The Brothers Four Timothy Lamb,2019-01-17 This book is about four brothers—two older and two younger—who experience multiple life-changing events starting with the murder of their parents on Thanksgiving night in 1985. The older brothers are street savvy, and the younger brothers are book smart. Their journey becomes one of survival because the older brothers make it a point that their younger brothers finish high school and pursue higher education. The older brothers have dead-end jobs, and they resort to hustling in the streets of Detroit. But they were not prepared for what they encounter along the way to money, power, and fortune. They spend countless time reflecting on what they will do when and if they find their parents’ killer, and the real twist takes place when they do. To the readers of this book, I hope you find the outcome inspiring.
