*Friends and Friendship* Jerry White,Mary White,1982 God has placed within you a need for intimate companionship. When this need is unfulfilled, you're lonely. However, because of Christ's love you can deal with loneliness, the authors say. Here is help on how to make friends, how to keep the ones you have, and when you're justified in backing off from making new friends. The authors say, No one can have a meaningful existence without love and friendship. They are the substance of our emotional life. God knows your needs--He wants to give you close friends. In Friends and Friendship let Him show you His biblical cure for loneliness

**Facing the Truth** Dr. Tom McMurtry,2012-07-25 You are now or soon shall be what your friends are! This was a powerful statement that I heard a preacher say many years ago. It made me stop and look at the people that I considered as friends. Are they the kind of person that I want to be? Are they the kind of person that my Heavenly Father would want me to associate with? Another good question that I asked myself was, Am I a good friend? In those days a person had to have actual personal contact with someone for them to be considered a friend. With todays technology and social media web sites, friendships are growing rapidly. They are having daily contact with many more people. A person should always be careful of whom their friends are, but even more in todays fast paced world. James 4:4 Ye adulterers and adulteresses, know ye not that the friendship of the world is enmity with God? whosoever therefore will be a friend of the world is the enemy of God. God tells us clearly to examine our friendships! This book will help you to take a close look at this new world of quick communication. It will show you Biblically how God will judge your friends list.

Friendship in the Hebrew Bible Saul M. Olyan,2017-01-10 The first comprehensive study of friendship in the Hebrew Bible Friendship, though a topic of considerable humanistic and cross disciplinary interest in contemporary scholarship, has been largely ignored by scholars of the Hebrew Bible, possibly because of its complexity and elusiveness. Filling a significant gap in our knowledge and understanding of biblical texts, Saul M. Olyan provides this original, accessible analysis of a key form of social relationship. In this thorough and compelling assessment, Olyan analyzes a wide range of texts, including prose narratives, prophetic materials, psalms, pre-Hellenistic wisdom collections, and the Hellenistic-era wisdom book Ben Sira. This in-depth, contextually sensitive, and theoretically engaged study explores how the expectations of friends and family members overlap and differ, examining, among other things, characteristics that make the friend a distinct social actor; failed friendship; and friendships in narratives such as those of Ruth and Naomi, and Jonathan and David. Olyan presents a comprehensive look at what constitutes friendship in the Hebrew Bible.

**The Bible and Social Justice** Cynthia Long Westfall,Bryan R. Dyer,2016-03-10 Although the cry for justice in human society is an important theme in the Bible, in many church and academic circles action for and discourse about social justice is carried on without a thorough exploration of this theme in Scripture. This volume brings together chapters by experts in the various sections of the Old and New Testaments to give a full spectrum of what the Bible has to say about social justice, and to point to ways forward for Christians seeking to think and act in harmony with God in pursuing social justice in the world today.

**What Does the Bible Say About Friendship?** Laurie Brink,2019-09-16 What does the Bible say about Friendship makes two extraordinary claims: that our life’s ultimate goal is friendship with God and that our own personal friendships provide the road map. Friendship with God is a gift of Holy Wisdom (Wis 7:27). God speaks to Moses face to face as one speaks to a friend (Exod 33:11). And most striking of all these biblical examples, Jesus calls his own disciples, “friends” (John 15:15). Tracing the theme of friendship in the Scriptures, we will explore our own relationships with our family and friends to see how they have helped to pave the way for our becoming friends of God. The series What Does the Bible Say About ...? examines Biblical teaching in non-technical language in a style accessible to all, while taking into account current scholarship, and relating the biblical message to challenges of today’s church and society. Rather than commenting on the content of any specific book, this new series examines topics of interest in a cross-reading of the Bible, both Old and New Testament, presenting a wide-angle view of what Sacred Scripture really says.

Friendship Leadership Matt Messner,Rachel McMurray-Branscombe,2018-11-29 No one can deny that friendships are powerful relationships of influence. Why not strategically incorporate friendship within a philosophy of leadership? People long for relational models of leadership, yet few specific methodologies have been developed. This book examines the friendship of God with humanity, and the leadership of Jesus with his disciples, to whom he declared, I no longer call you servants . . . Instead, I have called you friends (John 15:15). In response to this enduring example of the Divine bringing together both friendship and leadership, this book presents an unexplored model of leadership for the Christian practitioner: Friendship Leadership. The authors of Friendship Leadership share research, historical examples, and their personal experiences with this leadership model, as they describe both the trials and triumphs. Through this process, the book addresses the primary barriers a leader might experience when utilizing the Friendship Leadership model. Finally, the authors offer a guide for how to incorporate friendship into their leadership, strengthening others as they follow the example of our great Leader. The result is a transformational way of leading that nurtures relationships.
