformed myriad lives, and finally appears in a

volume that honors its posterity and impact.

The Compass of Pleasure David J. Linden, 2012-04-24 From the New York Times bestselling author comes a hugely entertaining (NPR.org) look at vice and virtue through cutting-edge science As he did in his award-winning book *The Accidental Mind*, David J. Linden—highly regarded neuroscientist, professor, and writer—weaves empirical science with entertaining anecdotes to explain how the gamut of behaviors that give us a buzz actually operates. *The Compass of Pleasure* makes clear why drugs like nicotine and heroin are addictive while LSD is not, how fast food restaurants ensure that diners will eat more, why some people cannot resist the appeal of a new sexual encounter, and much more. Provocative and illuminating, this is a radically new and thorough look at the desires that define us.

The Easy Way to Stop Smoking Allen Carr, 2004 The author offers a step-by-step approach to stop smoking without the use of nicotine substitutes.

The Sober Survival Guide Simon Chapple, 2019-09-28 *The Sober Survival Guide - How to Free Yourself from Alcohol Forever - By Simon Chapple. Foreword by Annie Grace - Author of This Naked Mind - Control Alcohol* Are you tired of thinking about drinking? Hands up if you believe any of the following about drinking alcohol to be true: I can't have fun without alcohol. Imagine going to a party without drinking! it makes me feel less anxious or depressed; it helps me sleep; I can't relax without it; it makes me entertaining to be around; it fits the lifestyle of my boozy friends; I like the taste of alcohol; it's cool and sophisticated; I'm not confident enough to talk to new people without it; it helps me deal with all the problems life throws my way; it stops me worrying about how much I'm drinking (ironic, I know). If you find yourself nodding at even one of these statements, then I know how you feel. I was a heavy daily drinker for over twenty years, I too used to believe that I couldn't live without alcohol, and that once I'd had a few drinks I was funny to be around (hilarious in fact). Are you too are tired and fed up with the routine of drinking, and want to make a change and improve your life? Or you may simply be curious about how an alcohol-free life might look for you. Could it be better? Happier? Calmer? More peaceful? Perhaps you're already on the path to changing your relationship with booze and might have read other 'sober books' or taken part in programmes to help you quit. I want you to know you can do the same as me and find complete freedom from alcohol, and that you don't have to wait for years like I did. Also, I want to reassure you that alcohol addiction is never a person's fault, and that there's no need to blame yourself for finding it hard to give up. It honestly isn't as difficult as you might think, and this book will provide the support, tactics and advice you need as you progress on your sober journey. *The Sober Survival Guide* is unique in that it is split into two parts. The first is designed to set you up for success and put you in a place where you can find freedom from alcohol if that's what you want. The first part of the book contains essential information for when you're in the early stages of controlling your drinking. The second part serves as a handbook as you move forward into an alcohol-free life and is where this book comes into its own. As you read it you'll see I've used my own experiences and those of the people I've worked with to help ensure you're ready for the challenges, fears, and questions that will come up in the years after quitting drinking. You'll learn how to handle the work Christmas party without a glass of bubbly in hand, the joys of sober holidays, what to do when you stop drinking but your partner won't, and a whole lot more. With this part you can dip in and out, picking the chapters that address the problems you're facing that day or week. This unique quit alcohol book also shares my own stories and personal accounts that helped me learn (sometimes the hard way), so as well as providing vital tools and tactics it will also leave you with a smile on your face and provide you with a fun and enjoyable read. Part memoir, part sober guide and 100% alcohol free - *The Sober Survival Guide* is perfect for anyone looking to free themselves

from the grip of alcohol. Simon Chapple is the founder of Be Sober one of the largest online 'quit drinking' communities, he is also a speaker and works as a Certified Alcohol Coach working with This Naked Mind helping people change their relationship with alcohol. He has helped thousands of people quit drinking and has made it his life mission to spread the word about the benefits an alcohol-free life brings. Join Simon and the alcohol freedom revolution on Instagram @besoberandquit or visit www.besober.co.uk to discover more.

How to Quit Alcohol in 50 Days Simon Chapple, 2020-12-24 'AN INSPIRATIONAL MANIFESTO' - Annie Grace 'SIMON IS FABULOUS - YOU HAVE NOTHING TO LOSE AND EVERYTHING TO GAIN!' - Clare Pooley Do you feel trapped by alcohol? Do you find yourself thinking about drinking too often? Do you put alcohol ahead of the most important things in your life? If so - here's some good news. You can quit drinking, and it's not as difficult as you think. Simon Chapple is a Certified Alcohol Coach who has helped thousands of people change the way that alcohol features in their lives. In *How to Quit Drinking in 50 Days* he'll give you a structured way to find complete freedom from alcohol - for now, or forever. This 50-day journey to freedom is split into two parts. Days 1-25 will ask you to take an honest look at the impact alcohol has had on your life, to examine the reasons for your drinking, and will arm you with the best strategy for quitting alcohol successfully. Days 26-50 will ask you to make the commitment to taking a break from alcohol - taking each step with one chapter a day, and answering the questions that come up. There are strategies for dealing with challenges and setbacks, and a wealth of resources for finding support and inspiration. Above all, there is a genuine passion for the sober adventure, and the huge rewards of an alcohol-free life - a life of freedom that's waiting for you. *Includes free downloadable workbook and journal* Download the workbook from the John Murray Learning Library website, or the free John Murray Learning app. PREORDERED? The Sober Diaries Clare Pooley, 2017-12-28 BY THE AUTHOR OF NEW YORK TIMES BESTSELLER THE AUTHENTICITY PROJECT, THE BRAVE AND FUNNY MEMOIR THAT IS CHANGING LIVES. How one mother gave up drinking and started living. This is Bridget Jones Dries Out. Clare Pooley is a Cambridge graduate and was a Managing Partner at one of the world's biggest advertising agencies, and yet by eighteen months ago she'd become an overweight, depressed, middle-aged mother of three who was drinking more than a bottle of wine a day, and spending her evenings Googling 'Am I an alcoholic?' In a desperate bid to turn her life around, she quit drinking and started a blog. She called it Mummy Was a Secret Drinker. This book is the story of a year in Clare's life. A year that started with her quitting booze having been drinking more than a bottle of wine every day. It sees her starting a hugely successful blog, then getting and beating breast cancer. By the end of the year she is booze free and cancer free, two stone lighter and with a life that is so much richer, healthier and more rewarding than ever before. *Sober Diaries* is an upbeat, funny and positive look at how to live life to the full. Interwoven within Clare's own very personal and frank story is research and advice, and answers to questions like: How do I know if I'm drinking too much? How will I cope at parties? What do I say to friends and family? How do I cope with cravings? Will I lose weight? What if my partner still drinks? And many more.

