The suits are having none of it, though, and track down Gee and his new human friends, promising to torment them with hellhounds, soap operas, and bad haircuts. Where There's Love, There's Hate Adolfo Bioy Casares,Silvina Ocampo,2013-05-14 A witty yet gripping pastiche of murder mysteries set in an Argentine seaside resort, peppered with literary allusions In seaside Bosque de Mar, guests at the Hotel Central are struck by double misfortune: the mysterious death of one of their party, and an investigation headed by the physician, writer and insufferable busybody, Dr. Humberto Huberman. When quiet, young translator Mary is found dead on the first night of Huberman's stay, he quickly appoints himself leader of an inquiry that will see blame apportioned in turn to each and every guest--including Mary's own sister--and culminating in a wild, wind-blown reconnaissance mission to the nearby shipwreck, the Joseph K. Never before translated into English, *Where There's Love, There's Hate* is both genuinely suspenseful mystery fiction and an ingenious pastiche of the genre, the only novel co-written by two towering figures of Latin American literature. Famously friends and collaborators of Jorge Luis Borges, husband and wife Bioy Casares and Ocampo combine their gifts to produce a novel that's captivating, unashamedly erudite and gloriously witty.

The Boardgamer Volume 1 Bruce A. Monnin, The Boardgamer magazine was a quarterly magazine devoted primarily, but not exclusively, to the coverage of Avalon Hill / Victory Games titles and to other aspects of the boardgaming hobby. Initially, The Boardgamer's publication ran concurrently with Avalon Hill's house magazine, The General, but instead of focusing on new releases, it devoted coverage to those classic, Avalon Hill games which no longer graced the pages of The General. Following the cessation of The General in June 1998, The Boardgamer was the primary periodical dedicated to the titles from AH/VG, until its final issue in 2004.
