Navy SEALs Simone Payment,2006-01-15 Describes the Navy SEALs, including the history of the organization, training requirements, equipment, and the type of missions they perform.

Never Fight Fair! Orr Kelly, 1996 They go in first, they go in fast, and they do whatever's needed to get the job done. Their motto: The only easy day was yesterday. The only rule: Win. From their early days in World War II through the jungles of the Caribbean and Vietnam to the shores of Qadhafi's Libya and Iraqi-controlled Kuwait, the elite, highly disciplined military units that came to be known as SEAL teams have done the dirty work of war. Behind enemy lines, under cover of darkness, on sea, air, and land, they conduct the high-speed, high-adrenaline operations that never make headlines but always make the enemy pay -- and make victory possible. This is the book for the real stories, straight from the SEALs themselves. The combat experiences the SEALs share -- the daring rescue missions, the underwater demolition operations, the withering kill-or-be-killed firefights -- come vividly and brutally to life as never before, in NEVER FIGHT FAIR!

Weapons of the Navy Seals Fred J. Pushies, Of all the U.S. military's special forces, none carry the same name recognition nor capture the public imagination like the U.S. Navy SEALs. From their intense training in San Diego to their land, air, and, of course, sea operations the SEALs are feared and respected around the globe. This installment in the MBI Battle Gear series, like the previously published Weapons of Delta Force (0-7603-1139 0), will detail in 150 photographs all of the weapons, vehicles, gear, and high-tech gadgets that the SEALs use in their operations. Photographs show SEALs utilizing weapons, watercraft, aircraft, SCUBA equipment, and more in live-action exercises, bringing the reader into the midst of the action. In Battle Gear fashion, the book also includes a chapter describing the techniques SEALs use, as well as glossaries of terms and military abbreviations.

Kennedy, but they have a reputation as one of the best Special Forces units in the world. The U.S. Navy SEALs tells the story behind these Sea, Air, and Land (SEAL) specialists describing the full combat record of the SEAL Teams, and detailing their organization, equipment, uniforms and insignia.

The U.S. Navy's elite specialists are among the most highly trained forces capable of undertaking dangerous missions into enemy territory. Hollenbeck takes you through the relentless twenty-five week training, including hell week, when soldiers are put through five days of training with fewer than 4 hours of sleep. About the Author and Photographer: Cliff Hollenbeck and Dick Couch followed SEAL Class 228 through months of rigorous training.
