Data Access and Storage Management for Embedded Programmable Processors Francky Catthoor, K. Danckaert, K.K. Kulkarni, E. Brockmeyer, Per Gunnar Kjeldsberg, T. van Achteren, Thierry Omnes, 2013-03-14 Data Access and Storage Management for Embedded Programmable Processors gives an overview of the state-of-the-art in system-level data access and storage management for embedded programmable processors. The targeted application domain covers complex embedded real-time multi-media and communication applications. Many of these applications are data-dominated in the sense that their cost related aspects, namely power consumption and footprint are heavily influenced (if not dominated) by the data access and storage aspects. The material is mainly based on research at IMEC in this area in the period 1996-2001. In order to deal with the stringent timing requirements and the data dominated characteristics of this domain, we have adopted a target architecture style that is compatible with modern embedded processors, and we have developed a systematic step-wise methodology to make the exploration and optimization of such applications feasible in a source-to-source precompilation approach.

Criminal Procedures Marc L. Miller, Ronald F. Wright, Jenia I. Turner, Kay L. Levine, 2023-01-31 Criminal Procedures: Cases, Statutes, and Executive Materials, by Marc Miller, Ronald Wright, Jenia Turner, and Kay Levine, focuses on the interactions among multiple institutions in shaping the law of Criminal Procedure, bringing state courts, legislatures, prosecutor offices, and police department policymakers into the picture alongside the U.S. Supreme Court. Criminal Procedures: Cases, Statutes, and Executive Materials is noted for its comprehensive coverage and excellent selection and editing of cases and materials. The book is known for its special focus on a rich selection of materials from multiple institutions, including primary materials from U.S. Supreme Court cases, state high court cases, state and federal statutes, rules of procedure, and police and prosecutorial policies, along with materials from social science studies. The new edition retains the casebook's engaging writing style and division of materials into "teachable chunks." Updated cases are chosen for their contemporary accuracy and feel, to complement essential cases of historical value. Taken together, the principal materials highlight procedural variety, focus on real process topics, provide the political context, and consider the impact of procedures on the various parties involved. The scholarly expertise and experience of the authors are especially reflected in the Criminal Procedure II materials, which include coverage of prosecutorial charging, plea bargaining, and sentencing. Their frequent use of Problems gives instructors options for applying concepts and doctrines in realistic practice settings. The purchase of this ebook edition does not entitle you to receive access to the Connected eBook with Study Center on CasebookConnect. You will need to purchase a new print book to get access to the full experience, including: lifetime access to the online ebook with highlight, annotation, and search capabilities; practice questions from your favorite study aids; an outline tool and other helpful resources. New to the 7th Edition: New organization for the search and seizure chapters to better reflect long-term doctrinal changes. Coverage of new design options for police organizations, inspired by the "Defund the Police" movement. Spotlighting the Breonna Taylor tragedy in Louisville as a focal point for discussion of no-knock warrants. Emphasis throughout the search and seizure chapters on the interaction between technology and doctrinal change. Coverage of declination and plea negotiation policies in the offices of "progressive prosecutors." Enhanced coverage of the operation of state speedy trial statutes in high-volume courts Fresh evaluation of historical trends and current practices in plea bargaining. Coverage of recent rulings of U.S. Supreme Court on jury selection and unanimous jury verdicts. Professors and students will benefit from: Materials that support class discussion, including criminal court actors beyond the Justices of the U.S. Supreme Court: the vision is "street level federalism." Materials that portray for students the range of current practices in criminal justice rather than a rushed historical narrative about doctrinal trends. Supporting web site that offers exemplar documents from legal practice, recent news with relevance for criminal procedure, and brief video lectures to introduce each major unit. Emphasis on high-volume practical issues in criminal procedure instead of intricate but rarely-encountered questions. Intuitive organization - tracking the typical sequence of events in criminal investigations and in the criminal courts - makes it easy to see connections among different areas of the law.

Daisy in a Gun Barrel Penelope Fox, 2012-01-13 DAISY IN A GUN BARREL PEACE AND FREEDOM, LOVE AND WAR, ROCK AND ROLL THE 1960s ~ Penelope Fox If you happen to be an "American Idol" fan, recognize Eric Clapton or Bob Dylan in television commercials, listen to classic rock, or follow the clash of conservatives and liberals in Congress, you know that the 1960s remain with us, even fifty years after the impact of the era. The dilemmas of that decade continue to confound us as we grapple with the ideologies that entered the consciousness of the nation during those years. A cascade of front page news marks the period: the election of youthful, progressive, President John F. Kennedy and the fear-mongering, strangle-hold of the CIA and FBI; peace movements versus military efforts; marijuana-smoking, long haired Hippies in loose fashions clashing with strait-laced, buttoned up, conservative law enforcement; Dr. Martin Luther King Jr. and civil rights, followed by women's rights, workers' rights and everyone wondering what was right. More incongruities arose from international oil production and giant factory output clashing with breakthrough biological science and environmental concerns. Satellite communication battled with censorship in broadcasting. Youthful interest in the Third World, especially Asia, was shattered by a horrific, undeclared war that lasted for fifteen years and created a generational divide that has never been breached. A background of iconic music continues to remind us of the colorful history of the 60s. But what about the everyday lives of young people thrust into that psychedelic and political maelstrom? What was it like for the individuals trying to be heard over the roar of questionable politics? One answer lies in the collective voice of music that framed a lyrical diary of their experiences. "Daisy in a Gun Barrel" is the story of Dianna, a teacher, and Randall, a musician, who find romance in college, and shortly thereafter are torn apart by war and circumstances. It is a story of people coming to terms with personal and political beliefs, only to find that society clashes with their viewpoints at every turn. Theirs is a generation determined to change the world into a better, kinder, more democratic place. Little did they know the impact of their ideals, or the real and metaphorical ammunition that would be leveled against the beliefs they viewed as right, moral, and constitutional. Rock and roll with Dianna and Randall through the tumultuous and exciting years of 1962 through 1970, and consider the impact of their generation. Smile at their optimism, weep with their losses, and celebrate the memorable songs that grace the years. Join the characters as they encounter turning points and question authority. This is history, alive and kicking, with a strong appeal to the curious young, who were not there, and to the post flower children who would like to remember. Light the incense, slip into something tie-dyed, and revel in the events that illuminate this

carefully researched and truly American story, before time and historians erase the vibrant, human essence of this powerful decade. You must be the change you wish to see in the world. ~ Mahatma Gandhi