Life with Hope Marijuana Anonymous, 2020-06-02 Similar to *The Big Book of Alcoholics Anonymous*, *Life with Hope* thoroughly explains the 12 Steps and 12 Traditions as they relate to marijuana addicts and those with cannabis use disorder. This is an essential resource for anyone seeking recovery through Marijuana Anonymous (MA). How can we tell you how to recover? We cannot. All we can do is share with you our own experiences and recovery through the Twelve Steps of Marijuana Anonymous. Similar

to *The Big Book of Alcoholics Anonymous*, *Life with Hope* thoroughly explains the Twelve Steps and Twelve Traditions as they relate to individuals with cannabis use disorder. The text includes the 12 Steps and the 12 Traditions, fifteen personal stories from Marijuana Anonymous members, and the section, *A Doctor's Opinion about Marijuana Addiction*. *Life with Hope* is an essential resource for the marijuana addict and for anyone with a cannabis use disorder who is seeking recovery through Marijuana Anonymous (MA). The text is ideal for newcomers, people who are in active addiction, and anyone interested learning more about how marijuana addiction affects people's lives.

Living Sober Trade Edition Anonymous, 1975 Tips on living sober.

Twenty-Four Hours a Day Anonymous, 2011-06-01 2011 Reprint of 1954 Edition. Richard Walker, the author of this work, is the second most popular Twelve Step recovery author in total sales, after Bill Wilson. Walker has helped untold numbers of alcoholics through his writings. *Twenty-Four Hours a Day* is a book of meditation, thought, and prayer that is soul inspiring, spiritually uplifting, and filled with sage words of wisdom. While geared toward members of Alcoholics Anonymous to help them in their daily program of recovery, the book has much to offer any individual who is working on self-improvement and personal growth, and who is searching for spiritual uplifting and guidance. The book is divided into the 365 days of the calendar year, offering a thought, meditation, and related short prayer on each day. Much of the material is based on the *Big Book* and other A.A. literature. A classic work.

Daily Reflections A a, Aa World Services Inc, 2017-07-27 This is a book of reflections by A.A. members for A.A. members. It was first published in 1990 to fulfill a long-felt need within the Fellowship for a collection of reflections that moves through the calendar year--one day at a time. Each page contains a reflection on a quotation from A.A. Conference-approved literature, such as *Alcoholics Anonymous*, *Twelve Steps and Twelve Traditions*, *As Bill Sees It* and other books. These reflections were submitted by members of the A.A. Fellowship who were not professional writers, nor did they speak for A.A. but only for themselves, from their own experiences in sobriety. Thus the book offers sharing, day by day, from a broad cross section of members, which focuses on the Three Legacies of Alcoholics Anonymous: Recovery, Unity and Service. *Daily Reflections* has proved to be a popular book that aids individuals in their practice of daily meditation and provides inspiration to group discussions even as it presents an introduction for some to A.A. literature as a whole.

Bulimia/Anorexia: The Binge/Purge Cycle and Self-Starvation Marlene Boskind-White, William C. White, 2001-07-17 The power of the book lies in [its] vast clinical experience.... Eminently readable and filled with clinical anecdote.... Invaluable.—*The Lancet* Here is a basic source of information on the dynamics of eating disorders, written by two therapists who pioneered in treating them. This accessible and empowering book now adds four new chapters: *Anorexia Nervosa: Sociocultural Perspectives*, *Intensive Psychotherapy with Anorexics*, *Surviving Managed Care* (addressed especially to therapists), and *Our Daughters, Ourselves*. The book includes stories of bulimic and anorexic women in their own words—sympathetic peer-group voices to encourage women who have begun treatment or are considering it. The author also describes new school and college programs designed to help students who have eating disorders. Marlene Boskind-White draws on twenty-five years of clinical experience to set forth what actually works to combat and overcome bulimia and anorexia, focusing on ways to strengthen positive attitudes and develop practical coping skills. She evaluates new therapies and new medications such as Prozac and presents essential information on physiology and nutrition. I give this book my unqualified endorsement.—Jean Rubel, Ph.D., *Anorexia Nervosa and Related Disorders, Inc.* An outstanding contribution to the literature of eating disorders.—Albert D. Loro, Jr., Ph.D., former director, *Eating*
